Madam,

I have the honour to inform you that many Posts in IPP-VII health Units are vacant in our municipality after resignation or death of honorary health worker (H.H.W.) and other staffs. - 1) H.H.W. - 10
- 2) Attendant - 3
- 3) S.T.S. - 11
- 4) P.T.M.O. - 4
- 5) F.T.S. - 1

We have send letters to Director, SUDA (Ref.no. U-S/541 dt. 14.5.2011 and on E-7/DR-1/1044 dated 16.6.2011) and M.I.C. Municipal affairs(No-M-10/Dr-1/2077 dated 8/9/11) and had discussion with M.I.C. Municipal affair on 21.6.2011 but till date no action taken.

There should be proper revision of honorarium of P.T.M.O., Nurse, M.O. and other staff, at per Rural Health Mission or health department pay pattern. We are not getting doctor, Nurse etc at present honorarium.

There should be proper manpower in our municipal hospital. We cannot start newly expanded 2nd Floor in our Hospital (Done under KUSP Project).

Old list of Drugs for health units and Hospital should be revised for proper utilization of fund allotted from SUDA. for which we have already given detailed proposal to Director, SUDA (E-7/DR-1/1044 dated 16.6.2011).

All these matters are very essential for proper running of health establishment of Bhatpara Municipality and I would request you to take appropriate action.

Date 16.6.2011

Sir,

Forwarding information's regarding positions of health establishment Bhatpara Municipality as per Proforma given by you, for your consideration, at the same time I am drawing attention towards main problems of Municipality health establishment.

Present support given by Government (Through SUDA) is insufficient. Payment given to Doctors, Nurses and other technical Staffs is totally very poor. We are not getting Doctors, Nurses to run vital services of Hospital, though we have added one new floor with 20 bed capacities with two modern O.T.(under KUSP Programme) We cannot start it because of manpower shortage . So we suggest

i) Manpower is the most important problem to run municipal hospitals, payment should be at per with health department for all Staffs'. We have given manpower requirement for Hospital in Annexure -B, for health units permission should be given for immediate engagement in approved post.

- ii) Contingency amount should be increased for maternity /ESOPD /Health Units at least by 100%, as there is heavy increase of all cost in last ten years (like electric bills).
- iii) Old drug list should be immediately revised to cover essential drugs needed in hospital, we have given in Annexure- C & D.

Thanking you,

Yours faithfully,

ULB under various Health Programmes funded by the Municipal Affairs
Department.**

Sir,

With reference to your communication vide no. 578/MA/C-10/3S-37/2009 dt. 08.09.2011, received by this office on 20.09.2011, information on the criterion for determination of HHWs and other posts and the no. of entitlement for each of the workers with respect to different Health Programmes i.e. CUDP III, CSIP, IPP-VIII, IPP-VIII (Extn.) and RCH Sub-Project, Asansol are enclosed at Annexure – I to V for your kind perusal and taking further necessary action.

This is to intimate you that no documents have been received from KMDA while transferring the responsibility of CUDP III, CSIP, & IPP-VIII to SUDA w.e.f. 01.04.2008. The relevant information have been gathered from the ULBs. However, project-wise manpower have already been sanctioned by the Finance Department vide NSP-9 of file no. MA/P/C-10/1G-5/2007(Pt.).

This is also to inform you that Honorary Health Workers (HHWs) are the pivotal workers in the Urban Local Bodies (ULBs) for providing primary health care, public health care and implementation of various National Health Programmes i.e. Pulse Polio Immunisation Programme, RNTCP, NFCP etc. having much wider service area beyond limited area of Reproductive & Child Health. Hence, services of sanctioned no. of HHWs would be fruitful to strengthen urban Health services.

Thanking you.

Sir,

With reference to your communication vide no. 407/MA/C-10/3S-37/2009 dt. 21.07.2011, a statement showing the no. of sanctioned post / actual entitlement, existing no. of HHW and entitlement as per Urban Health Strategy, 2008, in respect of 52 no. of ULBs funded by the Municipal Affairs Department is enclosed at **Annexure – I & I(A)**.

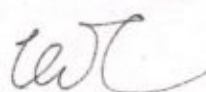

Related documents for IPP-VIII, IPP-VIII (Extn.) and RCH Sub-Project, Asansol regarding sanctioned no. of Honorary Health Workers is enclosed at **Annexure – II**.

This is to mention here that Honorary Health Workers (HHWs) are the pivotal workers in the Urban Local Bodies (ULBs) for providing primary health care, public health care and implementation of various National Health Programmes i.e. Pulse Polio Immunisation Programme, RNTCP, NFCP etc. having much wider service area beyond limited area of Reproductive & Child Health. Hence, services of sanctioned no. of HHWs would be fruitful to strengthen urban Health services.

Thanking you.

Yours faithfully,

I am refer to this office earlier communication vide U.O. No. 231/2009 dt. 10.11.2009 and memo no. SUDA-Health/525/09/545 dt. 06.01.2010 in connection with filling up of vacant post for Honorary Health Worker (HHW) at Urban Local Bodies (ULBs) implementing Urban Health Programme.

This is to state that the ULBs implementing CUDP III, CSIP, IPP-VIII, IPP-VIII (Extn.) and RCH Sub-Project, Asansol are having number of Honorary Health workers which exceeds revised requirement for the said Urban Local Bodies based on Urban Health Strategy, 2008 and the recent BPL population survey facilitated by SUDA. All the relevant documents have already been forwarded to you under our communication mentioned above.

Many of the Urban Local Bodies are sending proposals regularly for obtaining approval by this end in connection with filling up of vacant post for Honorary Health workers which have been kept pending. The Urban Local Bodies are pressing hard in this regard.

It may kindly be decided whether fresh selection & engagement to fill up the vacancy in the context of Honorary Health Workers would be taken up by the Urban Local Bodies where number of existing Honorary Health Workers is more than the required number.

From : Director, SUDA**To : The Secretary

under various Urban Health Programmes.**

Sir,

You may be aware that as per Urban Health Strategy, 2008, one HHW is to look after 1,000 BPL population contained in a single ward and there will be a minimum of one HHW per ward regardless of whether that ward has BPL population or not.

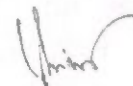

A statement for 126 ULBs showing ULBs-wise no. of wards, total BPL population as per recent survey, estimated no. of required HHWs and existing no. of HHWs is enclosed at Annexure – A. While calculating required no. of HHWs per ward of the ULB, the BPL population per HHW has been kept to 1,500 nos. keeping in view natural growth rate.

The statement at Annexure – A reflects that the ULBs implementing CUDP III, CSIP, IPP-VIII, IPP-VIII (Extn.) and RCH Sub-Project are having more than required no. of HHWs for the specific Health programmes. However, communications are being received from the Chairman of the ULBs seeking permission to fill up vacant post for Honorary Health Workers (HHWs).

Incidentally, it is stated that that a file has already been sent under UO No. 231/2009 dt. 10.11.2009 to the Dept. for policy decision (copy of which is enclosed for ready reference) in this regard. It may kindly be decided as to in the context of Honorary Health Workers whether fresh selection & engagement to fill up the vacancy would be taken up by the ULBs where no. of existing HHWs is more than the required no. or not.

An early decision in this regard is requested for so that this can be communicated to the Chairman of respective ULBs.

Sub. : Filling up of vacant post for HHW under CUDP III and IPP-VIII.

Enclosed the communication from the Chairman of Barasat, Garulia, Halisahar, Rishra, Hooghly Chinsurah and North Dum Dum on the subject of filling up of vacant post for HHW under CUDP III and IPP-VIII.

The table will reflect project-wise no. of sanctioned post for HHW VS. no. of vacancy at present :

Sl. No.	Name of the ULB	CUDP III		IPP-VIII		Total	
		No. of sanctioned post	No. of vacancy	No. of sanctioned post	No. of vacancy	No. of sanctioned post	No. of vacancy
1	Barasat	30	01	209	13	239	14
2	Garulia	60	03	35	02	95	05
3	Halisahar	30	03	70	07	100	10
4	Rishra	30	03	90	02	120	05
5	Hooghly Chinsurah	60	08	91	24	151	32
6	North Dum Dum	30	03	99	09	129	12

Furthermore, the table below will reflect ULB-wise no. of wards, BPL population as per survey 2006, existing no. of HHWs and average no. of HHW per ward :

Sl. No.	Name of the ULB	No. of wards	BPL population	Existing no. of HHWs	Average no. of HHW per ward
1	Barasat	30	58336	225	7.5
2	Garulia	21	19699	90	4.3
3	Halisahar	23	21781	90	3.9
4	Rishra	23	9186	115	5.0
5	Hooghly Chinsurah	30	28154	139	4.6
6	North Dum Dum	30	32572	117	3.9

As per Urban Health strategy - 2008 developed by DHFW & Dept. of MA, the no. of HHWs per ULB will be determined by the no. of urban poor in that ULB distributed one per 1,000 such poor population or the no. of wards whichever is more.

From the tables above, it may be seen that the no. of HHWs are more than the required ones. Hence, the need for filling up of existing vacancy for the post of HHW may be met up by organizing the existing no. of HHWs.

In view of all above, decision may be granted whether we would accord approval for filling up of the present vacant post for HHWs.

Instruction of Supt Secy. dt 27.8.09 - 3.

As per latest household survey, 2006, the BPL population per ward, estimated no. of required HHWs and the existing no. of HHWs under different Health programme are enclosed at Annexure - I.

As per guideline/ Urban Health Strategy, one HHW is to be allotted for a population not exceeding 1000 BPL contained in a single ward. A ward having less than 1000 BPL population will also have one HHW; a ward having BPL population between 1000 - 2000 will have 2 HHWs and so on. There will be minimum one HHW per ward regardless of whether that ward has BPL population or not. However, while calculating required no. of HHWs per ward, 1 (one) HHW is earmarked for 1500 BPL population in a single ward instead of 1,000. The same principle had been followed in 63 Non-KMA ULBs implementing CBPHCS and 11 Non-KMA ULBs implementing HHW Scheme.

It may be seen that none of the ULBs is entitled to get HHWs to fill up the existing vacancy as there are already excess no. of HHWs existing.

Under the circumstances, may we inform the ULBs stating the above facts for making necessary adjustment by re-organising the existing HHWs within the wards of the ULBs irrespective of Health Programmes.

As per instruction, statement for the ULBs implementing IPP-VII, IPP-VIII BSM, RCH SP and CUP-II are enclosed at Annexure-II L III. Submitted.

Notes foregoing.

From the statements placed below it appears that in 63 ULBs where IPP - VIII, IPP VIII (Extn.), RCH (Asansol Sub-project) and DFID assisted HHW Programmes were implemented, the total sanctioned strength of Honorary Health Workers is 6869, which appears to be on the much higher side in comparison with total no. of current BPL population (22.56 lakhs) as well as total no. of wards (1517 nos.) in the concerned 63 ULBs.

Now as per Urban Health Strategy published by the Health and Family Welfare (H&FW) Department, one Honorary Health Worker (HHW) is to be engaged for each ward of an ULB irrespective of BPL population of that ward or one HHW per 1000 BPL population of the concerned ward. If the total BPL population of a ward exceeds 1000, additional HHW can be engaged based on the aforesaid norm. Accordingly estimated no. of HHW for 63 ULBs comes around 2,374 while the existing no. of HHWs working in the abovementioned 63 ULBs as already mentioned is 6869. Hence there is at present 4,495 nos. of surplus HHW in 63 ULBs. Incidentally it is mentioned that in remaining 63 ULBs implementing CBPHCS, engagement of HHW has been made following the above strategy and hence there is no surplus HHW.

Now as the total no. of HHWs exceeds revised requirement of ULBs, the point which may be decided is whether SUDA should accord approval to the proposal(s) of ULBs to fill up sanctioned vacancies in the posts of HHW. Incidentally it is mentioned that since the HHWs have been engaged on honorarium basis, the maximum age limit for extension of their tenure of engagement have not yet been decided by the Government inspite of the fact that many ULBs have verbally reported that a good no. of such workers are not physically strong enough to make required nos. of field visit, which is their basic function. Now as this is a touchy issue, we may at present request the ULBs who has already sought SUDA's approval to fill up vacancies of HHW to re-organise HHW structure as per requirement of each ward in a meeting of ULB level MHFW Committee with approval of BOC.

Sub. : Selection and engagement of Health manpower under the O & M phase of Urban Health Programmes i.e. CUDP III, CSIP, IPP-VIII, IPP-VIII (Extn.) and RCH Sub-Project.

Sir,

This is to intimate you that communications have been received from different ULBs implementing Urban Health Programmes which are in O & M phase requesting for grant of approval for different posts. Many ULBs are forwarding applications received by them for the vacant posts to SUDA for obtaining approval which was the usual practice of KMDA. You may be aware that CUDP III, CSIP, IPP-VIII were taken over by SUDA from KMDA w.e.f. 01.04.2008.

To maintain uniformity with engagement criteria adopted for different posts in the 11 Non-KMA ULBs implementing HHW Scheme and 63 Non-KMA ULBs implementing Community Based Primary Health Care Services (at Annexure – A), the selection procedure earlier prevailed at KMDA may be modified. In the mean time, selection criteria for the post of HHW & FTS have already been modified and approved (copy enclosed at Annexure – B).

Contd. to P-2.

The selection procedure for the posts other than HHW & FTS earlier prevailed and proposed changes are tabulated hereunder :
