Memo No. 1705 / A-106Date 4-Jan-17

To
The District Magistrate

**Sub :- Tremendous Problem created in Health Service in
Baidyabati Municipality for shortage of Health Workers**

Sir,

I am to draw your attention to the above noted matter and to say that under Baidyabati Municipality there are 17 (Seventeen) Health Sub-centres for which the total no. of Health Workers (HHWS) existed 85 previously. Now the no. of Health Workers (HHWS) has been gradually reduced to 38 and naturally these few numbers of Health Workers have to look after all the works relating to field survey, vaccination, various projects under National Level, UHND's meetings and daily works in the health centre and in two Urban Primary Health Centres (UPHCS) along with 17 Health Sub-centres.

It is to be noted that the said few number of Health Workers (38) will be reduced to a negligible number within few years and the existing health service, which is being somehow maintained through our limited capacity, will be devastated, if no recruitment is made in vacant posts of 47 out of existing posts of 85. The vacant posts may be filled up by the retired health workers through re-engagement upto 65 years and their experience may be utilized.

I would, therefore, request you to take necessary action to fill up the above noted 47 posts so that the health service in this Municipality may run smoothly and the tremendous pressure as imposed on the existing Health Workers may be released and normalcy in Health Service may be restored, though normal condition is being maintained through tremendous pressure.

Thanking you,

Yours faithfully,

I therefore request you to send one additional copy to Health officer for smooth running to Health Dept for those letters related to Health. This will reduce time consuming factor and help for a quick response as well.

TOUR REPORT OF BAIDYABATI MUNICIPALITY

Objective of the tour: -

It was revealed that there is a huge difference in balance in hand as shown by the ULB concerned with this office record.

On Checking: -

It is seen that they have maintained all vouchers properly specially at main accounts section but the main loop wholes are lying in non submission of SOE in time. And there is a discrepancy in the amount shown in SOE with the actual payment statement as recorded in main accounts section. We are to take the actual figure of monthly payment as made from main accounts section. There is a gap between the actual payment made in different months and figures in SOE submitted. They have generated actual bill for payment from health section exclusively to the accounts section but SOE had been submitted without correlation of figures with the main accounts section.

Thus the following figures are to be incorporated in our office record for actual depiction of the accounts maintained at Baidyabati Municipality.

Sl. No.	F.Y	Quarter	Head	Amount	Remarks
1	2013-14	1 st	Salary	Rs. 2,63,501/- is to be recorded instead of Rs. 263456/-	Apr, 13-112220/- (Sal. For March, 13) Apr, 13-151281/-
2	2013-14	2 nd	Salary	Rs. 1011040/- (Apr - July, 13)	Correctly entered
3	2013-14	3 rd	Salary	503020/-	Correctly entered
4	2013-14	4 th	Salary	Rs. 990680/- is to be recorded instead of Rs. 251510/-	Oct - Dec, 13 and bonus
5	2014-15	1 st	Salary	946296/-	Jan- Apr, 14 and arrear
6	2014-15	2 nd	Salary	694860/-	May - July, 14
7	2014-15	3 rd	Salary	470596/-	Aug: 14 and bonus

For arriving at the above figures all acquaintance sheets have been checked thoroughly which are properly kept at main accounts section. Now, we may agree to update our office record as per statement above.

Sub:- Submission of Special U/C of 2nd Quarter 2014 – 15 (Upto 15/09/14) under UPHCS

Sir,

This is to draw your attention that U/C & SOE lastly submitted for 1st Quarter 2014 – 15 to your office showing balance in hand under different heads has subsequently been found somehow erroneously drawn. As per subsequent verification balance in hand position of UPHCS fund at the closing day of 1st Quarter, 2014 – 15 was as below :-

	Honorarium / Salary	Drug	Contingency	Total
As per last U/C submitted	1954452	740189	194214	2888855
As per verification	743243	932263	309993	1985499

In view of the above position, the variations in the unspent balances under different heads are due to omission of 3 expenditure entries towards Honorarium / Salary for Aug'13, Sep'13 and Apr'14 and Ad-hoc Bonus for 2012-13 and taking of wrong opening balance as in 1st Quarter 2012 – 13 as per verification so far can be exercised from the back year of 2009-10. (copy enclosed)

However, taking the verified balance in hand on Honorarium / Salary count, pending payments of Honorarium / Salary for May, June, July'14 have already been made on 11.09.14. And as a result balance on Honorarium / Salary count has come down to Rs. 48383/- only. Hence this special U/C during interim period of 2nd Quarter 2014 – 15 is submitted **with the request to release further fund on this count at the earliest so that we can make payments for August, September'14 and Ad-hoc Bonus of 2014.**

Therefore please do the needful at the earliest.

Encl: - As Stated.

Sub: - Replacement of Existing Health Officer by a New

Sir,

This is to inform you that the performance of existing Health Officer Mr. Parthasarathi Bhattacharya is not satisfactory at all. Sri Bhattacharya does not show any gesture to administrate the health units both under CUDP - III and IPP - VIII in well being manner. Recently this office has organized Health Fair 2012 on 4th to 6th February 2012 under MPLAD Scheme wherein most of the doctors of our locality have participated to treat / check health of intending patients. But it is observed that our Health Officer remain silent and was reluctant to participate in the programme. Despite this fact it is observed that due to negligence of Health Officer there is no medicine in our all Health Units both under CUDP - III and IPP - VIII and naturally the beneficiaries are deprived of getting health benefits under this programme.

On repeated request it is observed that Health Officer does not show any interest to run health units in smooth manner and accordingly I therefore request you to depute Health Officer having dynamic and well aptitude to run the health units of this municipality by replacing Mr. Parthasarathi Bhattacharya at the earliest possible.

An early action from your end is highly solicited.

Yours faithfully,

Sub: Mandamas Corruption and Illegalities regarding Contingencies
under IPP-VIII HAU No. - I and II .

Respected Sir,

I would like to draw your kind attention to the fact that mandamas corruption and Illegalities has been running still now regarding contingency fund under IPP - VIII HAU No. 1 and 2 of Baidyabati Municipality .

It is a matter of regret that the Matrisadan of this Municipality have already been closed for about one year but the amount of Rs.500/- per month from contingency fund has drawing by the four Health Staffs named Alo Mukherjee, Bijali Banerjee, attached in IPP - VIII HAU - I and Kakuli Dutta, Ashoka Bose attached in IPP - VIII HAU No. 2 . It is a matter of rediculus that the distance from HAU to Matrisadan is only 15 minutes way in walking . For that distance Rs.500/- per month is expended from contingency fund by the four Health Staffs named above . Specifically mentioned that there is only one HAU is existing under Baidyabati Municipality and accordingly all vaccines are stored in that HAU for long-days .

The amount of Rs.500/- per month has drawing from contingency fund by submitting fictitious bill of four staff mentioned above .
