Memo No. H/SFWB/ 713 (18)

date: 29/06/2012

To
1-18. The Chief Medical Officer of Health (All districts)

Sub: Reporting of performance under RCH by ULBs & JSY

This is for your information that about 30%-35% population of an ULB is covered by ULB under HHW scheme thus it is not expected that Health Officer of ULB will be able to report for the total population of that ULB. Besides there is a problem faced by Health Officer of ULB as to in which format the performance report will be submitted by them to the respective district health authority.

Now as resolved in a meeting with SUDA on 28/06/2012, it has been decided that

- (1) The sub centre run by ULB will report its performance (only the performance of the clinic which has actually done at the clinic throughout the month and not the performance of their field work) in the sub centre reporting format as existing for State run sub centre. The compiled report of the entire sub centre along with the performance report of the Maternity Home if available will be submitted by the Health Officer to the respective district health authority monthly within first week of the next month in PHC reporting format.
- (2) The JSY card that has to use by ULB was designed by Department of Health & Family Welfare and shared with SUDA. It has brought to the notice of the undersigned that payment after institutional delivery is not been done by some of the health institutions as the card is to some extent different from the card used by the sub centre. This is highly irregular. All the public health institutions may kindly be informed that the card used by ULB is valid and payment can be made based on the card.
- (3) In some of the districts, by violating government order, district health authority tried to provide fund for payment to JSY beneficiaries to ULBs from the available fund lying with them. The policy of the government is-- " State will provide fund to SUDA who in turn will distribute the same to ULBs. ULB will submit the performance report and utilization of fund to SUDA who after compilation will submit to State."

As the health wing of ULB is a supporting partner of the department of Health and Family Welfare in respect of providing services to the community it is expected that district health authority will provide necessary logistic support like Vaccine, Syringes, FP materials etc. Please share the Memo with all concerned.

Additional Director of Health Services (FW) &
State Family Welfare Officer

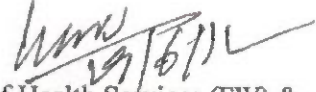

Contd: Overleaf

Memo No. H/SFWB/ 713 (18) / 1(4)

Urban Local Bodies to the District Health Office.**

Sir,

Enclosed kindly find herewith copy of communication of the Chairman of Habra, North Dum Dum, South Dum Dum & New Barrackpore Municipality vide no. HM/447/PH/12 dt. 30.05.12, NDDM/Health/1655 dt. 31.05.12, SDDM/Health/146/12-13 dt. 26.05.12 & NBM/Health/1109/12 dt. 01.06.12 respectively which speaks for itself.

Since this is an issue of concern for various Municipalities under North 24 Parganas District, you are requested to kindly look into the matter. A discussion session with the concerned officials of Health & FW Department, Department of Municipal Affairs and SUDA along with some of the ULBs on a mutually convenient date & time may help to resolve the issues as raised by the ULBs.

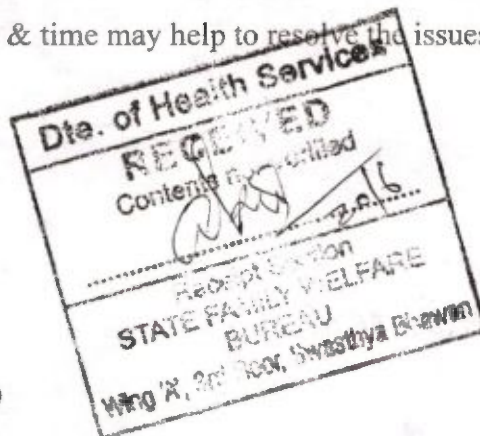

Thanking you.

Subject : Submission of Monthly of Health Project to District & JSY

Sir,

On 21st May, 2012 MIES Meeting was held at District Hospital, Barasat, where our Health Officer attended the meeting. The following points were discussed :-

- 1) It was told to send monthly performance reports to the District in the format for PHC though Municipality has no infrastructure to provide Health care service to whole population.
- 2) It was discussed to provide JSY scheme through District though at present it is controlled by SUDA.

Funding and catering are being guided by State Urban Development Agency to all Urban Local Bodies in West Bengal except Immunisation, Family Planning & National Health Programme.

So a central guide line is necessary.

Thanking you,

Yours faithfully,
Nirmika Bagchi

Dear Sir,

Sub: Submission of monthly report.

With reference to your letter under Memo No:- DH & FWS / 2012 / 535 dated :17 / 5 / 2012 in respect of MIES Meeting dated 21st May, 2012 at District Hospital, Barasat undersigned received the monthly Format for PHC to be submitted every month by the Municipality. I like to draw your kind attention that the Municipality is providing primary Health Care Service to a target group of population i.e. below poverty level through IPP - VIII / CUDP-III Health Project which ~~will~~ cover about 35% - 40% of total population.

The Municipality has no such health infrastructure to submit monthly report for whole population in PHC format. Moreover Funding and Catering are being guided by State Urban Development Authority (SUDA) to all Urban Local Bodies in West Bengal except RI, Family Planning & National Health Programmes. So, the matter to be referred to the Director, SUDA for further guidance.

Under the circumstances you are requested to arrange necessary infrastructure support and complete uniform guideline for Providing Health care services to ^{the} people of ULBs in consultation with Director, SUDA.

Thanking you, Awaiting your early reply for future course of action.

Yours faithfully,

Chairperson.

NORTH DUM DUM MUNICIPALITY

Memo No. NDDM/Health/ 1655

Dated 31st May, 2012.

To

The Director, SUDA,
ILGUS Bhavan, HC Block, Sector-III,
Bidhan Nagar, Salt Lake City,
Kolkata-700091.

Sub : Submission of Monthly Report of Health Project to District & JSY.

Dear Sir,

On 21st May, 2012 MIES Meeting was held at District Hospital, Barasat where our Health Officer attended the meeting. The following points were discussed.

- 1) It was told to sent monthly performance reports to the district in the format for PHC though Municipality has no infrastructure to provide Health care service to whole population.
- 2) It was also discussed to provide JSY scheme through district though at present it is controlled by SUDA.

Funding & catering are being guided by State Urban Development Agency to all Urban Local Bodies in West Bengal except Routine Immunisation, Family Planning & National Health Programme .

So a central guide line is necessary.

Thanking You.

Yours faithfully,

Chairman,

North Dum Dum Municipality.

Sir,

May I draw your kind attention to the following issues regarding Community Based Primary Health Care Services Programme (CBPHCS) at its present status.

At a monthly meeting (MIES) on 21st May, 2012 at District meeting hall, C/o CMOH, North 24 Parganas it was discussed that the CBPHCS or Urban Health Programme henceforth will be entirely under control of Health & Family Welfare Department and it was emphatically said that SUDA will be no more in future perhaps. New proposals were also invited for onward submission stating present health setups which, you know, very different from one ULB to other. Funds are supposed to be released for JSY and SRI (Strengthening of Routing Immunization) after regular submission of report form NRHM fund.

Under these circumstances, we are waiting for your advices and guiding for future of the existing health project.

Thanking you.

Yours faithfully,

Tapati Dutta
