

**Minutes of the 75th Meeting of State Level Task Force on Solid Waste Management for discussion
on several issues of solid waste management**

In the Chair:	Director, SUDA
Meeting Date:	10 th September, 2025
Meeting Venue:	SUDA Conference Hall
Meeting Time:	2.00 PM
Meeting Attendees:	List of Members and participants : Annexed

Director, State Urban Development Agency (SUDA) chaired the meeting.

At the outset, he welcomed all the members present and explained the discussion points of the meeting. After threadbare discussion the following decisions were arrived at:

1. The Committee was apprised that in the 74th SLTF meeting held on 13th August, 2025 following recommendation were given regarding setting up of Fresh Waste Processing Plant at Siliguri Municipal Corporation by M/s Eastern Organic Fertilizer Private Limited (EOFPL):
 - i. INSDAG may be requested to submit a comprehensive report with the corrective measures regarding stability of the entire structure along with the observations they have raised.
 - ii. M/s EOFPL may be instructed to submit photocopy of all test certificates to INSDAG endorsing a copy to SUDA and may also be instructed to comply the recommendation of INSDAG on the corrective measures regarding stability of the entire structure.

The Committee was perused that based on the above observations SUDA has engaged INSDAG to submit a comprehensive report with the corrective measures regarding stability of the entire structure along with the observations they have raised. After that a joint visit was made by Superintending Engineer & Executive Engineer of SUDA, Assistant Engineer of Siliguri MC, representatives of INSDAG and Director of M/s EOFPL & their Engineers at the plant on 08.09.2025 for thoroughly measuring the structural members. It was observed that in the mean time M/s EOFPL has done grouting in between base plate and column, and tightened the nut bolt etc.

INSDAG informed that they will submit a comprehensive report with the corrective measures regarding stability of the entire structure as early as possible.

Considering above observation and positive approach of M/s EOFPL, the Committee recommended that payment for processing of fresh waste may be released for smooth functioning of the plant subject to submission of undertaking by M/s EOFPL for complying the recommendation to be submitted by INSDAG on the corrective measures regarding stability of the entire structure and in the meantime any incident may be occurred the company will remain fully liable for that.

2. The Committee learnt that for utilization of RDF in Paper Industries, Uttar Pradesh Government is issuing Consolidated Consent & Authorization and the Gujarat Government has published SoP based on the study of NIRI for utilization of RDF.

Based on above, the Committee requested to SUDA to issue a letter to WBPCB under Department of Environment, Government of West Bengal with the request to allow utilization of RDF in Paper Industries in West Bengal like

State of Uttar Pradesh and Gujarat so that the huge quantity of RDF being generated after processing of legacy waste in 123 dumpsites and daily collected dry fresh waste can be disposed in regular manner, and which will also reduce the waste processing cost.

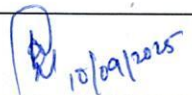

With no other issue for discussion the meeting ended with vote of thanks to and from the chair.

Joly Chaudhuri
10.09.2017

(Joly Chaudhuri)
Director, SUDA
