Sub. : Purchase of spraying machine with accessories for applying insecticidal oil etc. for prevention of Malaria and Dengue by Panskura Municipality.

Placed below is the copy of communication of the Chairman, Panskura Municipality bearing memo no. PM/PHC/252/2002/PART-III/7331 dt. 28.02.2008 which speaks for itself.

Mosquito control measure is one of the components of public health for which there is no fund available with SUDA. Furthermore, it is not only the Panskura Municipality suffers from mosquito menace, the problem lies with other 125 ULBs also.

Mosquito control may be done by the ULBs at their level through awareness generation, community participation in tackling mosquito breeding places and use of larvicidal oil, if necessary. The expenditure for the purpose may be incurred by the ULBs out of untied fund available with them.

Sub. : Complaint of irregularity / discrepancy in the selection of Honorary Health Worker at Panskura Municipality.

Placed below is the communication of the Chairman, Panskura Municipality bearing no. PM/PHC/259/Pt. II/2008/2219 dt. 12.08.2008 which speaks for itself. This complaint has been forwarded by the Chairman of the newly elected Board, Panskura Municipality. Perhaps it is too long period to make such a complaint.

However, this is to intimate you that 17 nos. of regular HHWs were engaged wef. 04.07.2007 after obtaining job orientation training for 45 days at ULB level. It may be noticed that the HHWs are working under the CBPHC programme for more than one year and their candidature are already over due for selection of First Tier Supervisors for which the ULB is not taking any initiative in spite of official & telephonic communication.

At this belated stage of this Health programme, perhaps it will not be practical to make any change in the existing set up of Honorary Health Workers.

Submitted for decision.

Being in a general statement of the Chairman, Panskura, is there any specific case of irregularity? If there is any, that is to be reported by the ULB. Our decision will depend on the merit of the case.
