Sub. : Prayer for allotment of adequate fund for proper management & monitoring of Health Sub-Centres under Bidhannagar Municipality.

Sir,

Enclosed kindly find herewith communication of the Executive Officer, Bidhannagar Municipality vide no. BM/GS/2014/974 dt. 25.08.2014 which is self explanatory.

This is to mention here that a contingent fund of Rs. 3,500/- per month is being released for 01 Health Administrative Unit (HAU) which caters services through 06 nos. of Sub-Centres. The unit rate for contingent fund for HAU is same for all the 52 ULBs implementing UPHCS. The norms, if modified, may be made uniform for all the 52 ULBs and budget provision may be done accordingly.

You are requested to look into the matter.

Thanking you.

Subject: Prayer for allotment of adequate funds for proper management and monitoring of Health Sub- Centers under Bidhannagar Municipality.

Sir,

In connection with the above I would like to inform you that due to acute shortage of funds available with the Municipality over the last couple of years, it has become increasingly difficult to properly monitor the health sub - centers run under the aegis of this Municipality.

This has led to restriction of vehicle usage by the medical officers and health supervisors. Hence public service is getting hampered.

Therefore you are earnestly requested to allocated an amount of Rs. 3,00,000/- (Rupees three lakhs) only being Rs. 25,000/- (Rupees twenty five thousand) only per month lump sum, for utilizing the same in hiring a vehicle (4 wheeler or 3 wheeler as per necessity) for adequate monitoring of health centers.

It is pertinent to mention that the said funds may be allotted, if approved, over and above the usual allotments extended to us for various purposes.

Awaiting a favorable reply, I to beg remain.

Yours faithfully,

in the Sub-Centres (SCs) created under UPHCS.****Madam,**

You may be aware that service activity in the SC are as under :

- ANC / PNC and Family Planning counseling clinic - twice in a month.
- Immunization Clinic - 2 to 4 times in a month.
- General treatment clinic by Doctor - once per week.
- Growth Monitoring of U-5 children Clinic - once in a month.
- Health Awareness Programme - twice in a month.

It is gathered that RI sessions have never been started in the SCs, though it is a most important activity of Reproductive & Child Health Programme. This is to state that four no. of First Tier Supervisor (FTS) of your ULB were trained on RI for acting as vaccinator during 01.12.2010 to 29.12.2010 at Nursing Training School, Dept. of Health & Family Welfare. In spite of having trained FTSs & Part-Time MOs, RI sessions could not be started at your ULB for which the very essence of reaching to the poor & vulnerable population through Health care services is not fulfilled.

Hence, you are requested to take all out efforts to initiate RI services immediately at all the SCs.

Thanking you.

Sub : Corruption By Mr. Goutam Bhowmik, Ex Organiser IPP VIII,
Mrs Indumati Chowdhury, TPO, KUSP Cell;
Mr. Bijoy Naskar, Orderly Peon, SDO, Bidhannagar Cum EO, BNM;

Respected Sir,

During last municipal board (2005-2010) of Bidhannagar Municipality there was *avalanche of corruption* in **Health Dept.** although present board took some step like **removal** of corrupt Health Officer namely Dr. Gour Gopal Chakraborty, **transfer** of Mr. Supriyo Naskar, Ex Clerk of Matrisadan o Paura Haspatal. But these steps worked like immunization & made some of the most corrupt officials more desperate as they escape punishment.

During last months of last board there were around Rs. 1 crore was sanctioned to improve various health infrastructure (copy of proposals annexed). But it became a looting spree. The **key functionaries** were as follows :

1. Mr. Goutam Bhowmik, Ex **organizer**, Indian Population Project (IPP-VIII), presently posted at accounts dept of Bidhannagar Municipality.
2. Mrs Indumati Chowdhury, Town Project Officer (TPO), Kolkata Urban Services for Poor (KUSP) Cell of Bidhannagar Municipality.
3. Mr Bijoy Naskar, Orderly Peon of Sub-Division officer of Bidhannagar Cum Executive Officer of Bidhannagar Municipality. He is father of Mr. Supriyo Naskar and **main coordinator** of entire event.

Kindly took personal care in this matter as these are tip of ice bergs.

Yours truly,

You may be aware that as per Urban Health Strategy, 2008, one HHW is to look after 1,000 BPL population contained in a single ward and there will be a minimum of one HHW per ward regardless of whether that ward has BPL population or not.

A statement for 126 ULBs showing ULBs-wise no. of wards, total BPL population as per recent survey, estimated no. of required HHWs and existing no. of HHWs is enclosed at Annexure – A. While calculating required no. of HHWs per ward of the ULB, the BPL population per HHW has been kept to 1,500 nos. keeping in view natural growth rate.

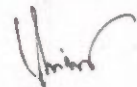

The statement at Annexure – A reflects that the ULBs implementing CUDP III, CSIP, IPP-VIII, IPP-VIII (Extn.) and RCH Sub-Project are having more than required no. of HHWs for the specific Health programmes. However, communications are being received from the Chairman of the ULBs seeking permission to fill up vacant post for Honorary Health Workers (HHWs).

Incidentally, it is stated that that a file has already been sent under UO No. 231/2009 dt. 10.11.2009 to the Dept. for policy decision (copy of which is enclosed for ready reference) in this regard. It may kindly be decided as to in the context of Honorary Health Workers whether fresh selection & engagement to fill up the vacancy would be taken up by the ULBs where no. of existing HHWs is more than the required no. or not.

An early decision in this regard is requested for so that this can be communicated to the Chairman of respective ULBs.

From : Director, SUDA**To : The Secretary

under various Urban Health Programmes.**

Sir,

You may be aware that as per Urban Health Strategy, 2008, one HHW is to look after 1,000 BPL population contained in a single ward and there will be a minimum of one HHW per ward regardless of whether that ward has BPL population or not.

A statement for 126 ULBs showing ULBs-wise no. of wards, total BPL population as per recent survey, estimated no. of required HHWs and existing no. of HHWs is enclosed at Annexure - A. While calculating required no. of HHWs per ward of the ULB, the BPL population per HHW has ^{been} kept to 1,500 nos. ^{due to natural growth rate.}

It may be seen from ^{reflects} the statement at Annexure - A that the ULBs implementing CUDP III, CSIP, IPP-VIII, IPP-VIII (Extn.) and RCH Sub-Project are having more than required no. of HHWs for the specific Health programmes. However, communications are being received from the Chairman of the ULBs ^{in connection with filling up of} vacant post for Honorary Health Workers (HHWs).

^{incidentally it is stated} This is to state that a file has already been sent under UO No. 231/2009 dt. 10.11.2009 to the Dept. for ^{policy} decision (copy of which is enclosed for ready reference). ^{in the subject: It may be decided by the ULBs} It is for decision whether fresh selection & engagement to fill up the vacancy for the post of HHW would be taken up by the ULBs where no. of existing HHWs is more than the required no or not.

An early decision in this regard is requested for so that this can be communicated to the Chairman of respective ULBs.

Yours faithfully,

Sub. : Filling up of vacant post for HHW under CUDP III and IPP-VIII.

Enclosed the communication from the Chairman of Barasat, Garulia, Halisahar, Rishra, Hooghly Chinsurah and North Dum Dum on the subject of filling up of vacant post for HHW under CUDP III and IPP-VIII.

The table ^{below} will reflect project-wise no. of sanctioned post for HHW VS. no. of vacancy at present :

Sl. No.	Name of the ULB	CUDP III		IPP-VIII		Total	
		No. of sanctioned post	No. of vacancy	No. of sanctioned post	No. of vacancy	No. of sanctioned post	No. of vacancy
1	Barasat	30	01	209	13	239	14
2	Garulia	60	03	35	02	95	05
3	Halisahar	30	03	70	07	100	10
4	Rishra	30	03	90	02	120	05
5	Hooghly Chinsurah	60	08	91	24	151	32
6	North Dum Dum	30	03	99	09	129	12

Furthermore, the table below will reflect ULB-wise no. of wards, BPL population as per survey 2006, existing no. of HHWs and average no. of HHW per ward :

Sl. No.	Name of the ULB	No. of wards	BPL population	Existing no. of HHWs	Average no. of HHW per ward
1	Barasat	30	58336	225	7.5
2	Garulia	21	19699	90	4.3
3	Halisahar	23	21781	90	3.9
4	Rishra	23	9186	115	5.0
5	Hooghly Chinsurah	30	28154	139	4.6
6	North Dum Dum	30	32572	117	3.9

As per Urban Health strategy - 2008 developed by DHFW & Dept. of MA, the no. of HHWs per ULB will be determined by the no. of urban poor in that ULB distributed one per 1,000 such poor population or the no. of wards whichever is more.

From the tables above, it may be seen that the no. of HHWs are more than the required ones. Hence, the need for filling up of existing vacancy for the post of HHW may be met up by ^{re-}organizing the existing no. of HHWs.

In view of all above, decision may be granted whether we would accord approval for filling up of the present vacant post for HHWs.

Instruction of Spt Secy, dt 17.08.09.

As per latest household survey, 2006, the BPL population per ward, estimated no. of required HHWs and the existing no. of HHWs under different Health programme are enclosed at Annexure - I.

As per guideline/ Urban Health Strategy, one HHW is to be allotted for a population not exceeding 1000 BPL contained in a single ward. A ward having less than 1000 BPL population will also have one HHW; a ward having BPL population between 1000 - 2000 will have 2 HHWs and so on. There will be minimum one HHW per ward regardless of whether that ward has BPL population or not. However, while calculating required no. of HHWs per ward, 1 (one) HHW is earmarked for 1500 BPL population in a single ward instead of 1,000. The same principle had been followed in 63 Non-KMA ULBs implementing CBPHCS and 11 Non-KMA ULBs implementing HHW Scheme.

It may be seen that none of the ULBs is entitled to get HHWs to fill up the existing vacancy as there are already excess no. of HHWs existing.

Under the circumstances, may we inform the ULBs stating the above facts for making necessary adjustment by re-organising the existing HHWs within the wards of the ULBs irrespective of Health Programmes.

From : Director, SUDA**To : The Special Secretary
Municipal Affairs Dept.
Govt. of West Bengal****Sub. : Proposal for allotment of additional no. of HHWs under CBPHCS & HHW
Scheme submitted by some of the ULBs.****Sir,**

This is to inform you that some of the ULBs requested to sanction additional no. of HHWs either due to increase no. of BPL population in the ward after finalization of BPL population survey 2006 or increase no. of ward.

As per project proposal of CBPHCS, one HHW is to be allotted for a population not exceeding 1000 BPL contained in a single ward. A ward having less than 1000 BPL population will also have one HHW; a ward having BPL population between 1000 – 2000 will have 2 HHWs and so on. There will be minimum one HHW per ward regardless of whether that ward has BPL population or not. However, while calculating required no. of additional HHWs per ward, 1 (one) HHW is earmarked for 1500 BPL population in a single ward instead of 1,000. Statement showing ward-wise BPL population of the ULBs, no. of additional HHWs required is enclosed at Annexure – A. It may be seen that total 88 additional no. of HHWs will be required by 8 ULBs namely Nalhati, Chakdah, Baduria, Contai, Old Malda, Haldia, Jiaganj Azimganj and Purulia who have submitted proposal. Out of the said ULBs, Purulia is implementing HHW Scheme and the others CBPHCS.

Financial implication per year at present rate of honorarium i.e. Rs. 2,000/- per head per month will be Rs. 21.12 lakhs for those additional HHWs. We may obtain approval from DHFW for required no. of additional HHWs as the fund for both the Projects – CBPHCS & HHW Scheme are being provided by them.

Contd. to P-2.

Under the circumstances, you are requested to take further necessary action for taking up this issue with the Dept. of Health & Family Welfare for obtaining their clearance at the earliest.

Thanking you.

Sub: Permission for recruitment of additional Honorary Health Workers in slum areas of Bidhannagar with financial assistance from SUDA.

Sir,

This is to inform you that since inception of IPP-VIII Project in Bidhannagar Municipality in the year 1997, we are giving service to the poor residents of slum areas with the help of 35 (thirty five) Honorary Health Workers under 7 (seven) nos of Health Sub Centers, situated in the different areas of Bidhannagar. But at present it has become very difficult to give proper service in these areas as the number of families and houses has increased within last 12 years .

We would request you to kindly realize the above mentioned problem and permit us to recruit at least 15 (fifteen) nos of Honorary Health Workers with financial assistance from your end to give proper service to the poor people residing in the slum areas of Bidhannagar.

Please look into the matter sympathetically and help us by approving our appeal.

Thanking You,

Yours faithfully,

Ila Nandy
