

1

In reference to the recent outbreak of Dengue cases in Bhatpara Municipality, following action points were suggested in the minutes of State Nodal Monitoring Committee meeting for control and management of VAD:-

- i) Unused wells in different ~~wards~~ or better wards of ULB may be sealed/covered with mosquito nets
- ii) Strengthening reporting of fever cases in H-E-H-report.
- iii) Improving surveillance of non-hospitalized OPD based fever cases through the MOs of UPHC.

A letter from Director, SUDA may be communicated to the chairman of the Bhatpara Municipality asking ATR by 10.08.18 on above points.

Draft letter is placed for kind approval and signature please

~~Dy. Director~~
