Sub. : Filling up of vacant post for HHW at ULBs  
under various Urban Health Programmes.

Sir,

You may be aware that as per Urban Health Strategy, 2008, one HHW is to look after 1,000 BPL population contained in a single ward and there will be a minimum of one HHW per ward regardless of whether that ward has BPL population or not.

A statement for 126 ULBs showing ULBs-wise no. of wards, total BPL population as per recent survey, estimated no. of required HHWs and existing no. of HHWs is enclosed at Annexure – A. While calculating required no. of HHWs per ward of the ULB, the BPL population per HHW has been kept to 1,500 nos. keeping in view natural growth rate.

The statement at Annexure – A reflects that the ULBs implementing CUDP III, CSIP, IPP-VIII, IPP-VIII (Extn.) and RCH Sub-Project are having more than required no. of HHWs for the specific Health programmes. However, communications are being received from the Chairman of the ULBs seeking permission to fill up vacant post for Honorary Health Workers (HHWs).

Incidentally, it is stated that that a file has already been sent under UO No. 231/2009 dt. 10.11.2009 to the Dept. for policy decision (copy of which is enclosed for ready reference) in this regard. It may kindly be decided as to in the context of Honorary Health Workers whether fresh selection & engagement to fill up the vacancy would be taken up by the ULBs where no. of existing HHWs is more than the required no. or not.

An early decision in this regard is requested for so that this can be communicated to the Chairman of respective ULBs.

Yours faithfully,
