Forgoing notes.

P.O. (H) has proposed to release remaining 50% of fund since allotted by Municipal Affairs Department for strengthening of existing health care services in the ULBs from the fund under Basic Minimum Services, to the ULBs mentioned in her note. Out in terms of para 4 of the allotment - orders balance 50% is to be released upon receipt of Utilisation Certificate against 1st installment of fund since released. Out of 124 numbers of ULBs only 6 have submitted the U.C., at present. Remaining ULBs, ~~as per names~~ will submit U/C in different times at their convenience. Since all files related to release of fund to the ULBs are required to send to Hon'ble M.I.C. for his approval it may not be ~~practicable~~ feasible to send the files in batches as and when the U/C is received from the U.L.B. In this backdrop it is proposed that the proposal of P.O. (H) may be approved in principle. However the actual release may be made after the receipt of U/C from the U.L.Bs submitted for approval.

~~Director~~

Seen. Instead of obtaining one time in principle approval ^{it would} be prudent to seek approval of H. Secy & H.W.C for release of fund as and when U.Cs are received. PI process accordingly & put up.
