Knowledge Partner

Urban Management Centre is a non-profit organization dedicated to building resilient systems for inclusive and equitable development. We work with governments to strengthen local governance and build lasting institutional structures. We also work directly with vulnerable people to ensure that they have the tools and support they need. Over the last 25 years, UMC and its teams have developed fundamental innovations in urban and rural development challenges such as performance assessment, capacity building and decentralized institutional strengthening. We have extensively supported to strengthen systems for ensuring safety and dignity of sanitation workers.

Abbreviations

BMS- Beneficiary Management System

IEC- Information, Education & Communication

MoSJE- Ministry of Social Justice and Empowerment

MoHUA- Ministry of Housing and Urban Affairs

NAMASTE- National Action for Mechanized Sanitation Ecosystem

NSKFDC- National Safai Karmacharis Finance Development Corporation

OBC- Other Backward Classes

PMU- Project Management Unit

PSSOs- Private Sanitation Service Organizations

PMJAY – Pradhanmantri Jan Arogya Yojana

PPE- Personal Protective Equipment

RSA- Responsible Sanitation Authority

SSW- Sewer and Septic Tank Worker

SEP- Sewer Entry Professionals

SHG – Self Help Group

SRU- Sanitation Response Unit

SC- Schedule Castes

ST- Schedule Tribes

ULB- Urban Local Body

1. Who is this manual for?

This user manual is primarily designed for surveyors, validators and city NAMASTE nodal officers.

- Surveyors are responsible for conducting surveys of sewer and septic tank workers (SSWs). The manual will provide them with clear instructions and tips on asking appropriate questions and to suggest the most effective methods to conduct the surveys.
- Validator and City NAMASTE nodal officers are responsible to validate the data.

2. Introduction to NAMASTE Scheme

National Action for Mechanized Sanitation Ecosystem (NAMASTE) is a central sector scheme jointly implemented by Ministry of Social Justice and Empowerment (MoSJE) and the Ministry of Housing and Urban Affairs (MoHUA). National Safai Karmacharis Finance Development Corporation (NSKFDC) is the implementing agency for 'NAMASTE' scheme. The Scheme will be implemented for three years from FY 2023-24 to FY 2025-26 across 4861 ULBs of India. The scheme aims to bring the transition across all cities from manhole to machine hole through 100% mechanization of sewer and septic tank cleaning operations. The target group of the scheme is sewer and septic tank cleaning workers. This includes workers employed by urban local bodies (ULBs), parastatal bodies¹ and private sanitation service organizations. The interventions of NAMASTE scheme are as follows:

Profiling of SSWs: The scheme aims to create a comprehensive digital database of SSWs employed by ULBs, Parastatal agencies, private sanitation service organizations (PSSOs) and other private operators. This database will facilitate the provision of support, skill-building, and access to social and financial benefits for SSWs and their dependents.

Health Insurance coverage of SSWs under Ayushman Bharat - Pradhan Mantri Jan Arogya Yojana (PMJAY): To provide a safety net for SSWs and their families in case of illness or accidents, each SSW who is not currently covered under the PMJAY, will be provided health insurance coverage under PMJAY. The cost of the premium will be borne by NSKFDC.

Training of SSWs and Duty Supervisors: The NAMASTE scheme will adopt a competency-based approach to provide occupational health and safety training to SSWs, including Sewer Entry Professionals (SEP), and other members of the Sanitation Response Unit (SRU). This includes Responsible Sanitation Authority (RSA) and Duty Supervisors.

Capital Subsidy on Loans to SSWs for Procurement of Sanitation-related Vehicles/ Equipment through Swachhata Udyami Yojana (SUY): NSKFDC will provide funding support to sanitation workers, self-help groups (SHGs) of SSWs, and PSSOs to procure sanitation equipment and vehicles under the Swachhata Udyami Yojana. SSWs and their dependents will also be eligible for capital and interest subsidies, in case banks provide loans at a higher interest rate. Handholding support will be provided to beneficiaries through empaneled agencies. It will be ensured that all loaners have Aadhaar seeded bank accounts.

¹ Parastatal bodies include water supply and sewerage boards and state public health & engineering departments/offices

Provision of Personal Protective Equipment (PPE) for SSWs: The NAMASTE scheme aims to ensure the occupational safety of SSWs by providing them with PPE kits, including gloves, body suits, safety shoes, masks, safety goggles, etc.

State Namaste Coordinators: States/UTs would be authorized to engage PMU staff to support the Mission Director of the State for the implementation of NAMASTE in ULBs and coordination with NSKFDC.

IT infrastructure: A NAMASTE portal will be executed nationally to display data of empanelled service providers and SSWs at the ULB level and monitor the implementation of NAMASTE for tracking targets and achievements by the ULBs

IEC Campaign: IEC would be undertaken jointly by the ULBs & NSKFDC to spread awareness about the importance of the health and safety of SSWs and availing services through empaneled PSSOs.

This document is a training manual to ensure adoption of uniform and standard understanding of the Enumeration/ Survey and validation questions by all Surveyors as well as validators across urban India. This document provides a step-by-step guide for the entire Enumeration/ Survey and validation process covering all aspects. The manual also contains instructions on the usage of android-based mobile application Beneficiary Management System (BMS) under the NAMASTE portal.

3. Which workers are eligible to be enumerated?

- Sewer and septic tank workers who are engaged by the ULBs, parastatal agencies, self-help groups, and private sanitation service organizations (PSSOs) either their own staff or on contractual terms or as daily wager or non-muster roll.
- Workers with a proof of employment of working as sewer and septic tank workers.

4. Need of Profiling SSW

The Prohibition of Employment as Manual Scavengers and their Rehabilitation Act (PEMSR), 2013 prohibits manual scavenging and hazardous cleaning of sewers and septic tanks. As per National Commission for Safai Karamchari's (NCSK) across 24 States and Union Territories, 1055 sewer and septic tank-related deaths have taken place between 1993 and May 2023 due to hazardous cleaning of sewer and septic tanks. The sanitation sector is unregulated and sanitation service delivery happens through informal sanitation workers without access to Personal Protective Equipment (PPE) and safety devices. It is evident that identifying the sanitation workers and connecting them with entitlements has been a challenge as there is a lack of survey database. **Hence, it is important to create a national evidence base of sanitation workers to link workers and their families with NAMASTE scheme benefits.**

5. Process Flow of the Enumeration/ Survey

The Enumeration/ Survey of the SSWs will happen as follows:

1. ULBs will organize profiling camps for Enumeration/ Survey of SSWs.

2. The ULB will appoint Surveyors to enumerate SSWs in profiling camps.
 3. The quality of all the surveys will be verified within 5 days of the profiling camps by the ULB NAMASTE Nodal Officer. The quality checks will include thorough checking and error flagging of all the surveys through the NAMASTE web portal.
 4. NSKFDC will conduct a quality check of 10% of the surveys to confirm the authenticity of the data.
 5. The errors flagged by the ULB NAMASTE Nodal Officer should be resolved by the Surveyors within 7 days from the day on which they are flagged. Surveyors must either call the worker to the ULB office or conduct field visits to rectify the errors.
 6. Upon completion of error resolving, the ULB NAMASTE Nodal Officer will validate the SSWs within 7 days.
 7. Once the process of validation is complete, a unique NAMASTE ID of SSWs will be generated.
- 8. Troubleshooting:**
- a. **for the NAMASTE App:** Reach out to the UMC-NAMASTE helpdesk at **91-7600918348**
 - b. **for any process related queries:** Reach out to the NAMASTE helpline at **011-26382478**

6. Surveyors

Surveyors could be any functionaries who are well-versed with engaging and connecting with sanitation workers' community. They could be DAY-NULM community organizers/ SBM animators or sanitary inspectors of the ULB.

The Surveyors will be provided with training by NSKFDC to make them familiarized with the survey app and questionnaire.

6.1. Role of the surveyor

- The enumerator will be responsible for digital profiling and registration of the SSWs
- During the camp the enumerator is expected to complete profiling of at least 10 SSWs every day and report the progress of survey to the ULB officials and NSKFDC on a regular basis.
- After error flagging, the enumerator must rectify all errors within a weeks' time

6.2. What an enumerator/surveyor needs for the profiling:

The profiling can be done wither through the NAMASTE mobile application or on the desktop application. For ease of taking photographs, it is recommended to use the mobile application.

SURVEY ON THE MOBILE APPLICATION

- Surveyors should have an Android smart phone along with its charger.
- Install the most recent version of the app from the Google Play store. If an update notification or pop-up appears while the app is already installed, update it.
- A user ID and password will be provided to use the application by the ULB. Press the app icon on the smartphone and log in.
- While conducting surveys on mobile phone ensure that it is fully charged, has a good internet connectivity, and should check for electric connection and charging points near the survey area.

Steps to improve the performance of the mobile device while conducting survey:

- Turn off Bluetooth and Wi-Fi when not in use.
- Do not leave an un-required apps running in the background. This will help conserve battery.
- Keep the phone on the silent mode.
- Disable the battery saver while conducting the survey, to avoid any issues with the survey app unless the battery level drops below 20%.
- While using the survey app, ensure that GPS location is turned on.
- How to turn on GPS location.
 - Unlock your phone.
 - Open the notification panel on your phone.
 - Search for “location” option in the notification panel by scrolling down/ sideways, whichever may be applicable.
 - Click on “location” option, this will activate the GPS/ location service on the device.

SURVEY USING DESKTOP APPLICATION

Requirements

- Latest Windows desktop/ laptop (no older version than Windows 10) along with its charger/electric connection and active internet connectivity.
- The latest and updated internet browser (Google Chrome version 115, /Mozilla Firefox version 72/ Microsoft Edge version 115) to be used for web-based survey portal.
- Webcam to capture image of the respondents.
- A user ID and password will be provided to use the survey portal by the ULB.
- Strong internet connection, access to electricity, and nearby electricity points from the desktop's location.
- Document scanner for uploading documents and images wherever required on the NAMASTE web portal.

Steps to improve performance of desktop/laptop computer while conducting survey:

- Turn off Bluetooth (if available) and Wi-Fi when not in use.
- Do not leave multiple tabs open while using the survey portal.
- Ensure that the laptop has gone through recent systems update request for smooth and efficient functioning of survey portal.

7. Guiding Principles for the Surveyors

No Promises to be made.

Do not make unrealistic promises to the respondents. Explain them about the scheme and the benefits associated with the scheme, and inform that while this survey will help in the enrolment for entitlements under the scheme, the appropriate department from the ULB will take actions for other needs.

Empathy

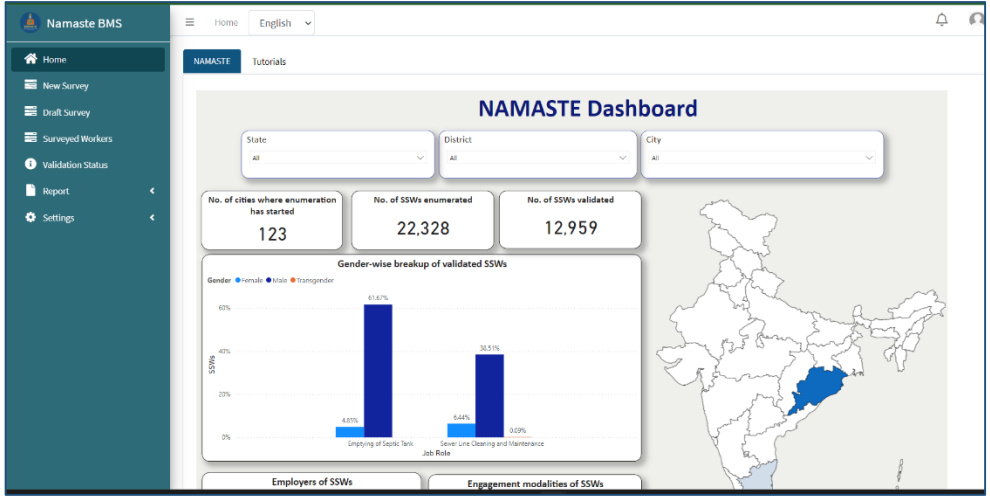

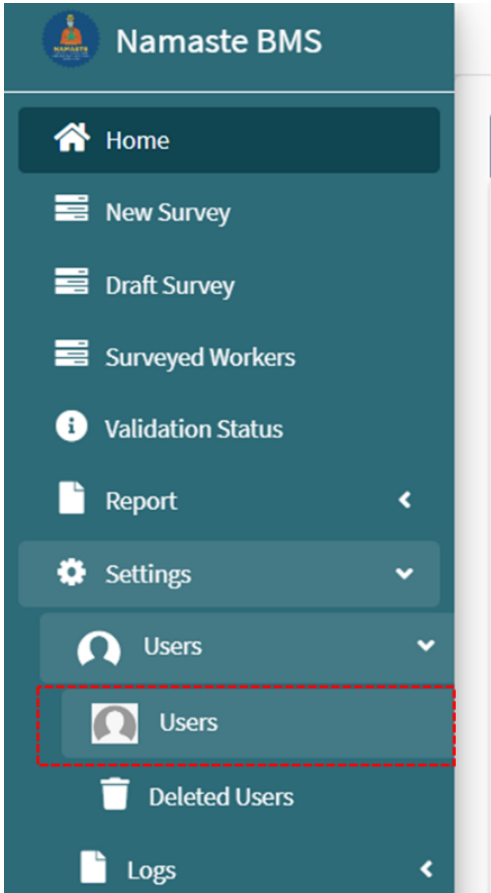

The survey includes capturing personal and sensitive information from the beneficiaries. The Surveyors should be mindful of this fact and respect their choices and decisions. Maintaining a polite and positive attitude for this survey is essential.

Privacy

The Surveyors must respect the privacy of the data they collect, and it must be used only for profiling purposes. No leakage of photos or information will be tolerated.

8. How to create User Login

| Sr no | Steps | Image |
|-------|---|--|
| 1 | The Nodal officer must enter the login IDs and passwords provided by NSKFDC |  |
| 2 | Nodal officer must complete their profile. |  |

| | | |
|---|--|---|
| 3 | <p>Nodal officers must create following IDs:</p> <p>Surveyors Validators</p> |  <p>The screenshot shows the 'NAMASTE Dashboard' with filters for State, District, and City. Key statistics include: 123 cities where enumeration has started, 22,328 SSWs enumerated, and 12,959 SSWs validated. A bar chart shows the gender-wise breakdown of validated SSWs by job role: 6.07% for Unemployed, 61.67% for Employing of Septic Tank, 6.48% for Sewer Line Cleaning and Maintenance, and 0.09% for Job Role. A map of India highlights the state of Odisha.</p> |
| 4 | <p>To create users, click on “Users” under settings</p> |  <p>The screenshot shows the mobile application settings menu. The 'Users' option is highlighted with a red dashed box. The menu items are: Home, New Survey, Draft Survey, Surveyed Workers, Validation Status, Report, Settings, Users, Deleted Users, and Logs.</p> |

| | | |
|---|---|--|
| 5 | <p>In Users page, all the ids created by the ULBs will be visible. To create “User”, click on “+ Add New Users”</p> | |
| 6 | <p>Fill in the necessary information . Keep the login IDs simple. Surveyor: (City name)–s1. For e.g. “Kochi-s1” Validator: (City Name)-v1 For E.g. “Kochi-v1”</p> | |
| 7 | <p>If the ID is created for surveyor select “Surveyor” For e.g. if the ID is “Kochi-s1”, then their role should be selected as “Surveyor”</p> | |

8 After entering all the information . Click on “Create”

The screenshot shows a 'Create new User' modal window. It contains the following fields and options:

- Name: [Text input field]
- Phone Number: [Text input field]
- Roles: [Dropdown menu with options: Select Role, Validator, Surveyor]
- States: [Dropdown menu with 'All' selected]
- City: [Dropdown menu with 'All' selected]
- Preferred language: [Dropdown menu with 'English' selected]
- Activated: [Checked checkbox]
- Buttons: Close, Create (highlighted with a red dashed box)

9 After user is created, the page will redirect to “User” page. There you will be able to see all the IDs created by the Nodal officer

The screenshot shows the 'Users' management page. It features a sidebar with navigation options and a main content area with filters and a user list table.

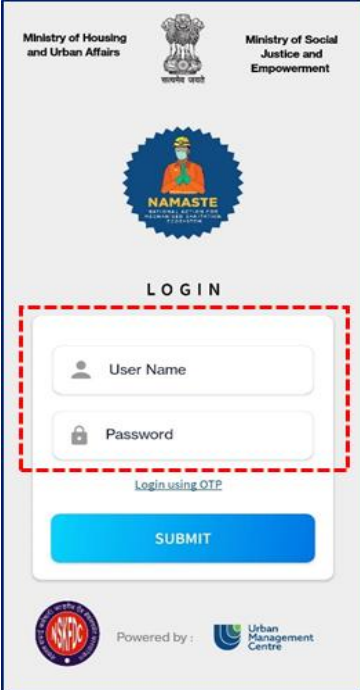

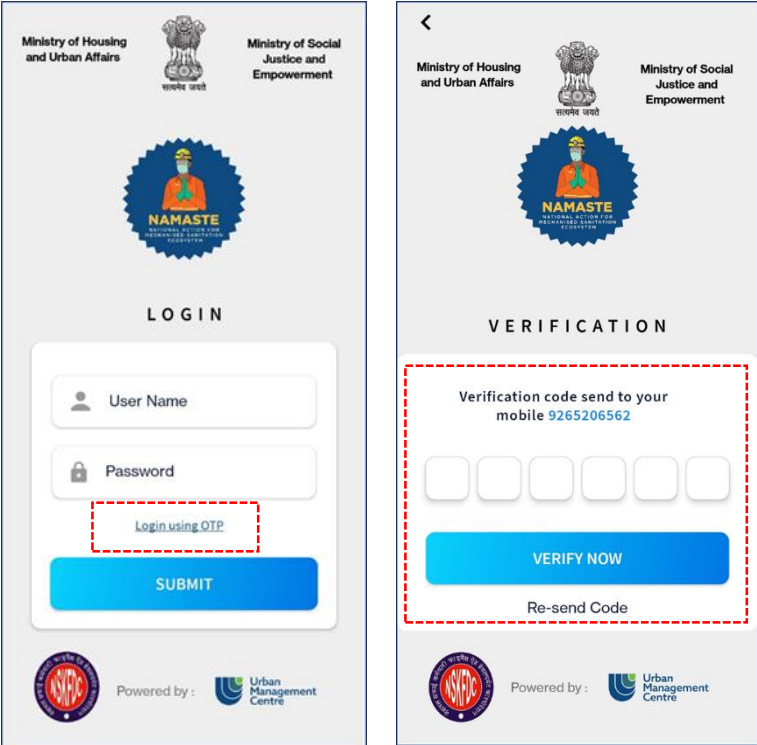

Users Table:

| ID | Login | Email | Phone Number | State | Profiles | Created at | Status | Action |
|------|----------|-------|--------------|--------|-----------|------------------------|-----------|-----------------|
| 2179 | kochi-v1 | N/A | 9737025268 | Kerala | Validator | 02/08/2023 13:08:09 pm | Activated | [Edit] [Delete] |
| 2178 | kochi-s1 | N/A | 9737025268 | Kerala | Surveyor | 01/08/2023 15:08:25 pm | Activated | [Edit] [Delete] |

Showing 1 to 2 of 2 entries. Page navigation: Previous 1 Next. Show 10 entries.

9. How to login and start the survey

9.1. Login through mobile application

| Sr no | Steps | Image |
|--------------------------------------|--|--|
| Login can be done in two ways | | |
| 1 | <p>Login using user ID and password</p> <p>Use Id and password as provided by the ULB NAMASTE Nodal Officer and tap 'Submit' to log in.</p> |  |
| 2 | <p>Or</p> <p>Login using One time password (OTP)</p> <p>Use Id as provided by the Nodal Officer of the ULB.</p> <p>Click here, you will receive a 6-digit OTP on your Mobile number.</p> <p>Entre the OTP to login to the NAMASTE app</p> |  |

Change the language

1

If the user wants the survey to be conducted in Hindi, click on “Profile” tab, and then click on “Language”. This will show a list of languages it is available in and select preferred language.

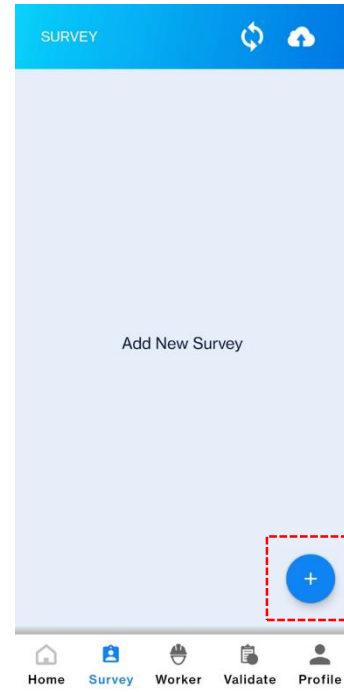

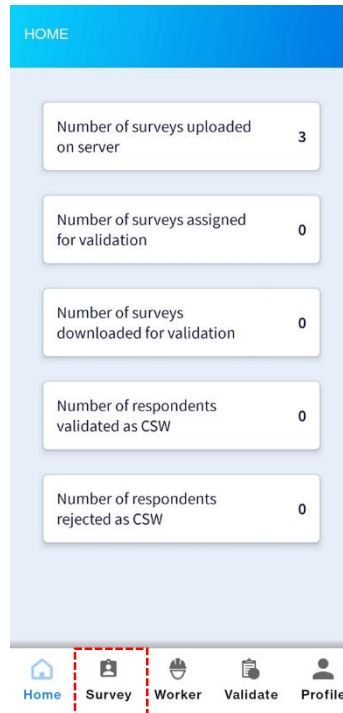

The screenshot displays two mobile application screens side-by-side. The left screen is titled 'HOME' and features a blue header. Below the header, there are five white cards with blue text and numbers: 'Number of surveys uploaded on server' (3), 'Number of surveys assigned for validation' (0), 'Number of surveys downloaded for validation' (0), 'Number of respondents validated as CSW' (0), and 'Number of respondents rejected as CSW' (0). The right screen is titled 'USER PROFILE' and also has a blue header. It shows a user profile card with a profile picture, name 'Abhijit Namboothiri', phone number '92652 06562', and email 'Abhijit@umcasia.org'. Below this are several settings options: 'Role admin', 'State', 'District', 'City', 'Language' (highlighted with a red dashed box), 'Reset Password', 'Check for update', and 'Logout'. At the bottom of both screens is a navigation bar with icons for 'Home', 'Survey', 'Worker', 'Validate', and 'Profile' (highlighted with a red dashed box). The version number 'V 1.0.0.18072023' is visible at the bottom of the 'USER PROFILE' screen.

Start a Survey

1

After logging in, you must go to the survey tab and start the survey.

Press on “+” sign to start a new survey.

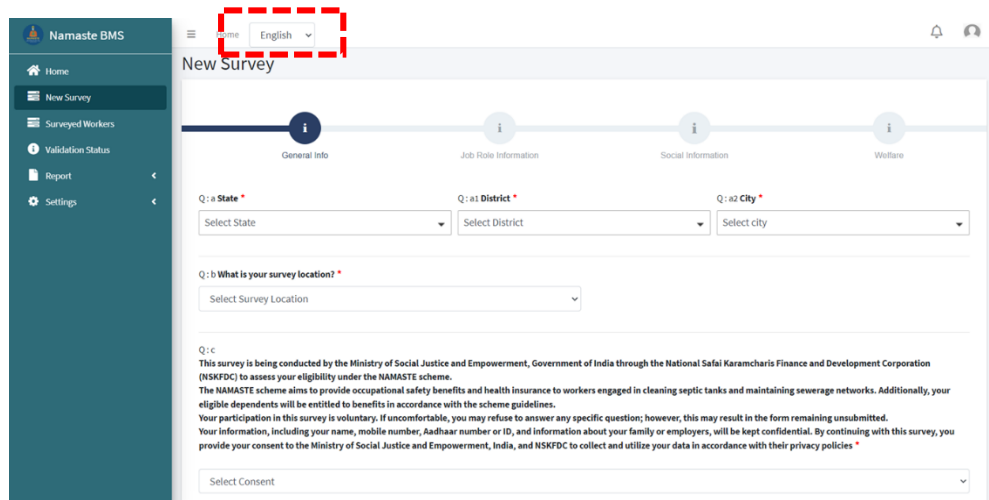

9.2. Login through desktop application

| Sr no | Steps | Image |
|--------------|---|-------|
| Login | | |
| 1 | Use Id and password provided by the Nodal Officer of the ULB. | |
| 2 | If a user forgets their password, they can request a new one by providing their email ID. | |

Change the language

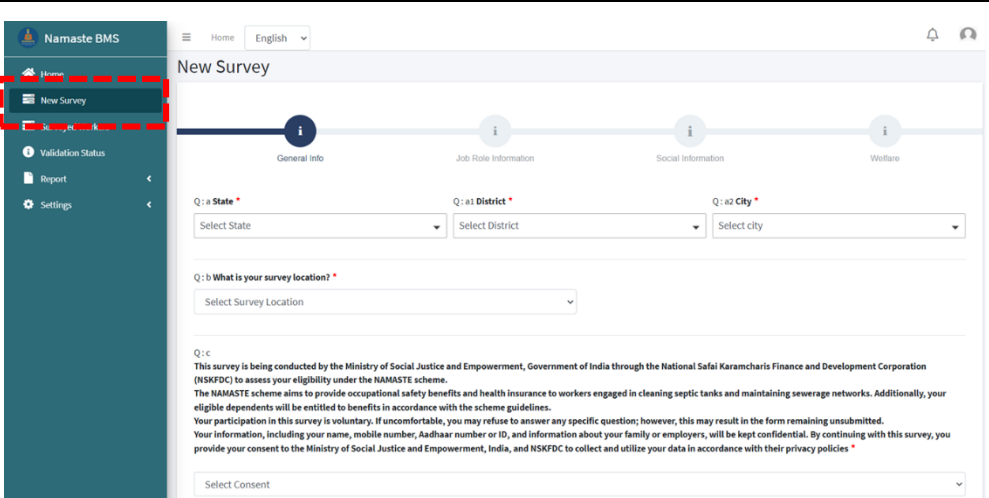

1 If the user wants the survey to be conducted in Hindi, click on tab as highlighted in the picture. This will show a list of languages it is available in and select preferred language.

The screenshot shows the 'New Survey' form in the Namaste BMS application. The language dropdown menu is highlighted with a red dashed box and currently shows 'English'. The form includes a sidebar with navigation options: Home, New Survey, Surveyed Workers, Validation Status, Report, and Settings. The main form has a progress bar with four steps: General Info, Job Role Information, Social Information, and Welfare. Below the progress bar, there are three dropdown menus for 'Q : a State', 'Q : a1 District', and 'Q : a2 City'. A 'Q : b What is your survey location?' dropdown is also present. A 'Q : c' section contains a paragraph of text about the survey's purpose and a 'Select Consent' dropdown at the bottom.

Start a new survey

1 After logging in, proceed to the "New Survey" tab and begin the survey.

The screenshot shows the 'New Survey' form in the Namaste BMS application. The 'New Survey' tab in the sidebar is highlighted with a red dashed box. The form layout is identical to the previous screenshot, showing the progress bar, dropdown menus for State, District, and City, a survey location dropdown, and a consent section.

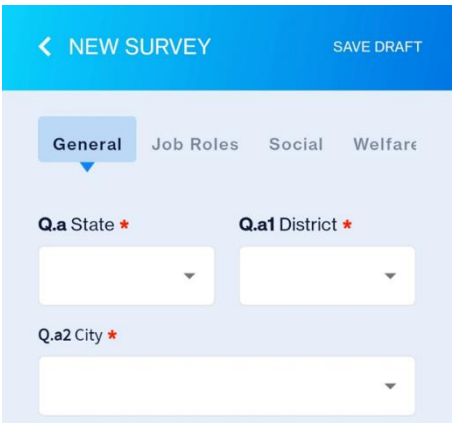

PART- 1: Survey

This section provides detailed guidance to Surveyors on asking questions as well as nudging with a few secondary questions to ensure that the accurate information is captured in the survey process.

10. Understanding the survey questionnaire

The survey form is broadly divided into 4 sections:

- Section A: General
- Section B: Job Roles
- Section C: Socio-Economic information
- Section D: Welfare Schemes

| Section A: General Information of Sanitation Workers | | |
|--|--|---|
| Sr No | Question | Explanation |
| a.) |  | <ul style="list-style-type: none"> ○ The State and the District shall be auto populated based on the login credentials provided. ○ Select city in which camp is being conducted. |
| b.) | <p>Survey Location</p> <ul style="list-style-type: none"> • Worker's residence • Profiling camp • Worker's workplace | <ul style="list-style-type: none"> ○ If the survey is conducted at the worker's residence, select "Worker's residence." ○ If the survey is conducted at profiling camps, select "Profiling camp" ○ If the survey is conducted at the workers place of employment such as a STP/FSTP or a muster station, select "Worker's workplace". |
| c.) | <p>Consent for the survey *</p> <p>This survey is being conducted by the Ministry of Social Justice and Empowerment, Government of India through the National Safai Karamcharis Finance and Development Corporation (NSKFDC) to assess your eligibility under the NAMASTE scheme.</p> | <ul style="list-style-type: none"> ○ Read out the consent statement to the respondent in their native language and clarify the survey's objectives. Once that is done ask for the respondent's consent. ○ If the respondent agrees to participate, select "Agree" ○ However, if the respondent chooses not to participate, please click on "Disagree" ○ On disagreement of the respondent for the survey, inform him that his/her information will not be captured, and |

| | | |
|---|---|--|
| | <p>The NAMASTE scheme aims to provide occupational safety benefits and health insurance to workers engaged in cleaning septic tanks and maintaining sewerage networks. Additionally, your eligible dependents will be entitled to benefits in accordance with the scheme guidelines.</p> <p>Your participation in this survey is voluntary. If uncomfortable, you may refuse to answer any specific question; however, this may result in the form remaining unsubmitted.</p> <p>Your information, including your name, mobile number, Aadhaar number or ID, and information about your family or employers, will be kept confidential. By continuing with this survey, you provide your consent to the Ministry of Social Justice and Empowerment, India, and NSKFDC to collect and utilize your data in accordance with their privacy policies.</p> <p><i>Checkbox [Agree/ Disagree]</i></p> | <p>his/her form will not be submitted for further process.</p> <ul style="list-style-type: none"> ○ Ask why the worker does not consent to the survey process. |
| 1 | <p>Name of the sanitation worker/ Safai Karamchari*</p> | <ul style="list-style-type: none"> ○ Provide the full name of the respondent in English, including their first name, middle name (if applicable), and last name. <p><i>(Check that the spelling of the name matches the information on their official government identification cards such as Aadhaar, PAN Card, Voter Card, etc. except Ration Card)</i></p> |
| 2 | <p>Father's/ Mother's Name*</p> | <ul style="list-style-type: none"> ○ Ask the respondent for their Father's/ Mother's name |
| 3 | <p>Gender*</p> <ul style="list-style-type: none"> a) Male b) Female c) Transgender | <ul style="list-style-type: none"> ○ If the respondent does not identify as male or female select "Transgender" |
| 4 | <p>Date of Birth*</p> | <ul style="list-style-type: none"> ○ Ask the age of the respondent; <i>(check their Aadhaar card or any other ID proof to enter the correct age)</i> ○ Enter the age of the respondent from the date picker |

| | | |
|-----|--|---|
| | | <ul style="list-style-type: none"> ○ If the respondent is below 14 years of age, then submit the form. Only general information will be captured for the respondent below 14 years. |
| 5 | Enter Mobile number | <ul style="list-style-type: none"> ○ Enter the 10-digit mobile number of the respondent preferably Aadhaar Card linked Mobile Number (don't start with zero or +91) <p><i>If the respondent doesn't have their personal mobile number, ask for a family member's mobile number</i></p> |
| 6 | Alternate contact number | <ul style="list-style-type: none"> ○ Enter the 10-digit mobile number of any friend/ relative who can be contacted in case of emergency <p><i>Alternate contact number cannot be same as mobile number asked in Q5</i></p> |
| 7 | Do you belong to a minority religion? a) Yes b) No | <ul style="list-style-type: none"> ○ If the respondent follows any religion other than "Hindu" select "Yes" ○ If the respondent follows Hindu Religion, select "No" |
| 8 | What is your social background? a) SC b) ST c) OBC d) General | <ul style="list-style-type: none"> ○ If the respondent belongs to the Scheduled Castes (SC) select the "SC option" ○ If the respondent belongs to the Scheduled Tribes (ST) select the "ST option" ○ If the respondent belongs to the Other Backward Classes (OBC) select the "OBC option" ○ If the respondent does not belong to any of the reserved categories then select the "General Option" |
| 9 | Please mention your current address | <ul style="list-style-type: none"> ○ Current Address is where the respondent currently resides and can be reached out at the present time. |
| 9.1 | Address Box* | <ul style="list-style-type: none"> ○ Mention the <ul style="list-style-type: none"> ○ House Number, Landmark, Street Name - <i>Enter the house number, landmark, and street name of the respondent's house</i> |

| | | |
|-----|---|---|
| | | <ul style="list-style-type: none"> - If there is no house number, write the street name and house no. with respect to a landmark, if any - Example of landmark – “3rd house to the left of the water tank” ○ Settlement/ Basti Name <ul style="list-style-type: none"> - If the respondent does not know the settlement/ basti name.2- 3 people to confirm the name of the settlement ○ Ward Number <ul style="list-style-type: none"> - identify the ward number of the settlement where the respondent live - for Eg. “Plot no. 3, Siddharth Nagar, near water tank” |
| 9.2 | City* | Select the city in which the respondent stays at present |
| 9.3 | Block name | <p>If the respondent stays within the city limits, then entre the area name.</p> <p>If the respondent stays outside the city limits i.e. in an Peri urban area fill in the block name</p> |
| 9.4 | District | <p>The district list will be populated based on the selection made in Q “a” (at the start of the survey questionnaire), if the worker resides in the same district.</p> <p>If the worker resides in a different district than the survey location, select the appropriate district from the dropdown menu.</p> |
| 9.5 | State | The state list will be populated, based on the selection made in Q “a” (at the start of the survey questionnaire) , if the worker resides in the same district. |
| 9.6 | Pin code* | <ul style="list-style-type: none"> ○ Confirm the pin code with another respondent from the same area/ basti |
| 10 | <p>Is your permanent address the same as the current address? *</p> <p>a) Yes</p> <p>b) No</p> | <p>Permanent Address is where the respondents original house or native location is</p> <p>(Check for the permanent address of the respondent on any of the identity documents such as driving licenses, Aadhaar card, on electoral rolls etc.)</p> |

| | | |
|------|-----------------------------------|---|
| | | <ul style="list-style-type: none"> ○ If the permanent address is the same as the current address, select “yes” ○ If the permanent address is different from the current address of the respondent, ask questions from 10.1 onwards |
| 10.1 | State | <ul style="list-style-type: none"> ○ Select the state where the respondent native location is |
| 10.2 | District | <ul style="list-style-type: none"> ○ Select the district where the respondent native location is |
| 10.3 | City | <ul style="list-style-type: none"> ○ Select the city where the respondent native location is |
| 10.4 | Address Box* | <ul style="list-style-type: none"> ○ Mention the <ul style="list-style-type: none"> ○ House Number, Landmark, Street Name <ul style="list-style-type: none"> - Enter the house number, landmark, and street name of the respondent’s house. - If there is no house number, write the street name and house no. with respect to a landmark, if any - Example of landmark – “3rd house to the left of the water tank” ○ Settlement/ Basti Name <ul style="list-style-type: none"> - Check the name of the settlement on the board outside the settlement. - If there is no board, ask 2- 3 people to confirm the name of the settlement. ○ Ward Number <ul style="list-style-type: none"> - Identify the ward number of the settlement where the respondent lives and enter the ward number. - If the respondent stays within the city limits only then add the ward number |
| 10.5 | Block name* | <ul style="list-style-type: none"> ○ If the respondent stays outside the city limits in a Peri urban area fill in the block name instead of ward number |
| 10.6 | Pin code* | <ul style="list-style-type: none"> ○ Confirm the pin code with another respondent from the same area/ basti |
| 11 | Click to get geo location* | <ul style="list-style-type: none"> ○ Ensure that location is turned on in the smart phone being used for survey |

| | |
|--|--|
| | <ul style="list-style-type: none"> ○ Click 'get location.' <p>The survey location will be captured.</p> |
|--|--|

Section B: Job roles and information- Septic Tank

A. Septic Tank Cleaning: Septic tank pits are constructed underground to collect faecal waste from the toilets of individual households/ society/ buildings, etc. They need to be emptied at regular intervals. The faecal sludge from septic tanks is removed from the septic tanks and taken to treatment plants for treatment.

| | | |
|-------|---|--|
| 12 A) | <p>Are you engaged in Septic tank cleaning? *</p> <ul style="list-style-type: none"> a) Yes b) No | <ul style="list-style-type: none"> ○ Ask the respondent if they have been engaged in emptying of septic tanks. <p><i>Use the locally used terminology to ask. For e.g.: “સાલકવા” in Gujarati.</i></p> <ul style="list-style-type: none"> ○ If the respondent is engaged in emptying of septic tanks, select “Yes” and continue with 13 A) <p><i>If they say no nudge them and ask if they have not cleaned it themselves but have helped any family member or friend in emptying septic tanks. If they have helped any family member or friend in emptying septic tanks, then select “Yes”.</i></p> <ul style="list-style-type: none"> ○ If they are not engaged in emptying of septic tanks in any way, then select “No” and directly go to 12 B) |

|--|--|--|

This marks completion of the survey.

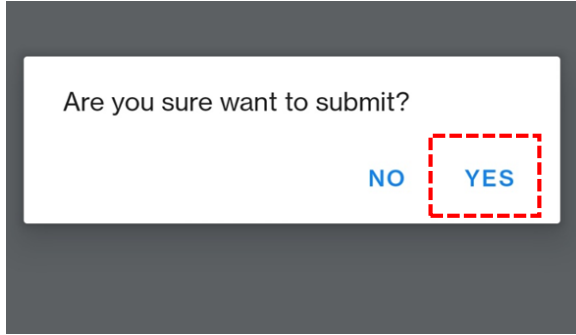

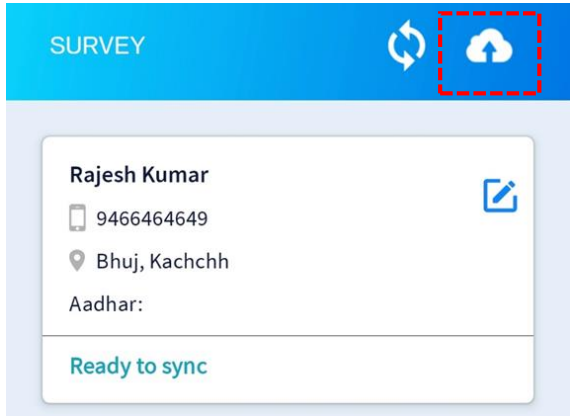

Note:

The instructions for filling each of the survey question remains the same as that specified for the mobile application. However, the below mentioned things need to be kept in mind while doing the survey from the web portal

- 1) The geo tagging option has been disabled in the web portal
- 2) For uploading the photos wherever required the enumerator/surveyor must scan the documents through a scanner and use webcam to capture the respondent's image.
- 3) Scan the document provided by the respondent. Save the scanned page/s collectively in one folder. Click on Choose files > select the image/s > Click on open

| | | |
|----------|---|---|
| <p>1</p> | <p>Click on “save draft” button in case you receive a call or need to do other work on phone.</p> |  |
| <p>2</p> | <p>This option is useful for editing form in case the missing details are received from the workers Once details are received click on edit button to complete the survey</p> |  |

11. After survey completion

| | | |
|---|---|---|
| 1 | <p>"After completing all the sections at the end of the page, the user will be able to see a "Submit" button."</p> |  |
| 2 | <p>Upon completion, a pop-up window will appear, requesting confirmation. If the user wishes to submit, they should click on "Yes."</p> |  |
| 3 | <p>Once the survey has been successfully submitted, its status will display as "Ready to Sync."</p> <p>The enumerator is required to press the sync icon located on the top right corner. After doing so, the survey status will change from "Ready to Sync" to "Uploaded to server."</p> |  |

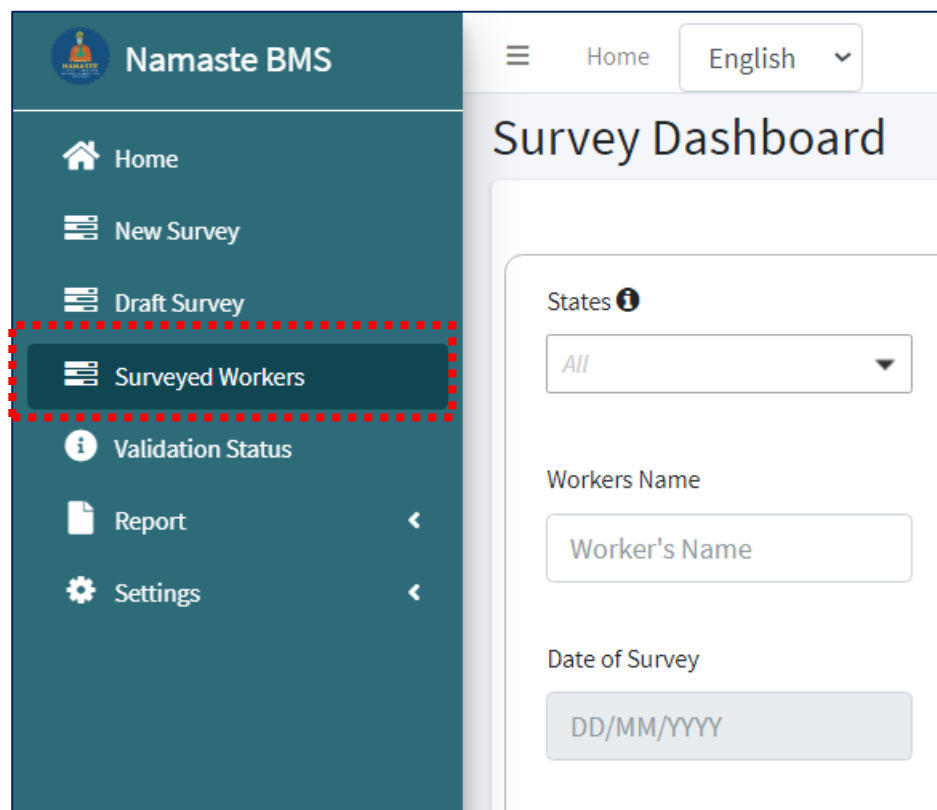

PART- 2: Error Flagging and Error Resolving

12. Error Flagging

Error Flagging is the process of checking the data collected during survey and identifying critical errors which can have an impact on validation of survey respondents or determining their eligibility to access various schemes. check data collected by Surveyors in every survey and identify all errors. Each identified error will be flagged from the back end by the validator or city nodal person. It will be the responsibility of the enumerator to rectify the errors.

Follow the below steps mentioned to do error Flagging

1. Go to **“Surveyed workers”** page. This page will display all the surveys done by the Surveyors.

2. Click on **“Info”**. This will show all the information filled by the Surveyors for the respective workers

13. Error Resolving

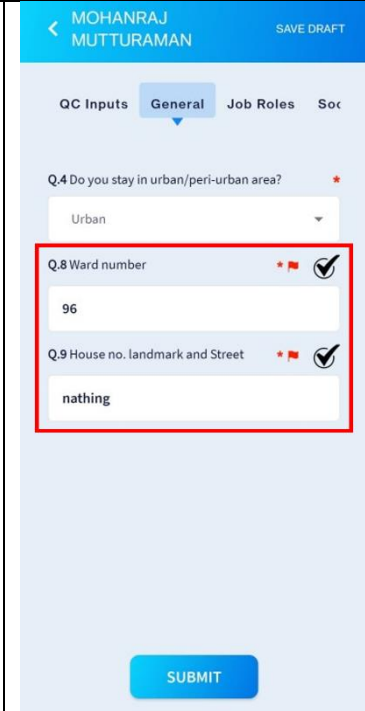

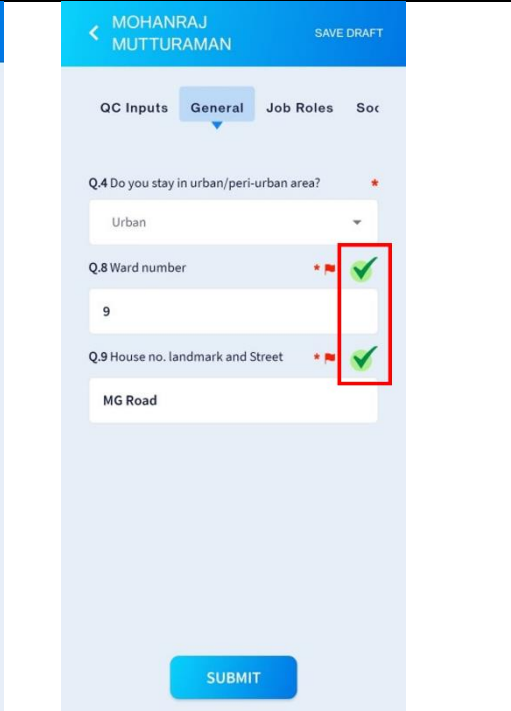

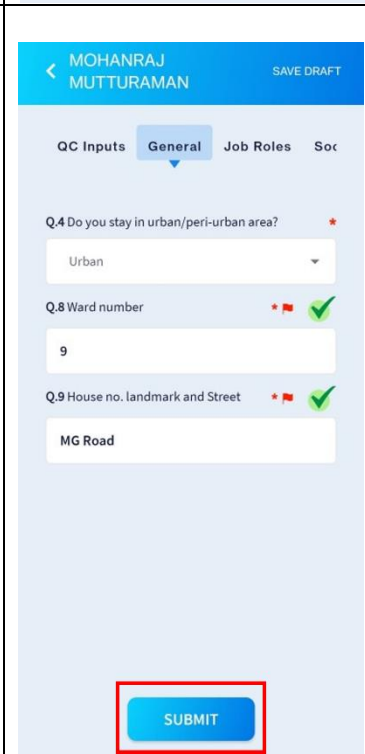

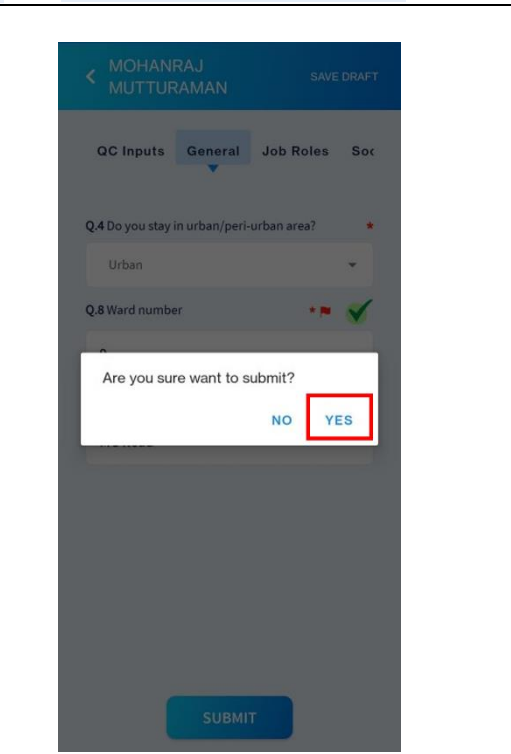

It is the responsibility of the enumerator to resolve all the errors flagged by the validator/ city nodal person. This process is called error resolving.

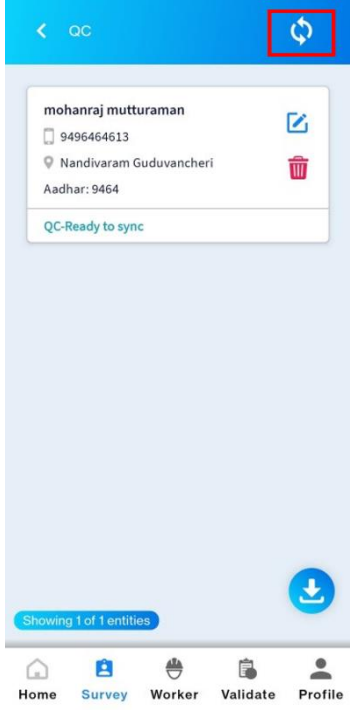

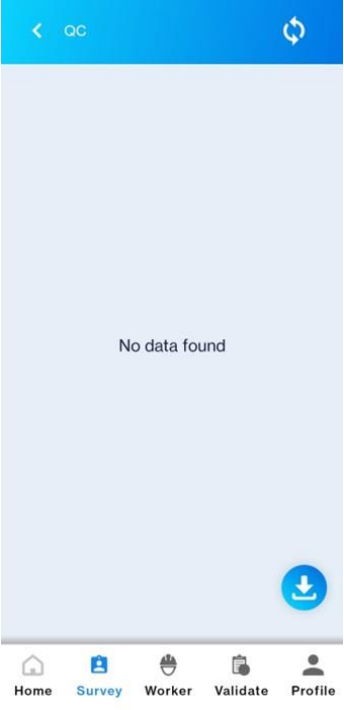

Follow the below steps mentioned to do error resolving

| Sr no | Steps | Image |
|---------------------------------------|---|-------|
| QC can be accessed in two ways | | |
| 1 | <p>Go to the HOME page and click on the underlined number displayed next to “Number of surveys error flagged”.</p> <p>OR</p> <p>Go to SURVEY page and click on QC option given at the top right corner.</p> | |

| | | |
|----------|---|--|
| <p>2</p> | <p>All errors flagged in the survey need to be corrected or resolved</p> <p>Step 1: The QC page will display all the surveys that are error flagged.</p> <p>Step 2: To select a survey for editing, click on the tick sign.</p> <p>Step 3: When the sign becomes green, a download option will be enabled.</p> <p>Step 4: Click on the download option</p> | |
| <p>3</p> | <p>Once downloaded, the edit and delete button will be enabled. Click on the edit button to for rectifying the errors flagged</p> <p>After downloading, if there is any problem in the downloaded file (example: data is missing for some questions), the form can be “deleted” and downloaded again</p> <p>Step 5: The edit button opens a “QC Inputs” window within the survey. Only the questions that are flagged with error will be displayed.</p> | |

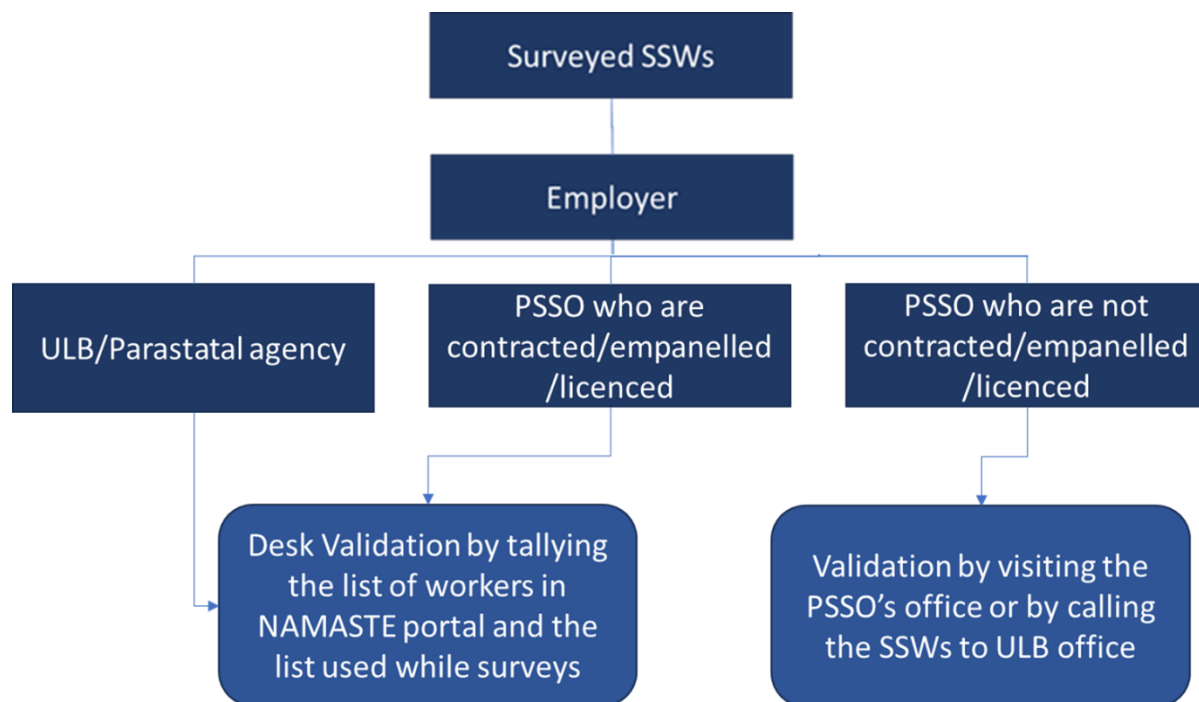

| | | | |
|----------|---|---|--|
| <p>4</p> | <p>Step 7: Click on the flagged questions to open the window to edit/ rectify the answers.</p> |  |  |
| <p>5</p> | <p>Step 8: Click on the red flag to get a prompt to read the comment or the reason for flagging the error.</p> <p>Step 9: After reading the comment, click on "OK" to proceed to edit</p> |  |  |

| | | | |
|----------|--|--|---|
| <p>6</p> | <p>Step 10: Edit the answers as per the comments and click on the tick mark to turn them green</p> |  |  |
| <p>7</p> | <p>Step 11: Once all the errors are resolved, click on the “SUBMIT” button. Step 12: Select “YES” to the prompt that appears after clicking on “SUBMIT”</p> |  |  |

| | | | |
|----------|---|--|--|
| <p>8</p> | <p>Step 13: When back on QC page, click on the sync button.</p> <p>This will result in the survey being removed from QC section</p> |  <p>The screenshot shows the QC page with a survey card for 'mohanraj mutturaman'. The card includes a phone icon, the number '9496464613', a location pin icon, 'Nandivaram Guduvancheri', and 'Aadhar: 9464'. Below the card is a 'QC-Ready to sync' button. A red box highlights the sync button (a circular arrow icon) in the top right corner of the page header.</p> |  <p>The screenshot shows the QC page after the sync button is clicked. The survey card is no longer present, and the text 'No data found' is displayed in the center of the page.</p> |
|----------|---|--|--|

PART- 3: Validation

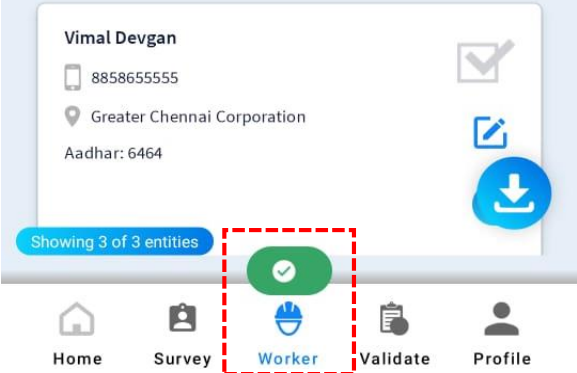

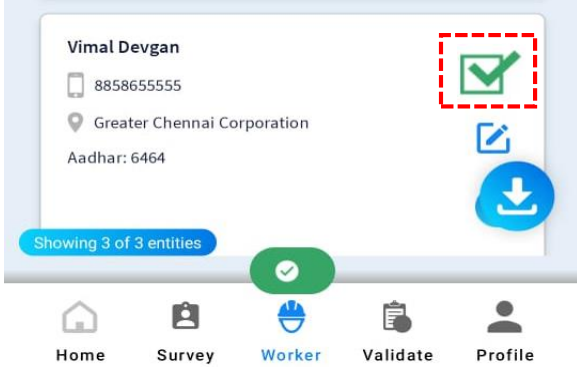

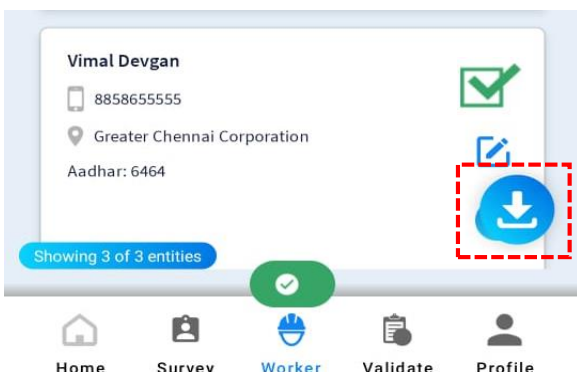

The Scheme guidelines state that Sewer and Septic Tank Workers (SSWs) are eligible for benefits under the scheme. To ensure that all SSWs receive these benefits, it is crucial to enumerate them and that survey is validated by the ULB and officially recognize them through the Urban Local Body (ULB). The validation process is managed by the ULB and serves the purpose of confirming if the surveyed workers are indeed SSWs.

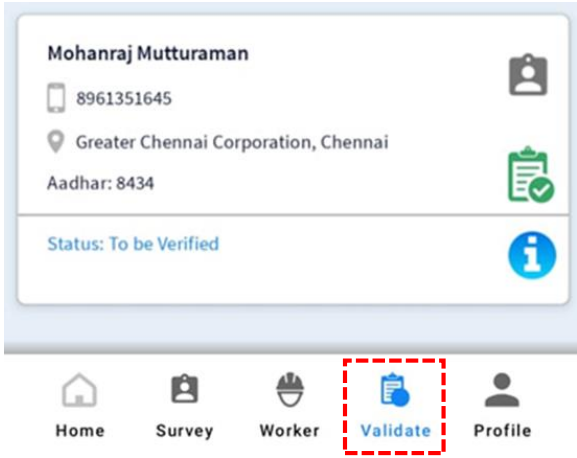

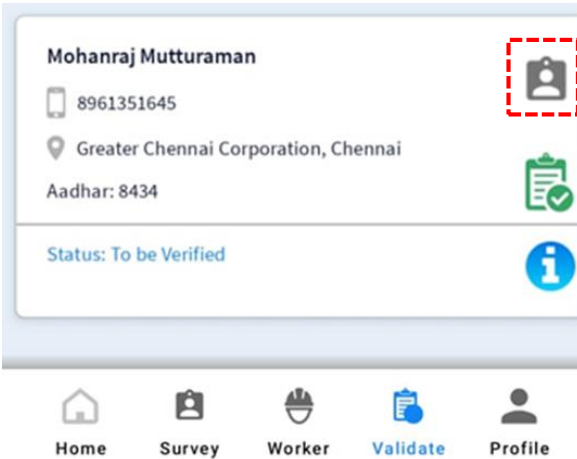

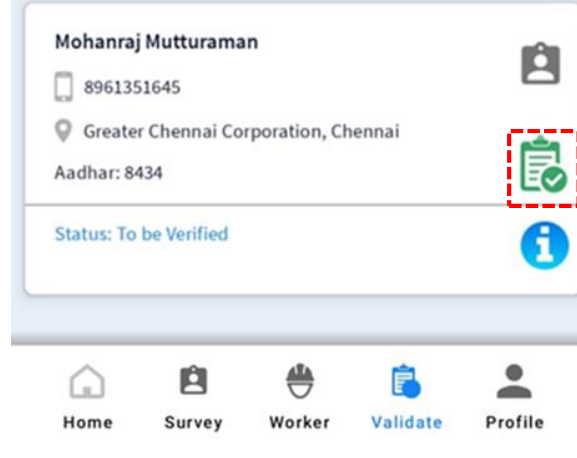

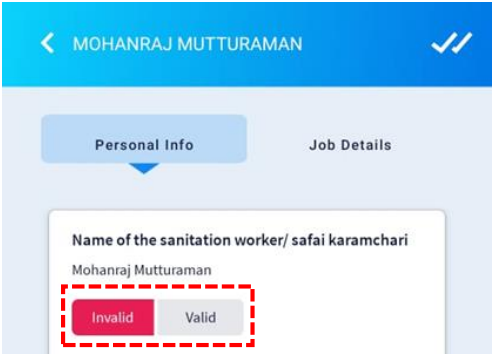

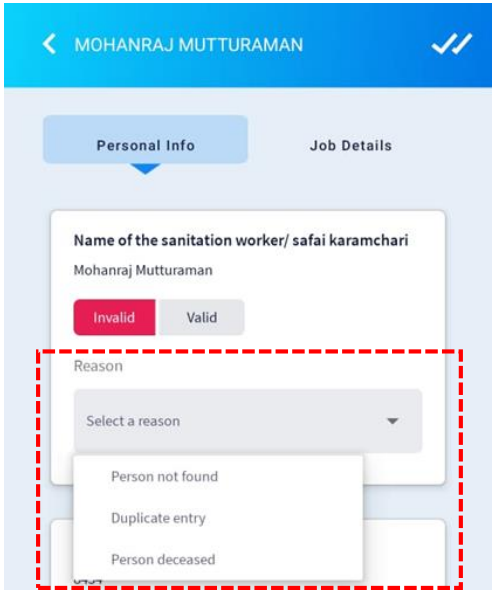

Protocols for the validation process:

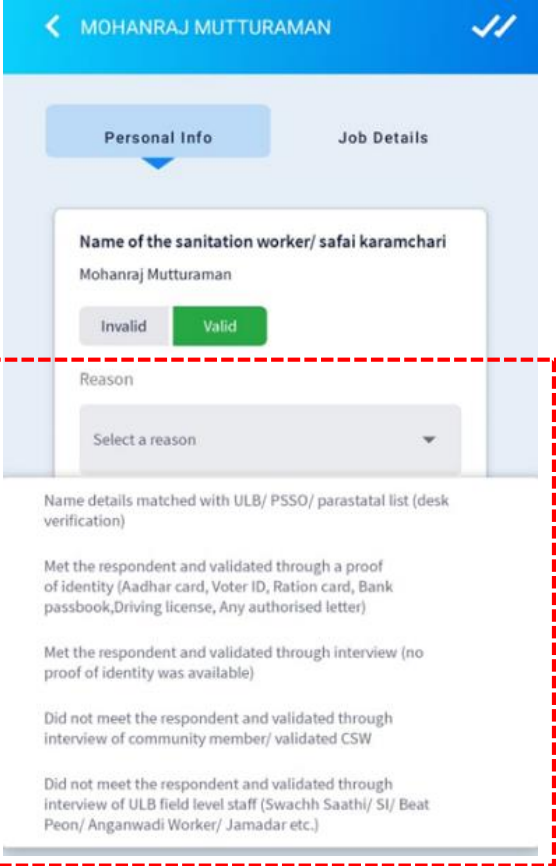

- a) For SSWs that are employed by ULBs, parastatal agencies, PSSOs who have been contracted/empaneled/ licensed by the ULB/ parastatal agencies and state-level departments
 - Tally the SSWs on NAMASTE Portal with the SSWs list used for surveys and proceed with desk validation.
 - If required, call the SSWs to the ULB office with relevant documents such as a salary slip, letter/ ID card from the employer, service book, and job contract.
- b) For SSWs that are employed by PSSOs and other private operators who are not empanelled by the ULBs/ parastatal agencies.
 - Validate the SSWs at the office of the PSSO/ other private operator
 - If required, call the SSWs to the ULB office with relevant proof of employment such as a salary slip, letter/ ID card from the employer, service book, and job contract.

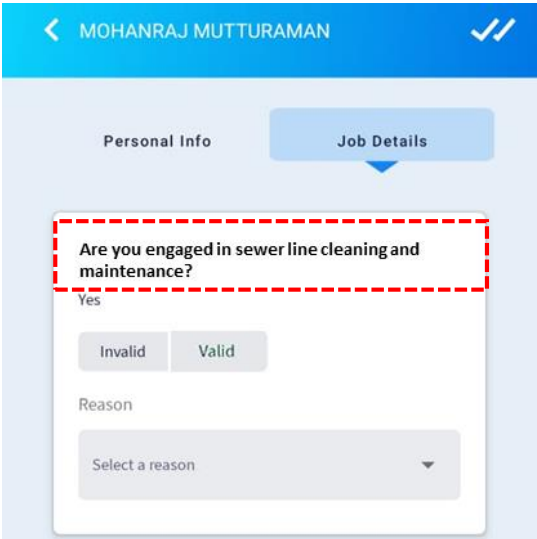

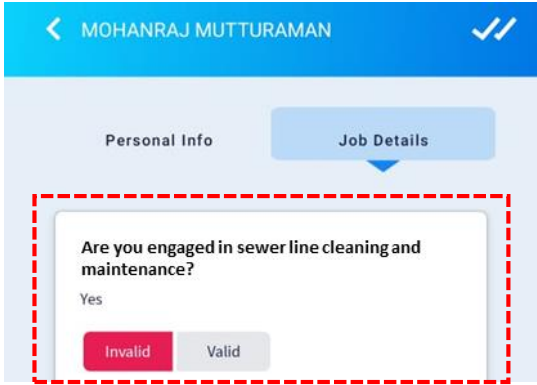

Follow the below steps to validate the SSWs using the NAMASTE App:

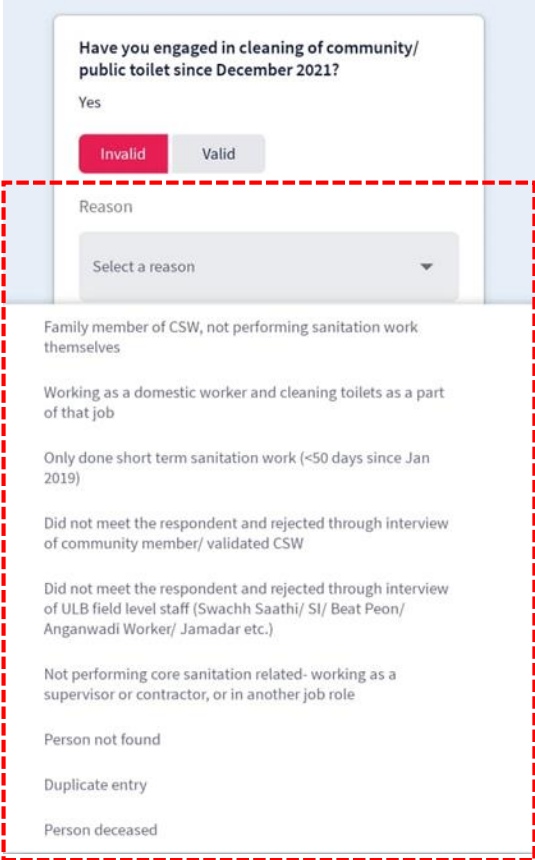

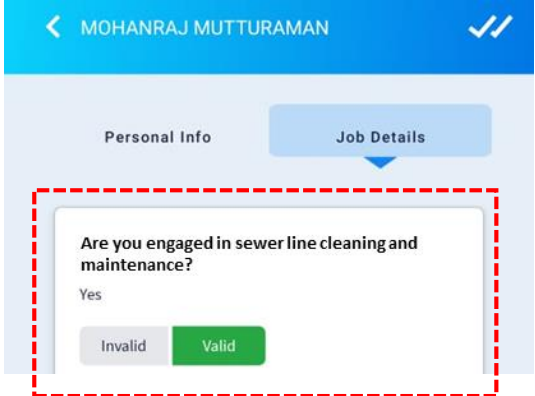

| Sr no | Validation steps | Image |
|-------|--|--|
| 1 | Click on “WORKER” to land on page with the entire list of workers that are assigned to the ULB staff. |  <p>The screenshot shows a worker profile for Vimal Devgan with contact details and location. The bottom navigation bar has five icons: Home, Survey, Worker, Validate, and Profile. The Worker icon is highlighted with a red dashed box.</p> |
| 2 | To validate the worker, click on the tick mark to make it green |  <p>The screenshot shows the same worker profile. The tick mark icon in the top right corner is highlighted with a red dashed box.</p> |
| 3 | Click on the download button to enable the survey for validation |  <p>The screenshot shows the same worker profile. The download button icon in the top right corner is highlighted with a red dashed box.</p> |

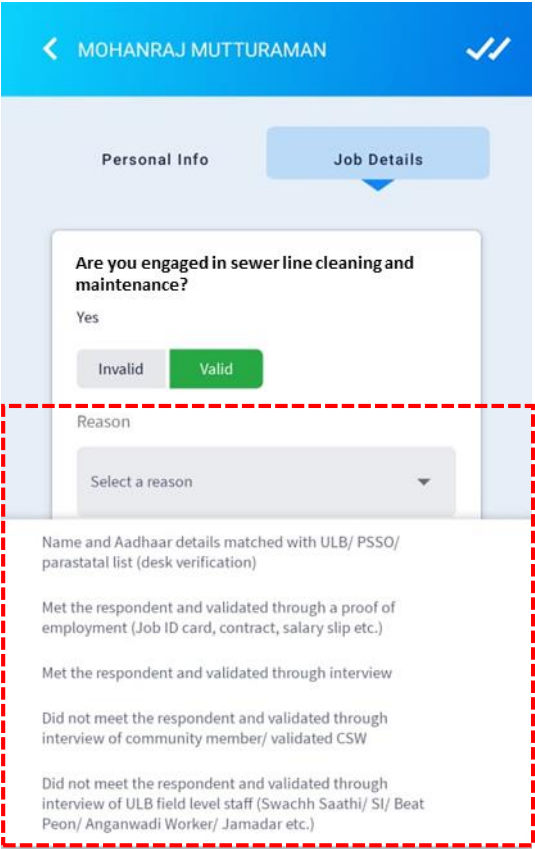

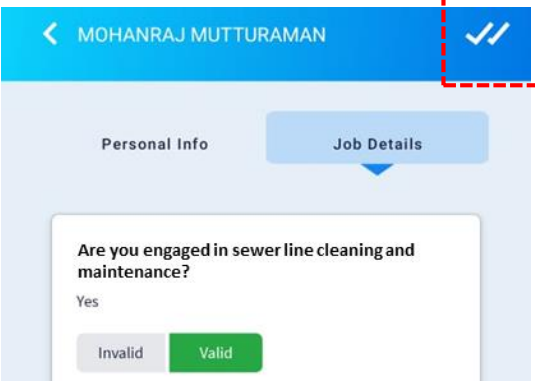

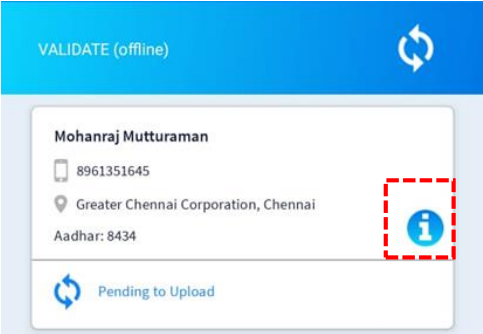

| | | |
|----------|---|--|
| <p>4</p> | <p>Click on “VALIDATE” tab to get to the page with all surveys that are downloaded for validation.</p> |  <p>The screenshot shows a worker profile for Mohanraj Mutturaman. The profile includes a name, phone number (8961351645), location (Greater Chennai Corporation, Chennai), and Aadhar number (8434). The status is 'To be Verified'. At the bottom, there is a navigation bar with five tabs: Home, Survey, Worker, Validate, and Profile. The 'Validate' tab is highlighted with a red dashed box.</p> |
| <p>5</p> | <p>Click on the image icon to see the picture of the worker.</p> |  <p>The screenshot shows the same worker profile as above. In this view, the image icon (a person silhouette) in the top right corner of the profile card is highlighted with a red dashed box.</p> |
| <p>6</p> | <p>Click on notepad icon to validate the worker</p> |  <p>The screenshot shows the same worker profile as above. In this view, the notepad icon (a clipboard with a checkmark) in the middle right of the profile card is highlighted with a red dashed box.</p> |

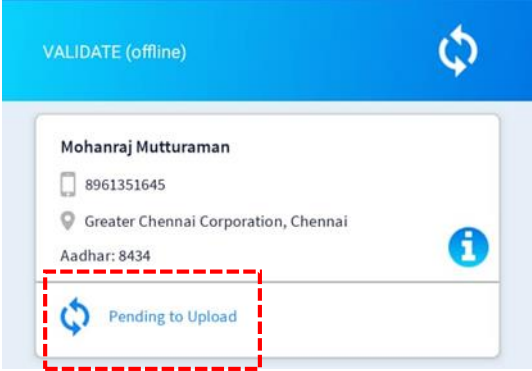

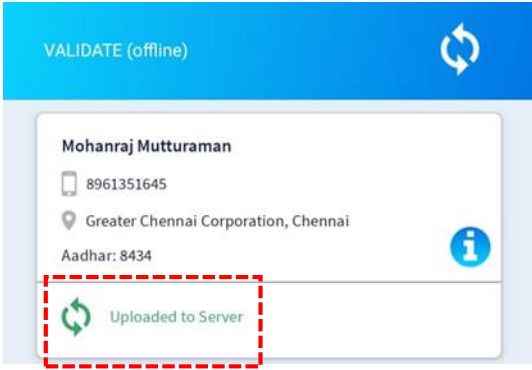

| | | |
|----|---|--|
| 7 | <p>The worker will be validated based on two categories: Personal Information and Job Role</p> |  |
| 8 | <p>Each question will have valid and invalid option with a set of reasons to select from</p> |  |
| 9 | <p>Questions: Name of the sanitation worker/ Safai Karamchari</p> <p>To invalidate the workers, click on “Invalid”</p> |  |
| 10 | <p>Select the appropriate reason from the drop down to invalidate (reasons mentioned below).</p> <ul style="list-style-type: none"> • Person Not Found • Duplicate Entry • Person deceased |  |

| | | |
|-----------|--|--|
| <p>11</p> | <p>Questions: Name of the sanitation worker/ Safai Karamchari</p> <p>To validate the workers, click on “Valid”</p> |  |
| <p>12</p> | <p>Select the appropriate reason from the drop down to validate (reasons mentioned below).</p> <ul style="list-style-type: none"> • Name details matched with ULB/ PSSO/ parastatal list (desk verification) • Met the respondent and validated through a proof of identity (Aadhar card, Voter ID, Ration card, Bank passbook, Driving license, Any authorised letter) • Met the respondent and validated through interview (no proof of identity was available) • Did not meet the respondent and validated through interview of community member/ validated SSW • Did not meet the respondent and validated through interview of ULB field level staff (Swachh Saathis/ SI/ Beat Peon/ Anganwadi Worker/ Jamadar etc.) |  |
| <p>13</p> | <p>Click on “Job Details” to enter that section.</p> |  |

2. Municipal Commissioner, Kolkata Municipal Corporation
3. Commissioner,Municipal Corporation

Sub: Implementation of NAMASTE Scheme

Sir/Madam,

Pursuant to the directives issued by Ministry of Social Justice & Empowerment, Government of India, I am to state that National Action for Mechanized Sanitation Ecosystem (NAMASTE) with the objective of **ensuring zero sanitation deaths** thereby assuring safety and dignity of sanitation workers. This may be brought through:

- Complete mechanization of sanitation ecosystem,
- Training of workers,
- Provision of PPE (Personal Protective Equipments) kits,
- Health insurance Coverage,
- Capital Subsidy on Loans to SSWs for Procurement of Sanitation-related Vehicles/ Equipment through Swachhata Udyami Yojana (SUY)
- IEC Campaign to increase awareness among citizens to avail sewer/septic cleaning services only through trained and empanelled sanitation workers.

The scheme aims to bring the transition across all ULBs from manhole to machine hole through 100% mechanization of sewer and septic tank cleaning operations. **The target group of the scheme is sewer and septic tank cleaning workers. This includes workers employed by ULBs, parastatal bodies, private sanitation service organizations and other private operators.**

Copy of the communication as received from Govt. of India regarding Process, modalities, Standard Operating Procedure with fund flow mechanism under NAMASTE Scheme Guidelines are attached for your ready reference.

It may be mentioned here that, Survey will be conducted in phased manner :

- **First Phase** :ULBs within the Districts North 24 Pgs, South 24 Pgs, Howrah & Hooghly
[Timeline for Survey : 9th December,2024 to 19th December,2024
- **Second Phase** : Kolkata Municipal Corporation and rest all ULBs of other Districts
[Timeline for Survey : 20th December,2024 to 31st December,2024

Now, in connection with **proper profiling of SSWs through survey & uploading of the verified details in digital platform** following sub-activity are required to be taken by the ULBs with utmost priority :

2. Preparatory Activities:

- Selection of Nodal Officer & Surveyor** :ULB wise detailed list of Nodal Officer/Surveyor has already been sent to NSKFDC, GoI to access digital platform in connection with Profiling of SSWs.
- Uploading of City Profile & Profiling Plan** :City Profile & Profiling Plan has already been uploaded as per prescribed template provided by NSKFDC,GoI
- Identification of Validator**: The validators are responsible for validating the data. After resolving of error by the surveyor, the validator is required to validate the SSWs as "Valid" or "Invalid" based on personal information and job roles. ULB Nodal Officer is the validator but in case of a large ULB, the officers can nominate someone from the ULB to do the validation.

STATE URBAN DEVELOPMENT AGENCY

"ইলগাস ভবন", এইচ-সি ব্লক, সেক্টর-৩, বিধাননগর, কলকাতা ৭০০ ১০৬, পশ্চিমবঙ্গ।

"ILGUS BHAVAN", H-C Block, Sector-III, Bidhannagar, Kolkata 700 106, West Bengal

d) **Setting up of Profiling Camp** : ULB to organise Profiling Camp at ULB Office or at Borough Office (in case of Corporation) based on extent of SSWs are to be enumerated strictly following the SOP. Realistic assessment should be ensured with regard to number of Profiling Camp and required number of Surveyor and Validator as well.

Budget of the camp: The admissible cost of conducting these camps is Rs.2000/- for 25 enumerating upto 25 SSWs. This includes all cost towards pre-mobilisation activities, setting up of profiling camp, internet access, desktop, provision of any refreshment at the camp etc.

e) **IEC activity for the survey for intimation to the SSWs well in advance** :The scheme related beneficiaries are to be intimated in advance and all important documents (ie, EPIC Card, Ration Card, Aadhaar Card, Bank Details, PAN Card, Caste Certificate, Mobile No etc.) will be verified on the spot. IEC material for Hoarding, Banner, Poster & Sticker are to be printed and publicity should be given to ensure 100% coverage of the above-mentioned target group. Quantum of IEC material according to population criteria and extent of survey coverage, admissible amount towards IEC activity is enclosed, which will be released to ULBs in due course.

f) **Training Programme** : Field functionary engaged for the survey activities at ULB level will be trained by the ULB level Nodal Officer at the respective ULB.

3. Enumeration Phase & Uploading of details of SSWs in Digital Platform and verification thereof : The profiling can be done either through the NAMASTE mobile application or on the desktop application.

a) Surveyors to enumerate SSWs in profiling camps.

b) Quality checks of all surveys would be verified by the ULB Nodal Officer/validator. The ULB Nodal Officer can himself be the validator.

c) NSKFDC will conduct a quality check of 10% of the surveys to confirm the authenticity of the data.

d) The errors flagged by the Nodal Officer/Validator should be resolved by the Surveyors within 7 days from the day on which they are flagged.

e) Upon completion of error resolving, the Nodal Officer/Validator will validate the SSWs within 7 days.

f) Once the process of validation is complete, a unique NAMASTE ID of SSWs will be generated.

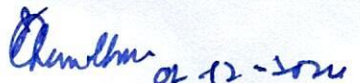

4. Post Enumeration Phase : Nodal officer should submit 'Work Completion' Certificate' (prescribed template enclosed) after organizing camps to claim reimbursement of Rs. 2,000/- for enumerating upto 25 SSWs profiled on the NAMASTE MIS.

Since the entire process starting from enumeration phase to generation of NAMASTE UNIQUE IDs for SSW is completely based on Digital Tool ie. Desktop/Mobile Application, active involvement of IT-Co-ordinators please be ensured.

You are therefore requested to kindly inform the Commissioner/Executive Officer of your ULB to strictly adhere to the above-mentioned guidelines for effective implementation of NAMASTE Scheme.

Thanking You,

Yours faithfully,

Director, SUDA
