Sir,

Sub: Termination of Staffs under UPHCS

As per Order No. 1154/MA/C-10/ 3S-30/2012 dated. 09/12/13 issued by the Joint Secretary to the Government of West Bengal, Department of Municipal Affairs, Writers' Buildings, Kolkata - 700001, the term of engagement of the following personnel, attached to UPHCS under this ULB had been terminated on 31.12.2013. (see annexure - A). Moreover another 6(Six) Personnel will attain the age of 60 years very soon(see annexure-B).

We have someother vacancies against the total no. of Posts approved for last few years (see annexure-C,D,E,F.).

Now I shall request you to send us necessary approval to fill-up those vacancies immediately, otherwise the Health Care Services for the poorer section of people will be grossly hampered.

With thanks,

Chairman

Dear sir,

You wanted to know over telephone the number of posts of Health Workers lying vacant in this Municipality. A list of vacant post of Health workers is enclosed herewith for your kind perusal.

As so many posts of health workers including die-in-harness cases are lying vacant for a long time, we are not in a position to serve the people of this locality to our satisfaction. The works of the Health department of this Municipality and the works of the common people under BPL list are being greatly hampered.

I would, therefore, request you to take necessary action so that the Vacant posts of Health workers in this Municipality are filled up on an urgent basis.

Thanking you,

Yours faithfully,

Chairman,
Barasat Municipality.

Sub: Final selection of HHWs for each
of the 26 Blocks together with the
panel candidates towards implemen-
tation of Family Welfare Programme
in Urban Slums (IPP-VIII) for
Calcutta Metropolitan Area.

Sir,

I am to forward herewith one copy of the list containing the names of 26 (Twenty-Six) Honorary Health Workers (one for each of 26 Blocks) selected by the "Central Selection Committee" for engagement by you for the HAU to be established under IPP-VIII Health Programme for HAU-III in your municipality. The above mentioned list also includes the names of panel HHWs to fill up any future vacancy. The list of panel candidates have not been arranged as per merit. The vacant Block may be filled up from the empaneled candidates considering their suitability and proximity of their residence from the working place assigned to her.

To ensure quality service at the grass root level it is necessary that the HHWs should suitably be trained not only to upgrade their knowledge and skill but also to impart interpersonal communication skill. Since these HHWs play a pivotal role in the successful implementation of the programme at grass root level, their final selection could only be made by assessing their performance during training and on the result of periodical reviews. As such, the list of the regular and panel candidates that are being forwarded now may be considered as a tentative

for preparation of bills for honorarium, tiffin and T.A. etc. during the training period. The list would be finalised after assessment of training performance.

At the time of engagement of the HHWs who are primarily part-time voluntary workers on "no work no payment basis", the key Notes (enclosed for ready reference) for selection of Honorary Health Workers for IPP-VI Health Programme should kindly be strictly adhered to. The first engagement of the HHWs should be for a period of three months, and if so required they may be re-engaged. The terms of the re-engagement should not exceed six months at a stretch. A draft notice that would be hung in the Notice Board showing the engagement of the selected HHWs and specifying the terms and conditions is also enclosed herewith. The date and period of every re-engagement should be intimated in time to the undersigned for release of honorarium for the HHWs.

The regular candidates will receive a fixed honorarium @ Rs. 500/- (Revised) and contingent allowance @ Rs. 50/- per worker per month from the date of commencement of their training programme.

Kindly acknowledge receipt of the letter.

North 24 Parganas

You are aware that Apex Committee under the Chairmanship of the Chief Secretary on Family Welfare (Urban Slums) Project (IPP VIII) in its 4th meeting held on the 4th June, 1997 recommended that the Municipal Affairs Department would be responsible for maintaining the services created by the Project in the post-project period. Pursuant to this decision, an RE provision of Rs. 4 crore was kept in the budget for the year 2001-02 under the Head "2211-00-108-Selected Area Programme (including IPP Project)-NP-002-31" under Demand No. 34 and funds were also released in the last financial year from this Head in favour of KMDA for continuation of the programme, since KMDA has been supervising IPP VIII programme in 40 urban local body areas within the KMDA area. IPP VIII (Extension) programme with assistance from World Bank was also introduced under the supervision of SUDA in 10 local body areas outside KMDA for extending similar facilities and this programme came to an end on 30.6.2002. However, the World Bank has allowed an extension of time upto October 2002 for claiming reimbursement against expenditure incurred upto the 30th June this year. In terms of the decision of the aforesaid Apex Committee the Government has decided that the programme under IPP VIII as well as IPP VIII (Extension) will continue as usual for which financial assistance would be provided by the Municipal Affairs Department through KMDA/SUDA. In the budget for the current year there is a provision of Rs. 4.07 crore which is much less than the

actual requirement. In consultation with the KMDA and SUDA a realistic assessment of the fund requirement has been made and we are moving the Finance Department for augmentation of the provision.

In terms of this decision I would now request you to please inform the concerned local bodies to renew the contractual engagement of the health workers and other staff as shown in the Annexure on existing terms for another one year from 1.7.02.

It may kindly be emphasized on the local bodies that the intention of the Government is to handover these institutions to the local bodies in the long run and the latter should be able to run them on a self sufficient and sustainable basis through collection of user charges, without compromising on the quality of the vital services being provided. We have already informed the local bodies implementing IPP VIII (Extension) Programme to consider to adopt the user charges that have been fixed under IPP VIII Programme and the item-wise user charges has also been intimated to them for guidance. The Government intends to reduce the financial support in a phased manner over a period of time when it will be possible to run these centres independently.

In the matter of monitoring the programme at the headquarters, the Government intends to keep a small wing under a single agency which will look after both these two programmes. This wing will function under an advisory body to be chaired by the MOS of this Department. The formation of this advisory body as well as of the monitoring wing will be notified separately. For the present, it is ordered that the existing staff set up at the headquarters both at KMDA and SUDA will be maintained under the existing terms and conditions upto October, 2002. This circular may kindly be brought to the attention of all concerned local bodies.

Re: Strengthening of activities at different service component level viz. HAUs,
Maternity Homes & RDC's as envisaged under the E.C. assisted Urban Health
Improvement Plan in 6 (six) identified local bodies through engagement of
requisite medical and para-medical personnel on contract.

Sir,

In pursuance of the decision of the 2nd meeting of the Apex Advisory Committee held on 16.04.2003 the Competent Authority accords approval to the engagement on contract of additional medical and para-medical personnel at the level of renovated HAUs, Maternity Homes & RDC's as detailed separately in annexure-A with their recruitment qualifications and remuneration subject to the following conditions :-

- i) The engagement of the medical and para-medical personnel selected through the existing selection procedure shall be made by the Chairpersons of the concerned local bodies after obtaining approval of the Project Director & Special Secretary, KMDA to whom the list of selected personnel along with copies of educational qualifications and experience certificates shall be submitted for necessary verification.
- ii) For the first 12 months the entire remuneration of the medical and para-medical personnel engaged on contract shall be met out of EC fund but in the 2nd, 3rd & 4th year the Urban Local Bodies shall generate additional fund and provide the same in their budget *at* 10%, 20% & 50% respectively of the recurring honorarium component. The balance 90%, 80% & 50% in the 2nd, 3rd, & 4th year respectively of the honorarium component will be met out of the EC fund.
- iii) From the 5th year the entire cost of remuneration of the supportive additional medical and para-medical personnel as detailed in Annexure-A shall devolve upon the concerned local bodies which should make necessary provision in the budget to sustain the activities from the 5th year.
- iv) Engagement of medical and para-medical personnel on contract shall be initially for six months renewable subject to satisfactory performance.
- v) In order to guard against the dilution of the quality services to be rendered there should be no compromise with the academic qualifications and experience as stipulated under Annexure-A.

2. Committee and body responsible for selection of HHWs :

a) Primary Selection :

Primary ~~sk~~ selection of HHWs of Calcutta Howrah Municipal and Chandernagar Corporations, Municipalities and Notified areas level will be done by the Local Co-ordination Committees as constituted by the UNDA for the purpose.

.....2

 CHAIRMAN
 Madhyamgram Municipality
 North 24 Parganas

After Primary selection, these committee will prepare a preliminary list of the prospective candidates at least 3 candidates block-wise who will work as IIIWs and recommend their names to the Director, Health Programme, CMDA, Umanyan Bhavan, Salt Lake City, Calcutta-91 for final selection.

b) Final Selection :

Final selection of IIIWs will be done by Central Selection Body constituted under CMDA Notification No.

3. Number of IIIWs to be selected

a) General Principle :

In general IIIWs will be selected at the ratio of one IIIW for every 1000 beneficiaries i.e., one IIIW per each block of 1000 beneficiaries. The total population of beneficiaries i.e., bustee population/ slum dwellers and socio-economically weaker section of population, proposed to be covered in the IFP-VIII Health Programme is approximately 35,000 or less in a functional unit in each of the Corporation Municipality and Notified Areas within the CMDA. While calculating the required number of IIIWs to be selected for each HAU, actual number of beneficiaries identified and list submitted to CMDA for the purpose should be taken into consideration.

b) Calculation of number of IIIWs required
When the number of identified beneficiaries
is in multiples of 1000 population.

The required number of IIIWs required in this case will be 1 IIIW per 1000 population i.e., one IIIW per each block of 1000 beneficiaries applying the same principle for marking of blocks of 1000 population in the functional units of the Municipal Corporation or Wards of the Municipality/ Notified Areas.

.....3

CHAIRMAN
Madhyamgram Municipality
North 24-Parganas

Supposing the total number of beneficiaries identified for the functional units of your Municipal Corporation/ Municipality/ Notified Area is 34,000, the total number of functional units (blocks) in this case will be 34 each comprising of 1000 beneficiaries, hence the total number of HWs required will be

$\frac{34,000}{1,000}$ 34 only.

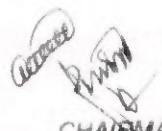

- c) Calculation of number of HWs required for fraction of population of more than 500 remaining after multiples of 1000 population :

When the remaining balance figure of the beneficiaries after dividing by 1000 population comes to 500 or more- the same principle as for marking of blocks for fraction of population of 500 or more as laid down in para 5 (a) of Key Notes for identification of beneficiaries is to be applied and an additional HW will be required for that particular fraction of 500 or more population likewise and additional block will be marked for this excess fraction of population of 500 or more. In other words, the number of ~~blocks~~ HWs required will be the same as total Municipal Corporation or the Municipality & Notified Area as the case may be.

Example :-

Supposing the total number of beneficiaries identified in a functional unit of your Municipal Corporation or your Municipality & Notified Area comes to 34,800, the total number of blocks marked in this case will be 35 (34 blocks comprising of 1000 beneficiaries and 1 block comprising of additional 800 beneficiaries). Based on this line the total number of HWs required for the functional units of the Municipal Corporation/ Municipality/ Notified Area will be worked out as under :-

.....4

CHAIRMAN
Madhyamgram Municipality
North 24-Parganas

" 4 "

For 34,000 Population	- 34 HHWs at the ratio of 1: 1000 beneficiaries i.e., 1 HHW/ block.
For addl. 800 population	- 1 HHW for the block of additional 800 population.
Total HHWs required	- 35 HHWs.

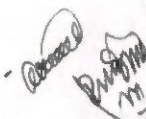

d) Calculation of HHWs required for fraction of population of less than 500 remaining after multiples of 1000 population :

When the remaining balance figure of the beneficiaries after dividing by 1000 population comes to less than 500- the same principle as for marking of blocks for fraction of population of less than 500 as laid down in para 5(b) of Key Notes for identification of beneficiaries is to be applied and in this case no additional HHW will be allotted for that particular fraction of less than 500 population likewise no additional block will be marked for this fraction of population of less than 500. In other words, the number of HHWs required will be the same as the total number of blocks marked for the functional unit of the municipal Corporation of the Municipality or Notified Area as the case may be.

Example :

Supposing the total number of beneficiaries identified in a functional unit of your municipal Corporation or your municipality or Notified Area works out to be 33,300, the total number of blocks marked in this case will be 33 each comprising of approx. 1009 beneficiaries after distributing the balance 300 beneficiaries among the 33 blocks having 1000 population each. The distribution of beneficiaries among the blocks should be done as equitably as possible, thus making no provision for any additional block for this fraction. Based on this line the total number of HHWs required for the functional units of your Municipal Corporation/ Municipality will be worked out as under :-

.....5

 CHAIRMAN
 Madhyamgram Municipality
 North 24-Parganas

Pop. 33,000 population

- 33 HHWs at the ratio of 1: 1000 beneficiaries i.e. HHW/block.

Pop. addl. 500 population

- Nil HHW as no separate block is marked for this fraction of population and they are distributed among the 33 blocks thus making each block with 1009 beneficiaries (approximately).

Total HHWs required

- 33 HHWs.

4. Place from where HHws to be selected :-

The HHWs will be selected from the community itself and preferably from the same block of the functional unit of the Municipal Corporation (Ward)/municipality/Notified Area (ward) the candidate belongs to, or from the adjacent block if candidate cannot be made available from the same block. The candidate must be a resident of the ward of the concerned block/adjacent block as applicable.

5. Selection Criteria

(a) Essential;

- I) The candidates should preferably be married women. They should be of the age group of 35-45 yrs of age and residing in the same community or block;
- II) Educational qualification should be of class VIII standard, so that they can fill up and update the family schedules; and
- III) The candidates should have necessary aptitude and leadership in community welfare activities.

(b) Desirable :

- I) Candidates having previous experience of working in community family welfare, maternity and child health activities should be preferred. If candidates cannot be made available from the same community or blocks, residents of the immediate adjacent blocks may be considered.
6. The workers should not be given any appointment letter and instead their engagement on part-time basis should be notified in the Notice Board clearly specifying their terms and conditions. To avoid future complications the first engagement should be for a period of three months and if so required they may be re-engaged. The terms of their re-engagement should not exceed 6 months at a stretch.
