Now I would like to bring to your kind notice that both of them had contested in the last municipal Election held in the month of May'10, after tendering their resignation from the services as suggested by the competent authority.

But unfortunately, both of them got defeated in the Election.

As because of shortage of Health functionaries, the beneficiaries of those areas are suffering a lot, for want of their service.

For the above reason I would request your kindness to re-consider their case, if those poor girls could be re-instated at their old respective positions for which they as well as people of their area would be benefited.

Hope you will consider their case very sympathetically.
