The letter was addressed to the Secy. with intimation to D.B. It appears that the procedure for selection as laid down by the Dept. was not followed in the instant case due to reasons as stated in the letter of the Chairman. So we may draw the attention of Dept. stating the position with intimation to the mnty.

Placed herewith prayer of Smt. Mousumi Sarkar of Burdwan Municipality dt. 11.10.2010, which speaks for itself.

From her prayer, it is gathered that Smt. Mousumi Sarkar has joined as ECG Technician under IPP-VIII (Extn.) of Burdwan Municipality since 10.08.2007 on consolidated pay of Rs. 3,500/- p.m. This is to mention here that post of ECG Technician is not sanctioned one under IPP-VIII (Extn.). Post of Technician for Diagnostic Centre had been sanctioned under IPP-VIII (Extn.) wherein consolidated remuneration of the Technician was Rs. 2,250/- as on 01.04.2008.

It seems that Burdwan Municipality has engaged the personnel as ECG Technician against the sanctioned post of Technician. The Municipality is paying sanctioned consolidated pay out of IPP-VIII (Extn.) fund as well as additional monthly pay out of ULB own fund.

We may forward the said prayer to the Chairman, Burdwan Municipality and ask action taken report in this regard.
