Sub : Proposal for upgradation of Maternity Department -
forwarding of.

Dear Sir,

This is to intimate that during the meeting regarding post DDP progress on 28.06.2007 at Rishra Municipality, we have been informed that a proposal for upgradation of Maternity section might be send to your office. In that context, I am to state that Konnagar Municipality has been running one Maternity Hospital styled as Konnagar Matrisadan-O-Sishumangal Pratisthan since 1957. In that Maternity Hospital we have introduced several outdoor Medical units viz. Gynae, Paediatric, E.N.T., Skin, Dental, Eye, Orthopaedic, Cardiac, Pathology, U.S.G(Colour) etc. The eye ward contains 10 beds. It is needless to say that the said Maternity Hospital alongwith its different outdoor units has been rendering immense free service not only to the people of Konnagar but also to its surrounding Municipalities like Uttarpara, Rishra, Serampore etc. Consequently, it has, to some extent, decreased the pressure on Govt. Hospitals at Serampore & Uttarpara which ultimately has decreased pressure on Govt. expenditure as well.

Under this backdrop, I am forwarding herewith a detailed proposal for upgradation of Maternity Department for your kind perusal & taking necessary action. Thanking you & solicit your full Co-Operation in this regard.

Yours faithfully,

S. Banerjee
Chairman
Konnagar Municipality

C.T. SCAN MACHINE

Budge Budge Municipality is rendering Health awareness for preventive & curative health services to 65 thousand BPL family members through CUDP-III & IPP-VIII project.

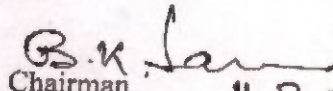

We have 13 subcentres for Immunisation to children for all the rate payers, Antenatal services, general health checkup programme and family planning services.

We have Specialist out patient department through which more than 15000 patients are being benefited every year at a low cost. We have Regional Diagnostic centre and X-ray, Ultrasonography, Pathological services. More than 2500 USG cases are being done every year.

We are badly lacking for CT scan service for our rate payers and adjacent 10 lacs population of our Municipality. Nearest CT scan service centre is about 15 km from our Municipality. We may provide this service to the people at half of usual price and this is our commitment.

At least Rs.20 lacs required- for procurement of the machine and installation. We have necessary infrastructure and newly renovated building is ready for this scan service.

I am requesting your honour to please help us for helping the really needed people of our Municipality and adjacent areas.
