

SUDA - Health / 541 Pt. 1 / 14

**State Urban Development Agency, Health Wing, West Bengal**

**Sub. : Request of Development & Research Services Pvt. Ltd. for accessing data on Diarrhoeal cases during FY 2012-13 for City Rating on sanitation related parameters.**

Prof. Shantanu Kr. Bose, Chief Director, Development & Research Services Pvt. Ltd. visited SUDA office <sup>on date</sup> and had a discussion with Director, SUDA and PO. Health regarding non-availability of data relating to Diarrhoeal cases during FY 2012-13 which is urgently required for City Rating on sanitation related parameters. Prof. Bose has provided a DO letter of the Jt. Secretary (UD & MD), Govt. of India addressed to the Principal Secretary, Dept. of Municipal Affairs, Govt. of West Bengal vide DO No. Q-11011/6/2011-PHE-1(Vol. 1) dt. 4<sup>th</sup> April, 2014 along with the list of 59 cities which are placed at Flag A & B respectively.

During discussion, Prof. Bose intimated that in spite of putting their efforts they have not been able to obtain the diarrhoeal data from most of the enlisted 59 ULBs.

In this connection, the following actions may be taken :

- Department may be requested to the respective ULBs for providing such data.
- Department may be requested to take up the matter with Department of Health & Family Welfare for providing such data.
- Keeping in view the urgent requirement of the data by Development & Research Services Pvt. Ltd., the data available with SUDA (Placed at Flag C) may be provided, if approved. This is to mention here that this data pertains to the target (slums / BPL) population fortnightly visited by the Honorary Health Workers under UPHCS, CBPHCS and HHW Scheme and forwarded to SUDA in the prescribed HMIS format. Out of 59 ULBs, the said data is available with SUDA for 57 ULBs (There is no Health Programme in Kulti Municipality. DRS has expressed that they will collect the said data from Kolkata Municipal Corporation directly).

Submitted.

Dated 4<sup>th</sup> April, 2014

D O. No.Q-11011/6/2011-PHE-I (Vol. I)

Dear *Shri Gopalika,*

As you are aware, the Government of India has launched the National Urban Sanitation Policy (NUSP) in 2008 with a view to transform Urban India into community driven, totally sanitized, healthy and liveable cities and towns. One of the components under NUSP is rating of all Class-I Cities on sanitation related parameters. The First rating exercise was carried out in 2009-10 to compare intra-city and inter-city data on sanitation, monitor and measure improvement of cities against standard indicators over time, generate awareness on the need to create totally sanitized cities, and enable cities to think city-wide, with an emphasis on smarter planning and investments that lead to improved sanitation in the country. The summary of rating is enclosed.

The Second Sanitation Rating of all Class-I cities would be carried out by M/s DRS (Private) Ltd., the Agency selected by this Ministry and the names of the cities is enclosed herewith. The Rating agencies will start visiting various towns to complete the exercise before 16<sup>th</sup>, June 2014. It is important that the exercise is completed with due care and in consultation with the cities and State Government officials. The Agency is advised to meet your good-self and the Municipal Commissioners and keep all informed of the progress of the exercise. The ownership of data by the States and Urban Local Bodes is crucial for the success of the exercise.

Hence, I would request you to enable the agency by instructing the Municipal Commissioners of the Class-I cities of your State by providing maximum cooperation in collecting the details/data related to the Sanitation parameters, which would be used as an important Monitoring & Evaluation tool to assess the level of performance of the City in terms of provision of sanitation.

Yours sincerely,

(Neeraj Mandloi)
