**Notes on detailed proposal for structure of
Urban Health Programme prepared by DHFW for the ensuring meeting to be held at
Swasthya Bhawan on 15.12.09 at 11.00 a.m.**

▶ The proposal describes basically the institutional arrangements and inter-departmental convergence which is one of the four strategies.] *DNV*

▶ As per proposal the institutional structure to be created in the Health and Family Welfare Department would include the following:

- Establishment of Urban Health cell in DHFW
- Formation of Urban Health sub-committee under the District Health and Family Welfare Samity, under the chairmanship of the District Magistrate to liaise with the ULB level Health and Family Welfare Samity.
- Creation of a District Urban Health Cell for supporting this committee and steering and guiding the ULBs.
- A separate set up for KMC area

▶ It may be observed that the said proposal differs from the Urban Health Strategy (UHS) 2008, developed jointly by DHFW and Dept. of MA. The points of difference are enclosed at Annexure – I.

▶ Salient points on creation of institutional structure under DHFW (both at State and District Level) and Municipal Level is enclosed at Annexure – II.

▶ It is noticed that Dept. of Municipal Affairs and SUDA are no longer ^{envisaged as integral} stake holder in the proposed proposal of DHFW. Hence, the dept. may take decision in respect of the issues as mentioned below:

[Sole responsibility of DHFW addressing Urban Health issues.] *DNV*

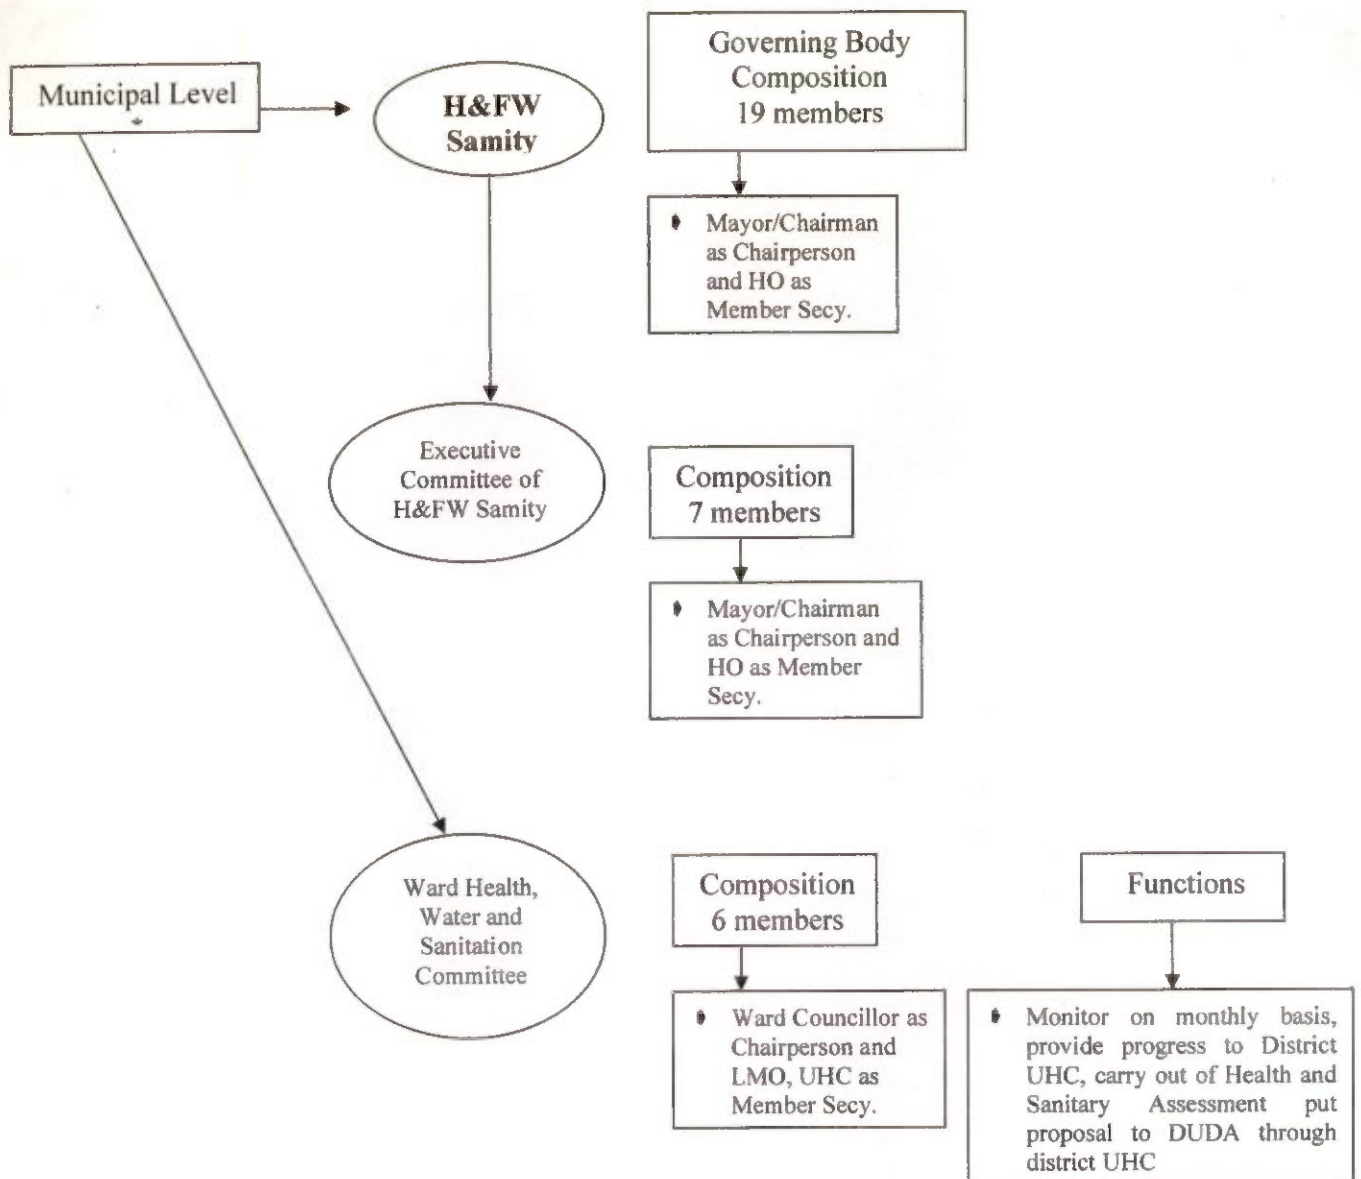

- DHFW should take over ^{support} all the existing Urban Health Programmes being implemented in 127 ULBs including Health facilities and manpower created as detailed at Annexure - III.
- At present Dept. of M.A. is providing fund support out of its own Budget for 5 Urban Health Prog. i.e. CUDP III, CSIP, IPP-VIII, IPP-VIII (Extn.), RCH Sub-Project. After taking over by DHFW total fund support should be provided by them.
- Existing Health manpower in ULBs should be standardized and salary be made at par ROPA, 2009 prevailing at DHFW.
- Health Officer at the ULB level should be the cadre of DHFW.
- Ward Health, Water and Sanitation Committee as proposed in the proposal would carry out the Health and Sanitation assessment of the area to put a proposal to DUDA through district UH Secretariat, in that case role of MA who has developed Urban Sanitation Strategy, may be re-defined.

♦ Few immediate issues may be taken up with DHFW during the meeting to be held on 15.12.2009

- Release of fund of Rs. 7 cr. by DHFW to SUDA for pending dues and also to meet up expenditure upto March, 2010 in respect of Community Based Primary Health Care Services in 63 Non-KMA ULBs.
- Active support of CMOH towards provisioning of logistics i.e. vaccines along with accessories for immunisation, cold chain (ILR & Deep Freezer), oral pill condom, Vit. - A in oil, IFA, ORS etc.
- Construction of Sub-Centre (at least one) at each ULB
- Continuation of School Health Programme, Adolescent Health Care Programme and Health check-up for Safai Karmacharies
- Establishment of system for referred cases to Govt. Hospital
- Funding by DHFW in respect of DFID assisted HHW Scheme in 11 non-KMA ULBs will come to an end on March, 31.03.2010. O&M Phase will be taken by which dept.?
