

Placed herewith comm. of the chairman of
Habra, North Dum Dum, South Dum Dum &
New Gop Mpl. seeking issuance of central
guideline relating to submission of RCH
Report to the District Health Office by
the ULBs.

This is to state here that the health
progs. generate HMIS report for the
populn. wherein HMIS pay ^{home} visit which
30-40% of the total populn. of the ULBs.
Reports are being submitted by the
ULBs to the District. However, from
the communication of the ULBs, it is
gathered that a confusion has been
created at District level by the Dist.
Health Offices.

* Joint-discussion session ^{with DHO} may be
convened to forward the central
guideline regarding submission of
Reports.

Draft letter is enclosed for signature
if approved.
