## ● Introduction:

Hon'ble Chief Minister of West Bengal launched the Nirmal Bangla Abhiyan on 2015 for cleanliness, waste management, better hygiene as well as adequate and accessible sanitation for eliminating open defecation in the State.

The rapid pace of Urbanization and high density of urban population are the main cause of environmental pollution in urban areas of the State. Day by day the increasing population and their behavioural bad practices are littering the cities through disposal of Solid waste, Liquid waste, Bio-medical waste and open faecal defecation. These critical aspects are leading to environmental and public health complications resulting to social and occupational hazards.

As per the mandate of the Environmental Protection Act, 1986, the twelfth schedule of the 74<sup>th</sup> Constitutional Amendment Act of India (Article 243) and the Municipal Solid Waste (Handling and Management) Rules of 2000, the Urban Local Bodies are struggling to keep pace with managing the generated wastes and litters in their administrative boundary, simultaneously to generate a mass movement through integrated and coordinative effort of all the stakeholders in the Urban Areas, the Government of West Bengal has launched a **Special Cleanliness Drive** in all the Urban Local Bodies of West Bengal from **29<sup>th</sup> August 2016 to 5<sup>th</sup> September 2016**.

## Vision :

The Special Cleanliness Drive launched with the Vision of:

Generating Mass Movement to develop a coordinated effort for keeping the Environment of the Cities Clean, Healthy, Hygienic and Beautiful in sustained manner.
