18. Sri Utpal Mandal, Superintending Engineer, KMDA
19. Sri Bijay Krishna Pal, Superintending Engineer, KMDA
20. Sri N.K. Bhaumik, OSD & EO, KMC

Director, State Urban Development Agency (SUDA) chaired the meeting.

At the outset, he welcomed all the members and explained the discussion points of the meeting.

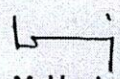

After a threadbare discussion the following discussions and decisions have been made :

1. As per DPR prepared by KEIP under the ADB project with a total project cost of \$ 285 million for installation of all facilities viz. wet waste processing plant, Material Recovery Facility and Sanitary Landfill site at an area of approximately 151 Hectors (450 acres).
  - 60 acres of land will be made available at Dhapa after reclamation of land through bio-mining of the legacy waste at Dhapa.

- 20 Acres land available at Patharghata, Newtown.
  - KMC also proposed to acquire 35 acres land is available at Rosopunjo, Behala presently dumped with legacy waste and bio-mining is required to be done for land reclamation.
2. As per present requirement, KMC may install following facilities :
- Construction and demolition waste processing plant of 800 TPD capacity at Patharghata, Newtown.
  - Material Recovery Facility of 600 TPD on 60 acres of land to be reclaimed after processing of legacy waste at Dhapa.
  - Bio remediation of wet waste of 2700 TPD on 60 acre reclaimed land to be reclaimed after processing of legacy waste at Dhapa. This will be in addition to the existing 500 TPD capacity Compost Plant at Dhapa.
3. SLF facility on 35 acre land of at Rosopunjo to be set up.
4. The reclamation of 60 acres land at Dhapa for installation of MRF and wet waste processing plant/s is subject to the concurrence and approval of East Kolkata Wetland Authority.
5. The Committee was appraised that the tendering and compliance norms of ADB are completely different and expected to take atleast more than a year or so for approval, KMC is advised to continue with the existing activities of Solid Waste Management that have been initiated already for compliance with the order of the Hon'ble NGT in O.A. No.606/2018.
6. KMDA has floated tender for Bio-mining of Legacy Waste from the dumpsites in 25 Clusters for 63 ULBs. Tender for 18 clusters in 49 ULBs have been found to be responsive with the bid price varying from Rs. 511 to Rs. 988 per tonne as tipping fee. It was decided that
- Chief Engineer, S&SWM, KMDA will negotiate the rate with the bidders who have quoted above Rs. 650 per tonne as tipping fee. The negotiated rates to be placed at the next meeting of State Level Task Force for SWM.
  - A clear declaration shall be taken from the appointed agencies that they shall not claim any compensation for less quantity of legacy waste as actually found at the site.
7. It has been learnt that bidders are not showing interest to participate for the ULBs where the quantity of legacy waste is much less. The Committee opined to take up the issue with the nearest ULB(s) where agencies have been already identified for processing of legacy waste.

Meeting ended with thanks to and from the chair.

  
(Santanu Mukherjee)  
Director, SUDA
