Memo No. CMU-94/2003(Pt. VII)/1942

From : Dr. Kallol Kr. Mukherjee
Project Manager, CMU

To : The Chairman

..... Municipality

Sub. : Implementation of adolescent Health Care Programme under Health component of KUSP.

Sir,

Pursuant to your communication and sensitization training of HO and/or AHO held on 28.08.2009, a plan for implementation of Adolescent Health Care programme at your ULB for this FY has been drawn up.

Objective of adolescent health care programme:

To promote awareness of adolescents (13 to 19 years) on RCH, HIV / AIDS, improving reproductive hygiene and healthy behavioural practices for prevention and control of STD / HIV / AIDS and women rights.
To provide adolescent health care support (for adolescents aged 10 to 19 years) through adolescent friendly clinic.

Methodology:

1. Awareness programme be conducted initially for 500 nos. of adolescents.
2. Adolescent friendly clinic be established at one Health Administrative Unit of your ULB or any other suitable place once in a week, after completion of training of at least 400 nos. of adolescents.

Activities:

Time Frame	Action by	Item
September, 2009	ULB	Identification of adolescents who will participate in the awareness programme
Oct. to Dec., 2009	CMU, ULB	Preparation of schedule and conduction of awareness training programme in batches, one batch consisting of 50 nos. of participants, thus covering 500 adolescents. Each awareness training programme will be of 2 days duration.
-	Already developed by CMU. To be collected by ULB from CMU	Development of training materials

Contd. to P-2.

Time Frame	Action by	Item
October, 2009	ULB	Identification of adolescents who will participate in the awareness programme
Oct. to Dec., 2009	CMU, ULB	Preparation of schedule and conduction of awareness training programme in batches, one batch consisting of 50 nos. of participants, thus covering 500 adolescents in 10 batches. Each awareness training programme will be of 2 days duration
-	Already developed by CMU. To be collected by ULB from CMU	Development of training materials

Activities:

1. Awareness programme be conducted initially for 500 nos. of adolescents.
2. Adolescent friendly clinic be established at one Health Administrative Unit of your ULB or any other suitable place once in a week, after completion of training of at least 400 nos. of adolescents.

Methodology:

To promote awareness of adolescents (13 to 19 years) on RCH, HIV / AIDS, improving reproductive hygiene and healthy behavioural practices for prevention and control of STD / HIV / AIDS and women rights.
 To provide adolescent health care support (for adolescents aged 10 to 19 years) through adolescent friendly clinic.

Objective of adolescent health care programme:

Pursuant to your communication and sensitization training of HO and/or AHO held on 07.09.2009, a plan for implementation of Adolescent Health Care programme at your ULB for this FY has been drawn up.

Sir,

Sub. : Implementation of adolescent Health Care Programme under Health component of KUSP.

..... Municipality

To : The Chairman
