

**Minutes of the 37th Meeting of State Level Task Force on Solid waste management
for evaluation of legacy waste processing tenders**

In the Chair : Director, SUDA

Meeting Date : 3rd January, 2022

Meeting Venue : SUDA Conference Hall (2nd Floor)

Meeting Time : 12.00 Noon

Meeting Attendees :

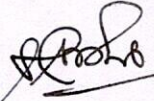

➤ List of Members and participants : Annexed

Director, State Urban Development Agency (SUDA) chaired the meeting.

At the outset, he welcomed all the members and explained the discussion points of the meeting. A threadbare discussion was held regarding the evaluation of tender for biomining and bio remediation of legacy waste at 9 dumpsites of 8 ULBs and following decisions were taken:

The Committee found that after evaluation of financial bids of the two technically eligible bidders, for biomining & bioremediation of 9 dumpsites of 8 ULBs viz Chandrakona, Chakdah, Katwa, Kharar (2), Ramjibanpur, Contai, Alipurduar and Jhalda, M/s Rohini Fire Safety Pvt. Ltd. quoted the lowest rate of Rs.599/- per MT. The Committee recommended placing the rate before Single Departmental Tender Committee for approval as the number of bidder is less than three & the rate found on the second call.

With no other issue for discussion the meeting ended with vote of tanks to and from the chair.

 3/1/2022
(Supriya Ghosal)
Director, SUDA

Minutes of the 38 Meeting of State Level Task Force on Solid Waste Management

In the Chair : Director, SUDA

Meeting Date : 7th February, 2022

Meeting Venue : SUDA Conference Hall and through Video Conference

Meeting Time : 2.00 pm

Meeting Attendees :

➤ List of Attendees annexed

Director SUDA chaired the meeting and invited discussions. After detail deliberations the members resolved and recorded:

- (1) Commissioner HMC submitted the Technical and Financial evaluation of the fourth call for the processing of legacy waste at the dump site of HMC for an estimated quantity of 10 lakh MT.
- (2) The tender was invited on a QCBS basis and evaluated accordingly.
- (3) Two bids were technically responsive and based on the techno- commercial evaluation.
- (4) Committee advised HMC to further negotiate the rates offered by the HI bidder as previously FD had put a maximum threshold rate of ₹650 per MT for the complete processing of legacy waste as per the SWM Rules 2016.
- (5) In the bids under discussion, the selected bidder to be paid based on the weight of output quantity post processing and not on the weight of the input waste put to processing. The Experts opined that there is a 15% loss in weight post processing.
- (6) On receipt of the negotiated rate, SLTF will take further action in the matter.

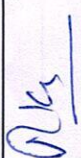

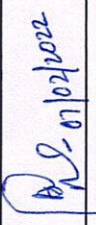

The meeting ended with thanks to and from the chair.

(Supriya Ghosal)
Director, SUDA
