Sub. : Re-training to grass root level Health functionaries on Re-designed Family Schedule & HMIS forms under Health component of KUSP.

Sir,

The above mentioned training have already been conducted at HAU's during July, 2006. It is seen from the pre & post evaluation score sheet that the following HHW's secured very poor marks in both the evaluation tests.

Total Marks = 25

Name of HHW	Pre-evaluation Score	Post-evaluation Score
Sova Sinha	05	06
Sovana Das	02	09

As the re-orientation training is towards strengthening of service delivery by the grass root level Health functionary, it is quite necessary that they should possess adequate knowledge on the subject. Hence it is requested that more close attention should be given to these above mentioned grass root level functionaries so that they attain the required standard for effective delivery of services, described under job responsibility.

Thanking you.

Yours faithfully,

Project Director, CMU

**Sub: workshop with stakeholders in connection with the preparation of
 Draft Development Plan (a Govt. of West Bengal Programme)**

Sir,

You are aware that the West Bengal Municipality Act, 1993 has clearly stated that municipalities will prepare Draft Development Plan for a period of five years covering all the spheres of development touching the citizens. Actually speaking, it is a comprehensive 'First Generation' business plan of the municipality. Kolkata Urban Services for the Poor (the nodal Authority), has spelt out the areas of activities into three major components, which are again sub-divided into thirteen subcomponents. Methods and inputs required for making the Draft Development Plan a success have also been provided.

But mere assistance from the top is not enough. What touches all should be decided by all. Hence right from the launching of DDP in stage one we have been following the steps and procedures through different time-bound programmes like mass campaigns, orientation meetings and sensitisation workshops.

Now we are in the second stage of the preparation of DDP, which envisages workshops with different stakeholders, especially municipal council members, municipal staff, ward committee members, members of CDS (Community Development Societies), prominent citizens, local trade and business communities, physicians, technical experts and the Central and State Govt. personnel.

You, being one of the stakeholders are to participate (as per the guidelines of the Draft Development Plan), in the deliberations of such workshop, identify the problem areas related to your department, concerning the interests of the people of this municipality and suggest ways and means in the form of proposals, which, we believe, will go a long way in preparing the Draft Development Plans for the municipality successfully.

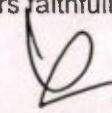

With this end in view, a workshop with you has been arranged on 20.07.2006 at around 2 pm at Rajpur Sonarpur Municipality, Harinavi.

I would request you to make it convenient to attend the said workshop with your valuable opinions and suggestions.

This may kindly be treated as very urgent.

Thanking you,

Yours faithfully,
