Sub:- Supply of cold chain Equipm<sup>ts</sup> is  
ie ILR & Deep Freezer to the  
ULBs

Though ULBs are responsible for  
conduct of Immunisation, but they  
do not have main logistics for  
cold chain Equipments like ILR &  
DF. These Equipments can not be  
procured from outside. DHFW  
only may provide the same to  
the ULBs.

This matter was discussed with  
Dr. J.N. Chaki, DDHS (FH), DHFW  
for supply of the same.  
Draft letter is enclosed herewith  
for signature, if approved.  
Submitted.

Project Manager, WBSISC has informed  
that DHFW is preparing list of  
no. of ILR and DF received  
for the state as per communication  
of GOI dt. 27th Nov. 2009.

We may request DHFW to  
include the procurement of ILR &  
DF for the ULBs.

Draft letter is enclosed for signature,  
if approved.

Sub. : Making provision of Cold Chain system for storage of Vaccines at Non-KMA ULB level.

Placed below is the communication from the Chairman, Tarakeswar, Chandrakona and Old Malda <sup>Municipality</sup> bearing nos. TM/HHW/2/2007/4 dt. 14.11.2007, 724/CH-M/Health/07 dt. 15.12.2007 and 1557 dt 01.01.2008 respectively on the subject.

This to mention here that after completion of training of HHWs, most of the ULBs implementing Community Based Primary Health Care Services already identified Sub-centres and started service implementation wherein conduct of immunization programme is one of the most important service components.

In this regard to maintain the Cold Chain system, the ULBs are requesting for providing them with Refrigerator / ILR for preservation of vaccines at ULB level. It has been learnt that preservation of vaccines using refrigerator is not in vogue now-a-days. Only ILR is being used for the purpose. DHFW procure ILR from GOI for placement at District Health offices for further distribution to Rural areas. There is no such provision exists in Urban areas. It may be appreciated that without having proper Cold Chain system in the ULBs, Routine Immunisation can not be carried out effectively.

Hence, supply of ILR not only to the 63 non-KMA ULBs, but also to other 22 non-KMA ULBs implementing IPP -VIII Extn., RCH Sub-Project and HHW Scheme is an absolute necessity. Commissioner, Health & FW may be requested for such supply to the 85 Non-KMA ULBs.

Draft Letter is placed herewith which may be signed, if approved.

Submitted.
