

NOTE SHEET

Memo No. ME/2645/1J-1/15 dated 03.02.2016 from Chief Engineer, ME Directorate forwarding therewith Detailed Project Reports for making provision for drinking water for slum households affected with Japanese Encephalitis (JE)/Acute Encephalitic Syndrome (AES) in Mal and Alipurduar Municipalities placed in file below may kindly be seen.

It may kindly be recalled that the Government of India in the Ministry of Housing and Urban Poverty Alleviation had requested the State Government to prepare DPRs for three Municipal Towns viz. Mal, Alipurduar and Jalpaiguri under this program vide their Memo No. N-11016/25/2015-HFA-III (FTS 13724) dated 24.09.2015. But as water supply scheme for Jalpaiguri town has been included under AMRUT for the year 2015-16 and preparation of DPR for the same is already undertaken by ME Directorate, DPR for water supply under JE/AES has not been prepared by ME Directorate.

It has been requested by the Ministry that the DPRs may be forwarded to the Ministry with approval of State Level Sanctioning Committee (SLSC) for consideration of CSMC and release of Central assistance. As Model Code of Conduct (MCC) is in force, convening meeting of SLSC may not be admissible at the moment. However, we may send the DPRs to the Ministry for appraisal and convene a meeting of the SLSC after the Elections and place the DPRs in its meeting for consideration and approval.

X

A

It may be seen from DPRs that the capital cost of the projects in Mal and Alipurduar work out to Rs. 32.03 Crore and Rs. 74.09 Crore respectively.

B

If approved the DPRs may be forwarded to the Government of India under cover of a forwarding letter (draft placed in file) with approval of competent authorities.
