The office reported that the original report along with drawing had been found out with office and the same has been sent to Health Wing.

As per direction, the undersigned visited Joy Nagar - Koxilpa Municipality on 12-02-2010 for checking of expenditure regarding release of Rs 8,13,592/- for construction of one portion of the annexed Hospital building of Maternity & Child Welfare Centre.

1. But unfortunately I could not touch the expenditure with reference to measurement book. In spite of repeated request, the ULB did not produce measurement book.

2. While scrutiny the bill as a supporting document, I could not find the name of the scheme on the body of the bill. Under the circumstance it was difficult to assess the quantum of expenditure exclusively for the purpose of construction of building.
