

Sub. : Manpower under different Health Programmes
and their remuneration.

Following to Depts. notification no. 395/MA/P/C-10/1G-5/2007 Pt. dt. 8th April, 2008 and 610/MA/P/C-10/1G-5/2007 Pt. dt. 3rd June, 2008, the ULBs have raised queries in respect of discrepancy in the mentioned post of annexure and also in respect of their remuneration. This is to state that CUDP III, CSIP and IPP-VIII have been brought under one umbrella of SUDA – records in respect of engagement of manpower in different posts and approved honorarium / salaries are not available with SUDA. However, the records obtained from the requisition of fund submitted by the ULBs and available records of KMDA taken into account while preparing the project-wise manpower along with their remuneration. The same record in respect of IPP-VIII (Extn.), RCH Sub-Project, Asansol, DFID assisted HHW Scheme in 11 Non-KMA ULBs and Community Based Primary Health Care Services in 63 Non-KMA ULBs are available with SUDA. Accordingly the manpower under different Health programmes and their remuneration is enclosed. It may be seen that sanctioned posts and remuneration in many of the cases varies under different Health Programmes.

An order for clarification to ULBs may
be drafted.

If any for any position, sanction
of Finance Dept. is required, the
same may be placed.

Self Contained Note

Different Health schemes presently being run under different Urban Local Bodies were introduced from different dates with the support from several funding agencies with different guidelines that resulted in disparity and differentiation in the staff-pattern, their remuneration structure, although the activity pattern remained more or less same for all the schemes. Since after the funding agencies had withdrawn from the schemes those are being run with the financial support of the state government under different departments such as UD Department, H&FW Department as well as this Department. Since KMDA, UD department and SUDA used to manage different schemes, while enhancing honorarium some cadres were left out either by KMDA or SUDA or the departments, though it ought not to have been done. Since 1st April 2008, all such schemes have been brought under the management, supervision and control of SUDA. In keeping with the assurance given by the Finance Minister of this Government in the State Legislative Assembly, honorarium of 24 different categories of Health Workers was enhanced by Rs 500.00 per month with effect from 01.04.2008 vide this department G.O. No. 395/MA dated 08.04.2008 (cp 26); 610/MA dated 03.06.2008 (cp 102-103) and 1056/MA dated 03.11.2008 ^{cp-106} with the concurrence of the Finance Department vide notes and orders at NSP- 12 & 5.

Now from the proposal dated 5/8/08 (CP-101) of SUDA it appears that certain other categories of Health Workers have not been covered in the said orders and it is now necessary to set a uniform pattern for all the health related schemes in all the ULBs, for the sake of administrative convenience, with the concurrence of Finance departments.

Although for same types of jobs honorarium should be the same, the following proposal is indicative of the kind of disparity prevails now. Wherever disparity is inescapable because of the very nature of job, name of the post or cadre may be renamed; for example the services rendered by a Nurse in ESOPD is of part-time nature while the same for a municipal hospital is a full-time job. So the Nurse at ESOPD may be renamed as Part-time Nurse. Same is the case for other categories in respect of Municipal Hospital (MH), or ESOPD or HAU or Diagnostic centre (DC) levels. These aspects may be considered after the amalgamation proposal mooted to Finance Department in file no. MA/C-10/3S-55/2005 Pt.(cp. 107 below) gets the nod from Finance Department. Where honorarium is found not to have been enhanced due to error or over-sight, the present proposal is intended to address such types of disparity to some extent. It may therefore be proposed that the honorarium for each of the following categories of workers may be considered for enhancement of honorarium @ Rs 500.00 per month, with the concurrence of the Finance Department, for smooth running of the schemes at ULB level -

Category of Worker	Scheme Name	Honorarium received till 31.03.2008 [Rs]	Honorarium proposed for sanction with effect from 01.04.2008[Rs]

			IPP-VIII	
40. STS [Trained]	CUDP-III	300	800	

Some additional papers relating to the issue are placed (cp.108-115) below.

Now, notwithstanding the amount of fund implication on the current year's Budget Estimate (RE) due to the enhancement, to honour the commitment of the Finance Minister on the floor of the Assembly, the above proposal may be considered favourably by the Finance Department Gr. 'P' and 'N'.

Submitted for consideration and forwarding the file to Finance Dept., Gr. A- Services first.

- Sanitary Inspector under CBPHC not included in the list. Present remuneration is Rs. 5,500/- p.m. After enhancement the remuneration will be Rs. 6,000/-.
- The category of manpower mentioned at Sl. No. 30 to 33 – the scheme name is omitted which will be CBPHC.
- In the category of manpower engaged on very paltry sum, STS trained under CUDP III is not included whose existing remuneration is Rs. 300/- p.m. After enhancement the remuneration will be Rs. 800/- p.m.

The above mentioned observations may be incorporated.

Perhaps the previous enclosure issued under Notification no. 610/MA/P/C-10/1G-5/2007 dt. 03.06.2008 will remain effective subject to modification wherever needed as taken up in the recent list prepared for submission to Finance Dept. to cover all categories of functionaries of different Health programmes.

This apart some workers, as noted below, appear to have been engaged on very paltry sum and their honorarium may also be enhanced by Rs 500 per month.

(NSP-20)

The proposal at prepage for enhancement of honorarium for Health Workers may be perused.

In keeping with the assurance given by the Finance Minister of this Government in the State Legislative Assembly, honorarium of 24 different categories of Health Workers was enhanced by Rs 500.00 per month with effect from 01.04.2008 with the concurrence of the Finance Department vide notes and orders at NSP- 12 & 5. Now from the proposal dated 5/8/08 (CP-101) of SUDA it appears that certain other categories of Health Workers have not been covered in the said orders, primarily because of the fact that different Health schemes presently being run under different Urban Local Bodies were introduced from different dates with the support from several funding agencies with different guidelines that resulted in disparity and differentiation in the staff-pattern, their remuneration structure although the activity pattern remained more or less same for all the schemes. Since KMDA, UD department and SUDA used to manage different schemes, while enhancing honorarium some cadres were left out either by KMDA or SUDA or the departments, though it ought not to have been done. Where honorarium is found not to have been enhanced due to error or oversight, the present proposal is intended to address such types of disparity to some extent.

Since after the funding agencies had withdrawn from the schemes those are being run with the financial support of the state government. Since 1st April 2008 all such schemes have been brought under the management, supervision and control of SUDA and it is now necessary to set a uniform pattern for all the health related schemes in all the ULBs, for the sake of administrative convenience, with the concurrence of the Health & Family Welfare as well as Finance departments.

A committee with 2/3 members may be constituted to rationalize the structure and submit detailed proposal.

Although for same types of jobs honorarium should be the same, the following proposal is indicative of the kind of disparity prevails now. Wherever disparity is inescapable because of the very nature of job, name of the post or cadre may be renamed; for example the services rendered by a Nurse in ESOPD is of part-time nature while the same for a municipal hospital is a full-time job. So the Nurse at ESOPD may be renamed as Part-time Nurse. Same is the case for other categories in respect of Municipal Hospital (MH), or ESOPD or HAU or Diagnostic centre (DC) levels.

The present proposal for enhancement of honorarium @ Rs 500.00 per month for each of the following categories of workers may be considered for approval with the concurrence of the Finance Department.

Sub.: Re-designation of various staff position and harmonizing their honorarium

Following to the meeting of MIC, MA & UD held at SUDA on 16.12.2008, action points on the activities have been jotted and sent to the Secretary, Dept. of Municipal Affairs through e-mail, as desired by him. The copy of the said action points is enclosed at "Flag-A".

As the various health projects have been in different ULBs in phases since the year 1985-86. Out of 7 projects, 5 are in O& M phase wherein activities are being maintained by State Govt. There are various category of staff with different nomenclature and honorarium / salary. All the Urban Health Programmes have been taken over by SUDA from KMDA wef 01.04.2008. As all the Urban health programmes are similar in nature by principle, it is decided that rationalization of nomenclature of the post and pay structure are to be taken up for simplification and to maintain uniformity.

Accordingly, suggestive Man-power planning, rationalization of Nomenclature & pay structure for each of the posts has been prepared and enclosed at "Flag-B".

Submitted for kind perusal and approval.
