

State Urban Development Agency, Health Wing, West Bengal

Sub. : Inclusion of Kandi Municipality in respect of engagement of Medical Officer under Community Based Primary Health Care Services in 63 Non-KMA ULBs.

Placed below is the copy of NS dt. 27.02.2007 submitted by the undersigned and Dept. of order no. 239-MA/C-10/3S-55/2005 dt. 07.03.2007.

It is brought under notice by Kandi Municipality over telephone that in spite of having more than 40,000 population, the ULB has not been included in the list of ULBs who can engage Medical Officer under Community Based Primary Health Care Services in 63 Non-KMA ULBs.

The Kandi Municipality is having a population of 50,345 as per 2001 census. As per approved project proposal, the ULB having more than 40,000 population will get Medical Officer @ 1 for each slab of 40,000 population. This is inadvertent omission due to oversight made in the Note Sheet dt. 27.02.2007. Inconvenience is regretted.

Necessary steps may kindly be taken to include Kandi Municipality for engaging one Medical Officer and issuance of order in this regard accordingly.

Submitted.
