CRITERIA FOR PROCUREMENT OF LARVICES

Prasanta Biswas

5:16 PM (10 minutes ago)

To: Durgam Cheruvu, KAMALA, the

To: The Medical Officer, DMC

Ref: His No DMC/PUR/36 Dated, 07/04/2016

Seen your letter. It is clear that your MC expressed the NIT for procurement of 1) TEMEPHOS-50% EC, 2) DIFLUBENZURON-25%WP, 3) DELTAMETHRIN-25%SC and 4) BACILLUS (Bti-12 AS).

It is known to all that for any tender process, there are some general criteria as ascribed by F.D of the Government. Additional Criteria requires to procure for different items and it variable and may be product specific. As per available documents, for procurement of all the four item, CIB Reg. No. of the product is required. As far we know BIS Certification is available for all the products except Bti-12 AS. You can obtain the Certification No. from www.nvbdc.gov.in under the heading Technical Specification from Home Page.

A firm having the CIB Reg. No and approved technical source by Appropriate Authority can manufactures Active Ingredient and Formulation i.e ready to use product. Some of the firm may not have approved Technical source but can manufactures ready to use product subjected to the procurement of Active Ingredient from the approved Technical Source. In this case certification from the approved Technical source is required. If the Manufactures himself participate in the tender process, he/she does not require Authorisation Certificate but other cases it is required.

WHO Certification/NVBDCP Certificate may be considered as desirable criteria.

MY STATEMENT MAY NOT BE CONSIDERED AS AUTHENTICATED DOCUMENT FOR ANY LEGAL PURPOSE.

Dr. Prasanta Biswas

COMMENTS ON THE TENDER DOCUMENTS SENT BY MEDICAL OFFICER, DMC.

Prasanta Bis

5:34 PM (23 hours ago)

To: The Medical Officer, DMC

Ref: His No DMC/PUR/13

Dated,04.04 2016

Madam,

Seen both the tender document and complaint of M/S TDC Industries. My observations are as follows.

- 1) It is not clear, the DMC wants to procure which product.
- 2) Additional Eligibility criteria may vary depending upon the product to be procured by the authority
- 3) For procurement of Adulticides and Larvicides, CIB registration of the product is required as per NVBDCP, GOI guidelines.
- 4) BIS Certification is also required in most of the cases
- 5) Few products do not have BIS Registration. But the bidder should submit the certificate from the BIS authority that the particular product has not Certified under BIS Registration
- 6) Technical Source of the product is required. Many of the farm. (ME TOO) may not manufactures the raw materials and procure from the other farm having the CIB registration of the raw material production. To procure the quality product, the Tendering Authority may ask the Tenderer to submit the document from where the raw material would be procured. The raw material also to be procured from CIB approved Technical Sources
- 7) WHO, NVBDCP certification may be an additional/desirable Criteria
- 8) The Tendering Authority always deserve the right not to accept any product, which has passed more than 1/6th of self life to avoid expiry.

THIS OPINION MAY NOT BE ACCEPTED AS AUTHENTICATED DOCUMENT FOR ANY LEGAL PURPOSE. THIS IS ONLY SHARING OF EXPERIENCES BASED ON AVAILABLE DOCUMENTS FROM NVBDCP,GOI AND PROCUREMENT ADULTICIDES/LARVICIDES IN DIFFERENT OCCASION.

To,
The CMOHs all districts
and
The Dy.CMOH-IIs of all district

Dear Sir/Madam,

Please, see an attachment to find out the work plan of HTH visit activities in 45 selected ULBs (35 Municipalities & 6 Municipal corporations) for the month of April,2016.

As per circular issued by DHS & Ex-Officio Secretary, Govt of WB vide order no.HIB/M/54-6-2013/67 dated 14th.March,2016 and another letter issued by DHS & Ex-Officio Secretary to Govt.of WB vide memo.no.HIB/M/6D-05-14/79 dated,kolkata,28.03.2016 regarding strengthening of Inter- Sectoral Co-ordination during House to House survey for prevention & control of VBDs at selected ; you have been instructed that close liaison should be kept with the ULBs where HTH survey for prevention & control of Dengue & other NVDs are implemented from April ,2016 to consecutive 6 months,ward wise & team wise report should be analysed for focused analysis attention by respective ACMOHs & Dy.CMOHs to monitor the same.

ACMOH of the subdivision would monitor HTH survey activities under his /her jurisdiction.
Analysis of activities at the end of each round after compilation of data to be taken up by ACMOH & ULB authorities for initiation of necessary corrective steps/control measures by ULBs.
Summery of analysis/short evaluation note jointly signed by ACMOH & ULBs HO/MO to be shared with district,state & SUDA apart from proforma reportingi within 10 days after copletion of each round.. They will also suggest response action where indices will be found to be on higher side.

Dy.CMOH-II will sent a joint signed copy to State NVBDCP cell (email-nvbdcp.wb@gmail.com / entomologist.ibd@gmail.com).

Already ,8 ULBs completed HTH survey for the month of April,2016 namely Alipurduar/,Bankua/,Bhadreswar/Chandanagar/Gayespur/Chinsura/Nalhati/Panihati out of 45 ULBs & Respective district authorities are requested to send summery report duly signed by jointly(ACMOH & ULBs authorities) to state accordingly & in the rest ULBs Joint supervision & monitoring by ACMOH & ULBs should be done as per microplan (Dates of HTH Surveys) attached herewith.

With thanks

Dy. DHS (Malaria) & SPO, NVBDCP

Sub. : Prevention & Control of Vector Borne Diseases in Urban areas during
ensuing season 2016.

Sir / Madam,

This is to inform you that the Chief Secretary, West Bengal hold meetings on 08.03.2016 & 08.04.2016 w.r.t. Prevention & control of Vector Borne Diseases i.e. Dengue, Malaria, Chikunguniya etc. in Urban areas.

Utmost importance may be given for source reduction of Mosquito breeding places along with fever surveillance and reporting so that the said diseases could be prevented / controlled in your ULB.

Hence, you are requested to ensure availability of larvicide / insecticide as well as its application as per National Vector Borne Disease Control Programme (NVBDCP) guideline available in the website www.nvbdc.gov.in & www.wbhealth.gov.in . Fund already released for the purpose may be utilized and submit UC accordingly.

Thanking you.

Yours faithfully,

Director, SUDA

**Decisions of the meeting of Chief Secretary dt. 08.03.2016
vis-à-vis Status relating to Prevention & Control of Vector Borne Diseases**

Decisions	Status
Dengue :	
a) Health & Family Welfare Dept. will release fund to SUDA for house to house surveillance activities for dengue from April to Sept., 2016 in 41 ULBs.	Fund released
b) MA Dept. will arrange printing of IEC materials shared by H & FW Dept. and will also arrange display / distribution leaflets, posters etc.	Supply of leaflets to 45 ULB have been started w.e.f. 29.03.2016.
c) Quality of Dengue H-t-H surveillance is to be ensured. MA Dept. would consider changing those volunteers whose quality of work is poor.	The ULBs have been sensitized accordingly.
d) All ULBs will arrange pasting of stickers on the outside walls of buildings where volunteer visited.	The ULBs have been asked to use stickers / chalk as is done in PPP.
f) MA Dept. will instruct all 41 ULBs to share the reports generated following completion of monthly rounds Dengue surveillance with the CMOH for analysis and targeted interventions.	Instruction already issued vide communication no. SUDA-Health/65(Pt.IX)/16/344(41) dt. 28.03.2016
h) MA Dept. will organize meeting with GOI offices specially Railways, Defence, Port Authority etc. in the Municipal Corporation area for effective vector control in their premises.	List of GOI offices have been obtained from KMC, HMC & BMC. Meeting will be organized shortly by MA Dept.
l) ARD & MA Dept. will jointly chalk out plan to remove all Pigs from Kolkata. Till finalization of this plan ARD will arrange netting of Pigs.	KMC to prepare plan
m) MA Dept. is also requested to arrange meeting with KMC & other adjoining ULBs to ensure coordinated efforts for dengue control.	Meeting held with KMC surrounding ULBs are Rajpur Sonarpur, Baruipur, Maheshtala, South Dum Dum, North Dum Dum, Dum Dum, Madhyamgram, Bidhannagar, Baranagar on 29.03.2016.
n) MA Dept. will instruct all ULBs in the state to ensure availability of insecticide.	MA Dept. has already instructed and released fund to all the ULBs for purchase of insecticide, IEC & Training,
AES / JE :	
a) PHE & MA Dept. are requested to ensure safe drinking water supply, construction of platforms and raising the platforms of tube wells. .	DPR for water supply Scheme in Mal and Alipurduar Municipality had been sent to the Dy. Secretary, Ministry of Housing & Urban Poverty Alleviation on 15.03.2016. The capital cost of DPR comes to Rs. 32.03 Crore and Rs. 74.09 Crore for Mal & Alipurduar respectively.

The following decisions were taken in the meeting chaired by Chief Secretary on 8.3.2016 at the Chief Secretary Conference Hall at Nabanna in connection with the prevention and control of Vector Borne Diseases in ensuing season.

Dengue

Action points

- a) Health and FW Department will release fund to SUDA for House-to-House surveillance activity for Dengue from April 2016 to September 2016 (six rounds) in 45 ULBs. Preparatory meeting with these ULBs has already been held on 16-02-16.
- b) Municipal Affairs (MA) Department will arrange printing of IEC materials shared by H and FW Department and will also arrange display/distribution of leaflets, posters etc.
- c) Quality of Dengue House-to-House surveillance to be ensured. MA Department would consider changing those volunteers whose quality of work is poor.
- d) **All ULBs will arrange pasting of stickers on the outside walls of buildings where volunteers have visited. This will ensure quality of surveillance and monitoring.**
- e) CEO, West Bengal will be duly intimated about the Dengue House-to-House Surveillance to be taken up from April, 2016.
- f) **MA Department will instruct all 45 ULBs to share the reports generated following completion of monthly rounds of Dengue Surveillance with the CMOH for analysis and targeted interventions.**
- g) KMC, HMC and BMC will arrange display of big size flex at prominent places for awareness generation on Vector Borne Diseases.
- h) MA Department will organize meetings with GOI offices especially Railways, Defense, Port Authorities etc. in the Municipal Corporation areas for effective vector control in their premises.
- i) Both KMC and BMC will arrange for churning of water of different canals flowing through its areas to kill mosquito larva.
- j) HMC will take special care to prevent Dengue incidences in Liluah, Pilkhana areas.
- k) KMC, HMC and BMC will take special care for surveillance of under-construction buildings and also the old abandoned premises.
- l) ARD and MA Departments will jointly chalk out plan to remove all pigs from Kolkata. Till finalization of this plan, ARD will arrange netting of pigs.
- m) MA Department is also requested to arrange meeting with KMC and other adjoining ULBs to ensure coordinated efforts for Dengue control.
- n) MA Department will instruct all ULBs in the State to ensure availability of insecticide.

AES/JE

Vaccination of JE in the age group of 1-15 yr. has been completed in all districts and Kolkata. It is observed that during 2015 deaths due to JE were more in the age group of 50 yr. and

above. Adult vaccination (15-65 yr.) has been completed in Darjeeling, Jalpaiguri and Dakshin Dinajpur. It is continuing in Malda, Uttar Dinajpur, Burdwan, Bankura and Hooghly districts. Occurrences of non JE AES cases are more in the State. So ensuring safe drinking water supply is most essential.

Action points

- a) PHE and MA Departments are requested to ensure safe drinking water supply, construction of platforms and raising the platforms of tubewells. H and FW Department shares line list of AES/JE affected areas with PHE.
- b) CD & WD and SW Department has at present no system of Take Home Ration. They are requested to consider this for AES/JE affected persons.

Malaria

Plasmodium falciparum (PF) cases are rising but deaths are decreasing. Annual Parasite Index in overall is decreasing in the State but rising in Purulia district.

Action points

- a) H and HW will distribute 75,000 LLINs in Purulia, Bankura and Paschim Medinipur districts in the most affected Blocks.
- b) Panchayet & RD and MA Departments to cooperate with the H and FW Department for effective Indoor residual Spray activities and for holding 1000 IEC cum Service camps in high case load villages on monthly basis for 6 months starting in April 2016.

Kala-azar

At present Kala azar problem is limited to 23 Blocks in Darjeeling, Uttar Dinajpur, Dakshin Dinajpur, Malda, Murshidabad and Birbhum districts.

Action points

- a) Panchayet & RD Department is requested to cooperate with the H and FW Department for effective Indoor Residual Spray activity.
- b) Panchayet & RD and CD & WD and SW Departments are requested to take steps for community awareness for early referral of cases.

Zika

An emerging viral disease has been declared by WHO as Public Health Emergency of International Concern on 1st February, 2016. The vector mosquito is same as that of Dengue and Chikungunya. Necessary surveillance for persons coming from affected countries has been put in place by GOI. Reports are being collected from the delivery points and community health centres to detect incidences of micro cephal, if any. Activities for control of vector mosquito along with personal protection and community awareness generation are to be taken up by concerned Departments.

The next meeting will be held on 04.4.2016 at 10.30 AM under chairmanship of Chief Secretary.

Ref No. SUDA-Health/65(Pt.IX)/16/345

Date 31.03.2016

From : Director, SUDA

To : Sri M. Chatterjee
Jt. Secretary to the Govt. of West Bengal
Department of Municipal Affairs
Writers' Building.

Sub. : Revised statement showing ULB-wise requirement of fund for purchase of larvicidal, IEC & training towards Prevention & Control of Vector Borne Diseases in Urban Areas for the year 2016.

Sir,

With reference to your communication bearing no. 185-MA/C-10/3S-33/2011 dt. 22.03.2016, a revised statement showing ULB-wise requirement of fund for purchase of larvicidal, IEC & training is enclosed herewith. In the revised statement, proposed allocation of erstwhile ULBs have been added in favour of the concerned Municipal Corporations and included allocation in respect of two newly constituted ULBs i.e. Domkal and Buniadpur.

Hence, you are requested to release the fund of Rs. 456.63 lakh (Rupees Four Crore fifty six lakh sixty three thousand) only, so that the same could be released to the respective ULBs from this end.

Thanking you.

Yours faithfully,

Encl. : As stated.

Director, SUDA

Draft

Memo No. :

Dated :

From : The Principal Secretary
to the Government of West Bengal
Municipal Affairs Department

To :

Sub. : Meeting with the GOI Officials for effective Vector Control in their office
and residential premises in the Municipal Corporation area.

Sir,

This is to inform you that following to the meeting dt. 08.02.2016 of the Hon'ble Chief Minister, West Bengal, the Chief Secretary, West Bengal hold a review meeting on 08.03.2016 for effective Vector Control during the year 2016. In the said meeting it was discussed that many a times the volunteers do not get access in the GOI Office / residential premises to identify larva breeding places and fever surveillance as well.

For the purpose, the Chief Secretary will take a meeting on allowing access to volunteers and / or fumigation / spraying staff from Corporations for mosquito control. Particulars of the meeting are as under :

Venue :

Date :

Time :

You are requested kindly to make it convenient to attend the meeting.

Thanking you.

Yours faithfully,

Principal Secretary

Subject: Meeting to be chaired by Chief Secretary on control of Vector Borne Diseases
To: "bpgopalika@hotmail.com" <bpgopalika@hotmail.com>

Sir,

The Chief Secretary will take a meeting on allowing access to fumigation staff from municipalities for mosquito control, by gated complexes most of which are used to house Central Government officers. Some of these complexes do not allow municipal staff to enter. The Municipal Affairs Department has been assigned the task of calling the meeting.

Please see the attached list of Central Government offices in Kolkata.

It may be better to collect information from Kolkata and Bidhannagar Municipal Corporations about the main gated complexes which do not allow access to fumigation staff, and call the heads of these central organisations for meetings.

No. Con/Com/546/2015-16

19 March 2016

From
Khalil Ahmed, IAS
Municipal Commissioner

To
The Director
State Urban Development Agency
Health Wing, "ILGUS Bhavan"
H-C Block, Sector-III, Bidhannagar
Kolkata-700091

Ref No: SUDA-Health/65(Pt-IX)/16/332(03) dated 09.03.2016.

Sub.: Prevention and control of vector-borne diseases in urban area — request for sending names of Central Government Organisation located in your ULB area.

Sir,

In reply to your communiqué [vide SUDA-Health/65(Pt-IX)/16/332(03) dated 09.03.2016], I am sending herewith a comprehensive list of Central Government-run office buildings located in the area of Kolkata Municipal Corporation for onward transmission to the Department of Municipal Affairs, Government of West Bengal. The list has been prepared based on the inputs provided by different Borough Executive Health Officers of KMC. May kindly be noted that though the enrolled office buildings are visited by the vector control squads of KMC, close monitoring by the concerned authorities is immensely required to keep those building premises free of mosquito breeding sources.

With kindest thanks in anticipation,

Yours faithfully,

Encl.: As stated.

[KHALIL AHMED]

Municipal Commissioner
The Kolkata Municipal Corporation

2
30/3/16

Subject :- Proposal for release of fund for purchase of larvicidal, IEC & training towards Prevention & Control of Vector Borne Diseases in Urban Areas for the year 2016.

Sir,

I am directed to refer to your letter No. SUDA-Health/65(Pt.-IX)/16/327 dated 04.03.2016 on the subject stated above and to inform you that since the erstwhile Urban Local Bodies i.e., Raniganj, Jamuria, Kulti, Bally and Rajarhat-Gopalpur Municipality were merged into Asansol Municipal Corporation, Howrah Municipal Corporation and Bidhannagar Municipal Corporation respectively, a revised statement showing ULB-wise requirement of fund for the said purpose may please be furnished adding the proposed allocation of the erstwhile ULBs in favour of the concerned Municipal Corporation and also including the allocation in respect of two newly constituted ULBs at Domkol and Buniadpur for taking further action from this end.

Yours faithfully,

22/3/16

Joint Secretary to the
Government of West Bengal.

Review meeting by the Principal Secretary, Department of Municipal Affairs w.r.t. Prevention and Control of Vector Borne Diseases in Urban Area at SUDA Conference Hall on 29.03.2016 at 3 p.m.

Subject: Ensuing House to House Survey for prevention & control of VBDs at selected ULBs

Sir

You are aware that as like previous years, this year too, H-T-H fever surveillance & prevention and control of Vector borne diseases including Vector control is going to be organized through SUDA in 6 Municipal Corporations & 35 Municipalities from April, 2016 to September, 2016. Necessary Fund has been released to your end as per Order No. 1752-(Sanction)/HF/P/P&B/PHP/2M-05/2012 dated 16.03.16.

For optimum & successful implementation of the program, the District Health Authorities have to be coordinated so that they render supportive activities for training and monitoring of the actual program and data analysis and taking corrective steps. In this respect following are the contact No. of CMOHs & Dy. CMOH-II of the districts:

Sl.No.	District	CMOH	Ph.No.	Dy. CMOH-II	Ph. No.

Close liaison should be kept between the ULBs with district health administration where H-T-H survey for prevention & control of Dengue & other vector borne diseases are implemented during 6 consecutive monthly rounds. Ward wise & team wise report to be analyzed for focused attention of respective ACMOHs & Dy. CMOH-II to monitor the same along with ULB authorities. Summary of analysis signed by ACMOH & ULB officer to be shared with district, state & SUDA apart from the proforma reporting.

ACMOH are to keep close liaison with ULBs for continuous surveillance of IBDs including vector management & technical support to ULBs round the year.

Under these circumstances, please give instruction to the ULB authorities to keep in touch with the district health authorities as mentioned above.

Financial guideline for Ensuing House to House Survey for prevention & control of VBDs at selected ULBs in the year 2016.

1. Honorarium to Supervisors @ Rs. 75/- per day for 5 days in a month
2. Honorarium to volunteers @ Rs. 75/- per day for 5 days in a month
Each team consisting of two volunteers will cover 300 Households @ 60 households per day.
3. Honorarium at ULB level @ Rs. 75/- per day for 5 days in a month
4. One supervisor will be deployed per five teams
5. At ULBs level 4 persons may be engaged for Data Entry / Reporting.

Director of Health Services & EO Secretary
West Bengal

Prevention of Vector Borne Diseases in Urban Areas for the year 2016

Review meeting by the Principal Secretary,
Department of Municipal Affairs

West Bengal
on 29.03.2016

STATUS

- ✓ The Hon'ble Chief Minister hold a meeting on 08.02.2016 on Prevention of Vector Borne Diseases i.e. Dengue / Malaria in Urban areas during the year 2016
- ✓ 45 ULBs have been identified as high risk ULBs
- ✓ Training of trainers of 45 ULBs done in co-ordination with Health Department on 16.02.2016
- ✓ Following to the meeting of Hon'ble Chief Minister, the Chief Secretary convened a meeting on 08.03.2016 to review the preparedness
- ✓ All the 45 ULBs have submitted micro plan for house to house visit to be held for consecutive five days in a month w.e.f. April, 2016 to September, 2016

STATUS

- ✓ Out of 45 ULBs, 41 completed / will be completed training of the grass-root level functionaries / volunteers by 31st March, 2016, to perform house to house visit.
- ✓ Four ULBs namely Kamiganj, Bidhannagar, North Dum Dum and Rajpur Sonarpur will complete such training by 1st week of April, 2016
- ✓ Printing of leaflet by SUDA have already been undertaken and will be delivered to the ULBs w.e.f. 29.03.2016
- ✓ Out of 45 ULBs, 20 have not yet received 2nd allotment of fund for purchase of larvicidal & IEC for the year 2015 as the ULBs have not yet submitted UC for the 1st allotment
- ✓ An Advisory Circular issued to the respective CMOHs by DHFW for effective implementation of H-I-H activities

Activities to be undertaken by the ULBs

- ✓ To complete training of volunteers & Health Workers
- ✓ To intimate date of H-I-H activities for each of the month to the respective District & SUDA
- ✓ To arrange pasting of stickers on the outside wall of buildings of volunteers visited
- ✓ Joint monitoring & supervision with the Districts during H-I-H activities to be planned
- ✓ After completion of each round, ACMOH & HO of ULB jointly to analyze team-wise data within 10 days of completion of round and to suggest corrective steps, if any

Activities to be undertaken by the ULBs

- ✓ To prepare a short evaluation note under their joint signature and to be sent to Dy. CMOH II and SUDA along with data sheet as per format
- ✓ All ULBs to ensure availability of larvicide / insecticide
- ✓ KMC, HMC & BMC to arrange display of big size flex at prominent places for awareness generation
- ✓ KMC & BMC to arrange for churning of water of canals
- ✓ HMC to take special care to prevent dengue incidences in Lilaah & Pikhana areas
- ✓ KMC, HMC & BMC to take special care for surveillance of under construction building & old abandoned premises
- ✓ BMC to forward name & address of GOI offices to SUDA

Thank You

Municipal Affairs Department

A Note on Prevention of Vector Borne Diseases in Urban Areas for the year 2016

- The Hon'ble Chief Minister hold a meeting on 08.02.2016 on Prevention of Vector Borne Diseases i.e. Dengue / Malaria in Urban areas during the year 2016.
- 45 ULBs have been identified as high risk ULBs by the Department of Health & Family Welfare.
- Training of trainers conducted for identified persons of those 45 ULBs in co-ordination with Health Department on 16.02.2016.
- Following to the meeting of Hon'ble Chief Minister, the Chief Secretary convened a meeting on 08.03.2016 to review the preparedness for prevention & control of vector borne diseases.
- All the 45 ULBs have submitted micro plan for house to house visit which will be held for consecutive five days in a month w.e.f. April, 2016 to September, 2016 as per instruction of Health & Family Welfare Department.
- Out of 45 ULBs, 41 completed / will be completed training of the grass-root level functionaries / volunteers by 31st March, 2016, to perform house to house visit.
Four ULBs namely Raniganj, Bidhannagar, North Dum Dum and Rajpur Sonarpur will complete such training by 1st week of April, 2016.
- Printing of leaflet by SUDA have already been undertaken and will be delivered to the ULBs w.e.f. 29.03.2016.
- Out of 45 ULBs, 20 have not yet received 2nd allotment of fund for purchase of larvicidal & IEC for the year 2015 as the ULBs have not yet submitted UC for the 1st allotment.

Minutes

Decisions taken in the meeting chaired by Chief Secretary on 08.03.2016 in connection with the Prevention and Control of Vector Borne Diseases

MD NRHM

Mar 22 (6 days ago)

Sir,

I am directed to enclose the Minutes of the Meeting chaired by the Chief Secretary on 08.03.2016 in connection with the prevention and control of Vector Borne Diseases in ensuing season.

Yours sincerely,

Sr. P.A. to Commissioner (FW) & Secretary,
Health & Family Welfare Department.

Government of West Bengal
Health and Family Welfare Department

The following decisions were taken in the meeting chaired by Chief Secretary on 8.3.2016 at the Chief Secretary Conference Hall at Nabanna in connection with the prevention and control of Vector Borne Diseases in ensuing season.

Dengue

Action points

- a) Health and FW Department will release fund to SUDA for House-to-House surveillance activity for Dengue from April 2016 to September 2016 (six rounds) in 45 ULBs. Preparatory meeting with these ULBs has already been held on 16-02-16.
- b) Municipal Affairs (MA) Department will arrange printing of IEC materials shared by H and FW Department and will also arrange display/distribution of leaflets, posters etc.
- c) Quality of Dengue House-to-House surveillance to be ensured. MA Department would consider changing those volunteers whose quality of work is poor.
- d) **All ULBs will arrange pasting of stickers on the outside walls of buildings where volunteers have visited. This will ensure quality of surveillance and monitoring.**
- e) CEO, West Bengal will be duly intimated about the Dengue House-to-House Surveillance to be taken up from April, 2016.
- f) **MA Department will instruct all 45 ULBs to share the reports generated following completion of monthly rounds of Dengue Surveillance with the CMOH for analysis and targeted interventions.**
- g) KMC, HMC and BMC will arrange display of big size flex at prominent places for awareness generation on Vector Borne Diseases.
- h) MA Department will organize meetings with GOI offices especially Railways, Defense, Port Authorities etc, in the Municipal Corporation areas for effective vector control in their premises.
- i) Both KMC and BMC will arrange for churning of water of different canals flowing through its areas to kill mosquito larva.
- j) HMC will take special care to prevent Dengue incidences in Liluah, Pilkhana areas.
- k) KMC, HMC and BMC will take special care for surveillance of under-construction buildings and also the old abandoned premises.
- l) ARD and MA Departments will jointly chalk out plan to remove all pigs from Kolkata. Till finalization of this plan, ARD will arrange netting of pigs.
- m) MA Department is also requested to arrange meeting with KMC and other adjoining ULBs to ensure coordinated efforts for Dengue control.
- n) MA Department will instruct all ULBs in the State to ensure availability of insecticide.

AES/JE

Vaccination of JE in the age group of 1-15 yr. has been completed in all districts and Kolkata. It is observed that during 2015 deaths due to JE were more in the age group of 50 yr. and

above. Adult vaccination (15-65 yr.) has been completed in Darjeeling, Jalpaiguri and Dakshin Dinajpur. It is continuing in Malda, Uttar Dinajpur, Burdwan, Bankura and Hooghly districts. Occurrences of non JE AES cases are more in the State. So ensuring safe drinking water supply is most essential.

Action points

- a) PHE and MA Departments are requested to ensure safe drinking water supply, construction of platforms and raising the platforms of tubewells. H and FW Department shares line list of AES/JE affected areas with PHE.
- b) CD & WD and SW Department has at present no system of Take Home Ration. They are requested to consider this for AES/JE affected persons.

Malaria

Plasmodium falciparum (PF) cases are rising but deaths are decreasing. Annual Parasite Index in overall is decreasing in the State but rising in Purulia district.

Action points

- a) H and HW will distribute 75,000 LLINs in Purulia, Bankura and Paschim Medinipur districts in the most affected Blocks.
- b) Panchayet & RD and MA Departments to cooperate with the H and FW Department for effective Indoor residual Spray activities and for holding 1000 IEC cum Service camps in high case load villages on monthly basis for 6 months starting in April 2016.

Kala-azar

At present Kala azar problem is limited to 23 Blocks in Darjeeling, Uttar Dinajpur, Dakshin Dinajpur, Malda, Murshidabad and Birbhum districts.

Action points

- a) Panchayet & RD Department is requested to cooperate with the H and FW Department for effective Indoor Residual Spray activity.
- b) Panchayet & RD and CD & WD and SW Departments are requested to take steps for community awareness for early referral of cases.

Zika

An emerging viral disease has been declared by WHO as Public Health Emergency of International Concern on 1st February, 2016. The vector mosquito is same as that of Dengue and Chikungunya. Necessary surveillance for persons coming from affected countries has been put in place by GOI. Reports are being collected from the delivery points and community health centres to detect incidences of microcephaly, if any. Activities for control of vector mosquito along with personal protection and community awareness generation are to be taken up by concerned Departments.

The next meeting will be held on 04.4.2016 at 10.30 AM under chairmanship of Chief Secretary.

Deputy Secretary,
Ministry of Housing and Urban Poverty Alleviation

Sub: Forwarding of DPR for Water Supply Scheme in Mal and Alipurduar Municipalities of West Bengal under the provision of drinking water supply in slums in towns affected with Japanese Encephalitis/ Acute Encephalitic Syndrome

Sir,

I am directed to invite a reference to Ministry's Memo No. N-11016/25/2015-HFA-III (FTS 13724) dated 29.09.2015 in connection with the above subject and to forward herewith one copy each of DPR for Water Supply Scheme of Mal and Alipurduar Municipality under the provision of drinking water supply in slums in towns affected with Japanese Encephalitis/Acute Encephalitic Syndrome. The capital costs of the projects come to Rs. 32.03 Crore and Rs. 74.09 Crore for Mal and Alipurduar respectively. It is requested that the DPRs may kindly be appraised in the Ministry.

It may be mentioned in this connection that the town of Jalpaiguri is covered under the Mission AMRUT in 2015-'16 and Water Supply Scheme in the town is being considered under the said Mission.

Yours faithfully

Subject: Strengthening of Inter Sectoral co-ordination during ensuing House -to -House Survey for prevention & control of VBDs at selected ULBs

Sir

You are aware that as like previous years, this year too, H-T-H fever surveillance , source reduction & imparting of IEC/BCC activities is going to be organized through SUDA in 6 Municipal Corporations & 35 Municipalities from April, 2016 to September, 2016 as a part of prevention and control of vector borne diseases including vector control. Necessary allotment of Fund has already been released to your end as per Order No. 1752-(Sanction)/HF/P/P&B/PHP/2M-05/2012 dated 16.03.16, which will be sufficient for at least first few rounds of activities.

For optimum & successful implementation of the program, the coordination & collaboration needs to be more strengthened between the District Health Authorities and the ULBs. An Advisory circular has already been circulated to all the Chief Medical Officers of Health in regards to prevention & control of Vector Borne Diseases including better diagnosis & effective case management. Relevant instructions related to this H-to-H activities as were included in the advisory are highlighted below with request to please take steps so that the reciprocal role of ULBs are instructed from your end for better & effective implementation of the activity with a definite outcome.

- From H&FW Department the Chief Medical Officer of Health of the district will be the district authority. Dy. CMOH-II will be the Technical Authority & will co ordinate & monitor the programme on behalf of the CMOH for all ULBs within the district.
- Respective sub divisional ACMOHs will be the Nodal Officer from H&FW for that ULB.
- Nodal Officer along with other health staff will participate in the training programme for all batches.
- Joint monitoring & Supervision during the programme activities may be planned.
- After completion of each round the ACMOH & the Health Officer of ULB will sit together and analyze the team wise data within ten days of the completion of the round and will suggest corrective steps if any required before implementation of the next round. They will also suggest response actions where indices will be found to be on higher side. They will prepare a short evaluation note under their joint signature, a copy of which will be sent to the Dy.CMOH-II along with the data sheet as per format. Dy. CMOH-II will submit the same report to state NVBDCP Cell with opinion of his and of CMOH.

Apart from these six month activities the sub divisional ACMOH maintain close liaison with ULBs for continuous surveillance of VBDs including vector management & to extend technical support to ULBs round the year. Under these circumstances, please issue necessary instruction to the ULB authorities to keep in touch with the health authorities for better integrated vector management including awareness generation.

Anticipating your co operation.

With Regards.

Yours Faithfully.

Director of Health Services
& FO Secretary, West Bengal

Subject: Strengthening of Inter Sectoral co-ordination during ensuing House -to -House Survey for prevention & control of VBDs at selected ULBs

Sir

You are aware that as like previous years, this year too, H-T-H fever surveillance , source reduction & imparting of IEC/BCC activities is going to be organized through SUDA in 6 Municipal Corporations & 35 Municipalities from April, 2016 to September, 2016 as a part of prevention and control of vector borne diseases including vector control. Necessary allotment of Fund has already been released to your end as per Order No. 1752-(Sanction)/HF/P/P&B/PHP/2M-05/2012 dated 16.03.16, which will be sufficient for at least first few rounds of activities.

For optimum & successful implementation of the program, the coordination & collaboration needs to be more strengthened between the District Health Authorities and the ULBs. An Advisory circular has already been circulated to all the Chief Medical Officers of Health in regards to prevention & control of Vector Borne Diseases including better diagnosis & effective case management. Relevant instructions related to this H-to-H activities as were included in the advisory are highlighted below with request to please take steps so that the reciprocal role of ULBs are instructed from your end for better & effective implementation of the activity with a definite outcome.

- From H&FW Department the Chief Medical Officer of Health of the district will be the district authority. Dy. CMOH-II will be the Technical Authority & will co ordinate & monitor the programme on behalf of the CMOH for all ULBs within the district.
- Respective sub divisional ACMOHs will be the Nodal Officer from H&FW for that ULB.
- Nodal Officer along with other health staff will participate in the training programme for all batches.
- Joint monitoring & Supervision during the programme activities may be planned.
- After completion of each round the ACMOH & the Health Officer of ULB will sit together and analyze the team wise data within ten days of the completion of the round and will suggest corrective steps if any required before implementation of the next round. They will also suggest response actions where indices will be found to be on higher side. They will prepare a short evaluation note under their joint signature, a copy of which will be sent to the Dy.CMOH-II along with the data sheet as per format. Dy. CMOH-II will submit the same report to state NVBDCP Cell with opinion of his and of CMOH.

Apart from these six month activities the sub divisional ACMOH maintain close liaison with ULBs for continuous surveillance of VBDs including vector management & to extend technical support to ULBs round the year. Under these circumstances, please issue necessary instruction to the ULB authorities to keep in touch with the health authorities for better integrated vector management including awareness generation.

Anticipating your co operation.

With Regards.

Yours Faithfully.

No. 1752- (Sanction)/HF/P/P&B/PHP/2M – 05/2012

16th March 2016

ORDER

The undersigned is directed by order of the Governor to say that the Governor has been pleased to accord Administrative Approval of Rs 3,72,88,000/- (Rupees three crore seventy two lakh eighty eight thousand) only and Financial Sanction of Rs. 2,94,56,114/- (Rupees two crore ninety four lakh fifty six thousand one hundred fourteen) only in favour of the Director, State Urban Development Agency (SUDA) for payment of honorarium to volunteers engaged in House-to-House (HTH) Activities for April 2016 to June 2016 related to Dengue prevention and control in 45 ULBs. In case of Bidhannagar Municipal Corporation this amount may be spent for payment of honourarium to volunteers, refreshment of trainee nurses and mobility support to trainee nurses.

The rate of honorarium will be as per order No. HF/O/PHP/211/2M-02/2013 dated 10.5.2013. Director of Health Services and Ex-officio Secretary, Department of Health & Family Welfare is requested to issue order indicating allotment to the respective ULBs.

Director, State Urban Development Agency (SUDA) will act as DDO in respect of the fund being placed.

45 ULBs and Bidhannagar Municipal Corporation will send bills/vouchers with necessary certificates to the Director, State Urban Development Agency (SUDA) to draw the amount.

Out of the total Financial Sanction, Rs 42,11,697/- (Rupees forty two lakh eleven thousand six hundred ninety seven) will be charged upon the Budget Provision under the Head of Account "24-HF-2210-06-101- Prevention and Control of diseases –SP – State Plan [12th Plan & Annual Plan] -013 – Other Diseases [HF] – 50-Other Charges" during the current financial year 2015-2016.

And Rs 2,52,44,417/- (Rupees two crore fifty two lakh forty four thousand four hundred seventeen) will be charged upon the Budget Provision under the Head of Account "2210-06-789-Special Component Plan for Scheduled Caste-SP-State Plan-(Annual Plan + 12th Plan)-007-Other Diseases (HF)-50-Other Charges" during the current financial year 2015-2016.

This order is issued in exercise of power delegated under Finance Department Memo No.1250-F.B. Dated. 13.01.2016 read with the concurrence of Financial Advisor of this Department vide U.O. No. 1481 dated 14.03.2016.

This has been approved by the Principal Secretary of this Department.

All concerned are being informed.

Deputy Secretary
to the Government of West Bengal

Thermal Fogger
RPF-10-SP
portable

Technical data:	
Weight empty:	7 kg
Size (length x breadth x height):	106 x 29 x 33 cm
Capacity of solution tank:	6 litres
Capacity of fuel tank:	2 litres
Cubic capacity of engine:	300 cm ³
Max. performance of engine:	17,5 kW (24,1 hp, 15.300 kcal/h)
Max. fuel consumption:	1,9 l/h
Automatic ignition:	Electronic ignition coil fed by 4 x dry batteries = 6V
Starting device:	Manual start
Flow rate:	10 - 30 l/h (according to nozzle size used)
Standard flow rate:	12 l/h
Droplet size spectrum (depending on oil viscosity and nozzle size used):	< 25 µm (oil) < 60 µm (oil/water) < 150 µm (water)

Fogging technique and application:

Thermal fogging is the generation of ultra-fine droplets in a range of 1-50 µm using thermo-pneumatic energy. Liquid substances are vaporized in the unit and form ultra-fine aerosols by condensing on contact with cool ambient air. Thermal fogging is used for any pest control task where active substances should be uniformly distributed even in inaccessible places, without leaving undesirable residues.

The fogging technique is the solution for treating large areas and spaces with a minimum quantity of pesticide solution, less operational work and with little harm to the environment (less residues, no penetration into the ground), e.g. in the field of public health, stock protection, plant protection, disinfection, decontamination, deodorization and cinema effects. The RPF-10-SP procured for various projects & used in their own premises by WHO SEARO (World Health Organization).

RPF-10-SP Features

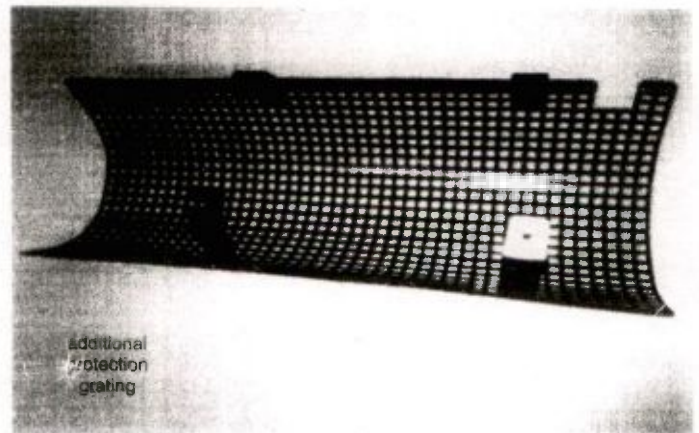

- pulse-jet engine without movable parts allows unlimited operation.
- 5 litres solution tank, easily detachable, made of heavy duty polyethylene, transparent with litre scale.
- Double stainless steel-cooling jacket/diffuser with front cooling air intake, additional sound absorption and effective heat control.
- pulsFOG fingertip quick-start-system through patented direct fuel injection and automatic ignition.
- For safety-reasons: non-pressurized fuel tank.
- Most metal parts made of stainless steel.
- Manual fog control valve combined with automatic cut-off device (optional).
- Simple and straightforward design enables the user to carry out repair work himself.

Automatic cut -off device (optional):

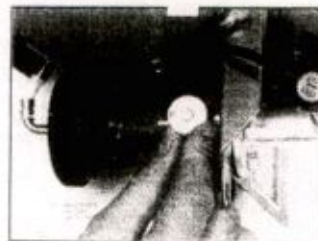

solution flow to dosing nozzle

additional protection grating

- Finger -tip-start by a simple finger press
- Open adjustable screw on carburettor.
 - Push down the primer for immediate fuel injection and engine start.

a)

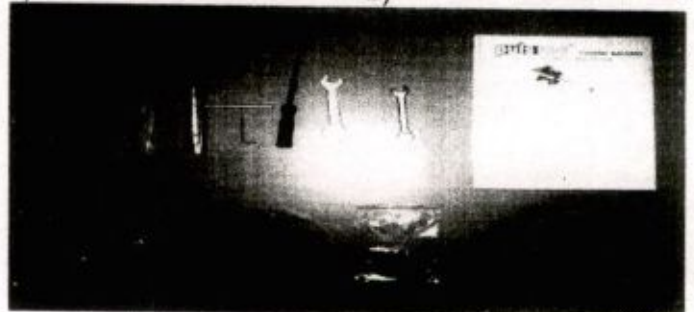

b)

Standard accessories:

Fuel pitcher, solution funnel, spare parts bag with membranes and sealing rings, cleaning brush, tool kit, and ear protectors

Optional accessories:

Air agitator, automatic cut-off device, additional protection grating, dosing nozzles of different sizes, protective suit, respiratory mask with filter A₂ B₂-P₃

EXCLUSIVE SPECIAL FEATURES

COMPANY	M/s,pulsFOG, Dr.Stahl & Sohn GmbH, Germany are world renowned manufacturer of "pulsFOG" brand fogging machines
	<u>M/s. Royal Trade Links, New Delhi exclusively licensed</u> by German principals to manufacture /assemble along with sales & service in India.

USE	Fogging machines are used in <u>Vector Control Programme.</u>
	To kill various infectious insects such as Mosquitos, Cockroach, Flies & several other insects.
	Prevention of dreaded diseases like Malaria, Dengue, Chikungunya, Japanese Encephalitis, Plague, Kala Azar etc.

IDEAL FOGGER	Thermal Fogging is the best.
	Maximum Area coverage with Minimum quantities of pesticides to kill insects in atmosphere.
	Safe, user friendly operation with utmost effective results.

PULSFOG NO OTHER manufacturer	Advanced German Technology, machines fitted with <u>Automatic solution cutoff</u> device to prevent fire & accidents.
	Unique effortless quick start system.
	Major lines of <u>FUEL, AIR & SOLUTION</u> cleanable/maintainable very easily.
	Non pressurized fuel tank with liter marking, for easy wash detachable solution tank with liter marking.
	Patented Suction Technology helps to prevent burning the active ingredient of the pesticides.
	Auto ignition device helps maximum life of batteries.
	pulsFOG appreciated & used by National Vector Borne Diseases Control Program. Clienteles includes States DHS, Military, Para-military, Navy, Airforce, Municipal Corporations / Nagar Nigam of Lucknow, Chennai, Ahmedabad, Delhi, & Jaipur.
	National network of highly qualified and well trained professionals for prompt after sales & service with spares to esteemed customers
	Machines are under DGS&D Rate Contract facilitates direct buying.
	Machines are available in Portable & Vehicle / Wheel mounted types.

NEW DELHI

Sub: Rate Contract for supply of Fogging machine
Validity: From 09-JUN-15 To 31-MAY-16 .

Ref:(1) This Office Tender Enquiry No. FOGGING_MC/WMT-3/RC-V1090000/0316/13
Opened on 20-MAR-15.
(2) Your Quotation No. 7098 And Dated
18-MAR-15.

Dear Sir,

You are hereby informed that your above referred tender read with subsequent letters mentioned above for the Stores specified in the Schedules annexed has been accepted. This rate contract will be governed by the terms and conditions brought in the Form no. DGS&D 1001 including DGS&D Arbitration Clause available from DGS&D sales counter on payment of Rs. 50/- The dispute cannot be referred by the contractor or entertained by facilitation Council or any other adjudicating forum. The Rate Contract and the schedules annexed here to shall be the sole repository of this Rate Contract/Transaction.

SCHEDULES ANNEXED

1. Schedule "A" Description of stores, prices, duties/taxes.
2. Schedule "B" special conditions of contract / Other information.
3. Schedule "C" Information to DDOs about parallel rate contracts.
4. Annexure - Technical Specification
5. Schedule "D" - Format of Letter of Authority

"Suspense Account facilities for indentors of Central Civil Ministries/Departments and UT Administration, except for M/o Defence, M/o Railways and D/o Posts, have been withdrawn with effect from 03.07.2012. As per revised procedures/guidelines, the indentors are required to place funds at the disposal of O/o Chief Controller of Accounts(Supply), D/o Commerce, 16-A, Akbar Road Hutments, New delhi-110011 in the form of letter of Authority. The format of Letter of Authority is attached. The indentors are advised to allocate funds to cover the cost of stores ordered, which includes value of supply orders inclusive of all duties & taxes as per relevant Rate Contract plus 5% of the value of supply order towards other incidental charges in case of Rate Contract with firm & final prices or 10% of the value of supply order towards other incidental charges in case of rate contract with price variation clause. In addition, indentors are also required to include 2.0% of the cost of the stores (i.e value of supply order + incidental charges) as DGS&D department charges. Supply Order not accompanied with letter of authority in the prescribed format along with requisite funds shall not be considered as valid supply orders. Ink-signed copy of Letter of Authority is to be sent to the Office of chief Controller of Accounts(Supply), D/o Commerce, 16-A, Akbar Road

Ref No. SUDA-Health/65(Pt.VI)/14/333

Date 09.03.2016

From : Director, SUDA

To : The Mission Director, NHM &
Commissioner (Family Welfare)
Department of Health & Family Welfare
Swasthya Bhavan, Salt Lake.

Sub. : Requisition of fund for house to house visit towards Prevention & Control
of Vector Borne Diseases in Urban Areas for the year 2016.

Madam,

Following to the trainers training for 41 ULBs (06 Municipal Corporation & 35 Municipalities which includes all 45 ULBs as selected in the previous year i.e. 2015) held at SUDA on 16.02.2016, the said ULBs have been requested to start house to house visit w.e.f. April, 2016 for consecutive six months. ULB-wise Micro-Plan as well as requirement of fund for an amount of Rs. 4,50,64,500/- (Rupees Four Crore Fifty lakh sixty four thousand five hundred) only for house to house visit for 06 months i.e. April to September, 2016 is enclosed herewith.

You are requested to release the fund to make payment to the Volunteers / Health Workers engaged for the purpose.

Thanking you.

Yours faithfully,

Encl. : As stated.

Director, SUDA

Request for sending names of Central Government Organisation located
in your ULB area.****Sir,**

I am to refer to the meeting of the Chief Secretary held at Nabanna on 08.03.2016 relating to review of the status of Vector Borne Diseases and associated Control Measures. In the said meeting, it was discussed that Central Government offices, railways, etc. located in the Municipal Corporation area need intervention for Prevention & Control of Vector Borne Diseases, so that the premises of the said office could be visited by the volunteers as well as the different preventive activities could be taken up by the officials.

For the purpose, you are requested to forward name of such offices with address & contact no. to the undersigned by **15.03.2016** for onward transmission to the Department of Municipal Affairs. This is required for organizing a meeting of the Chief Secretary, Government of West Bengal with the respective Central Government Department.

Thanking you.

Yours faithfully,

Encl. : As stated.

State Advisory on Zika Virus Disease declared as a PHEIC

Zika Virus Disease, initially noticed in a few Latin American Countries and later reported from some other countries, has been declared as a Public Health Emergency of International Concern (PHEIC) by WHO. Govt. of India, initiating a response to it, has issued a guideline in this regard. Hereunder is an advisory to be followed in the state of W.B. in connection with Zika Virus Disease until any further communication.

A. Case Definition:

Suspected Case

- Travel history to countries with indigenous transmission in the 2 weeks preceding the onset of illness. [Country details can be seen from www.cdc.gov/zika/geo/index.html. Countries currently affected are enlisted in the footnote]; and
- Elevated body temperature ($>37.2^{\circ}\text{C}$) or skin rashes with one or more of the following symptoms (not explained by other medical condition).
 - a. Arthralgia/ myalgia
 - b. Nonpurulent conjunctivitis/ conjunctival hyperaemia
 - c. Headache or malaise.

Confirmed case

- A suspected case with laboratory positive result for specific detection of Zika Virus by PCR.

B. Enhanced surveillance:

i. Community based:

IDSP through its community & hospital based data gathering mechanism would track clustering of acute febrile illness and seek primary case, if any, among those who travelled to areas with ongoing transmission in the 2 weeks preceding the onset of illness.

ii. Tracking of clustering of cases of Microcephaly amongst newborn &/or clustering of Guillain Barre Syndrome – based on surveillance data collected from community & health facilities.

FW Branch will advise its field functionaries to participate in tracking of clustering of Microcephaly cases amongst newborns.

iii. On receipt of information of any suspected case from Airport Health Authority/ Port Health Authority, such case will be tracked and kept under surveillance.

C. Rapid Response:

In case of any suspected outbreak/ suspected primary case, medical teams from block & district levels will start investigation of the incident at the earliest. RRT from state & district levels involving epidemiologist, PH specialist, microbiologist, Medical/ Paediatric specialist, entomologist etc. may be deployed to the spot at short notice if necessary.

D. Lab confirmation:

Serum sample is to be taken from suspected cases (with relevant travel history as mentioned). A part of the sample is to be kept in (-) 70°C /(-) 20°C freezer. The rest should be first tested for Dengue & Chikungunya. If the results of the said tests come as negative, the preserved sample has to be sent for RT-PCR for Zika to a designated laboratory (through SSU, IDSP, if necessary) maintaining cold chain. Designated laboratories at present are at (a) NCDC, Delhi and (b) NIV, Pune. [Other relevant lab tests as may be necessary in such febrile illness have to be performed as usual without waiting for test for Zika.]

Contd. to next page

During 2015 to 5 Feb, 2016 indigenous cases of Zika Virus Disease have been reported in: Brazil, Barbados, Bolivia, Colombia, Curacao, Costa Rica, Dominican Republic, Ecuador, El Salvador, French Guyana, Fiji, Guadeloupe, Guatemala, Guyana, Haiti, Honduras, Jamaica, Martinique, Mexico, Maldives, Nicaragua, Panama, Paraguay, Puerto Rico, St Martin, Suriname, Samoa, Solomon Islands, Tonga, US Virgin Island, Venezuela & Vanuatu.

E. Risk communication:

All concerned in the Dept. of Health & FW should be made aware of the case definition and the S.O.P. of the state. The public needs to be reassured that there is no cause of undue concern.

F. Travel Advisory:

The following advices should be given wherever relevant. Also existing group meeting systems may be utilized for spreading necessary messages.

- Non-essential travel to the affected countries should be deferred/ cancelled.
- Pregnant women or women who are trying for baby should defer/cancel their travel to the affected countries.
- All travellers to the affected countries should strictly follow personal protective measures to prevent mosquito bite during day & night.
- Persons with co-morbid conditions (diabetes, chronic respiratory illness, immune disorders etc) should seek advice from a health facility, prior to travel to an affected country.
- Travellers having febrile illness within 2 weeks of return from an affected country should report to a health facility as early as possible.
- Pregnant women who have travelled to countries with Zika Virus transmission should mention about their travel during ANC visits in order to be assessed and monitored appropriately.

G. Vector Control:

Zika Virus is a mosquito-borne flavivirus transmitted primarily by *Aedes aegypti* mosquito. So, enhanced integrated vector control management is important. Control measures & protective means targeted against *Aedes* mosquitoes should be geared up.

H. Health Education for social mobilization at household & community levels and Intersectoral Convergence

I. Monitoring:

The situation would be monitored by the Director of Health Services & F.W. Secretary, W.B. on regular basis. Directives will be updated from time to time as the emerging situation demands.

Micro plan for fever surveillance at ULBs related to Dengue control, 2016

NVBDCP WB

10:48 AM (2 hours ago)

to: Mr. KAMALAKRISHNAN, Director, SUDA, Kolkata

- To
1. The Director, SUDA, Kolkata
 2. The P.O. (Health), SUDA, Kolkata

Sir/ Madam,

I am directed by higher authority to inform you that House to House visit activities for prevention & control of Dengue will be started in 38 ULBs & 3 MCs (which include all 45 ULBs as selected in previous year (2015) after modification/amalgamation) for consecutive six months from April, 2016 to September, 2016 as per NVBDCP guidelines.

Hence, you are requested to submit unit wise Micro Plan for H-T-H visit activities within 15.03.2016. You are also requested to meet the directorate officials on a convenient date and place before the actual activities.

State Advisory on Zika Virus Disease declared as a PHEIC

Zika Virus Disease, initially noticed in a few Latin American Countries and later reported from some other countries, has been declared as a Public Health Emergency of International Concern (PHEIC) by WHO. Govt. of India, initiating a response to it, has issued a guideline in this regard. Hereunder is an advisory to be followed in the state of W.B. in connection with Zika Virus Disease until any further communication.

A. Case Definition:

Suspected Case

- Travel history to countries with indigenous transmission in the 2 weeks preceding the onset of illness. [Country details can be seen from www.cdc.gov/zika/gea/index.html. Countries currently affected are enlisted in the footnote], and
- Elevated body temperature ($>37.2^{\circ}\text{C}$) or skin rashes with one or more of the following symptoms (not explained by other medical condition).
 - a. Arthralgia/myalgia
 - b. Nonpurulent conjunctivitis/conjunctival hyperaemia
 - c. Headache or malaise.

Confirmed case

- A suspected case with laboratory positive result for specific detection of Zika Virus by PCR.

B. Enhanced surveillance:

i. Community based:

IDSP through its community & hospital based data gathering mechanism would track clustering of acute febrile illness and seek primary case, if any, among those who travelled to areas with ongoing transmission in the 2 weeks preceding the onset of illness.

ii. Tracking of clustering of cases of Microcephaly amongst newborn & or clustering of Guillain Barre Syndrome - based on surveillance data collected from community & health facilities.

IW Branch will advise its field functionaries to participate in tracking of clustering of Microcephaly cases amongst newborns.

iii. On receipt of information of any suspected case from Airport Health Authority/ Port Health Authority, such case will be tracked and kept under surveillance.

C. Rapid Response:

In case of any suspected outbreak/ suspected primary case, medical teams from block & district levels will start investigation of the incident at the earliest. RRT from state & district levels involving epidemiologist, PH specialist, microbiologist, Medical Paediatric specialist, entomologist etc. may be deployed to the spot at short notice if necessary.

D. Lab confirmation:

Serum sample is to be taken from suspected cases (with relevant travel history as mentioned). A part of the sample is to be kept in (-) 70°C , (-) 20°C freezer. The rest should be first tested for Dengue & Chikungunya. If the results of the said tests come as negative, the preserved sample has to be sent for RT-PCR for Zika to a designated laboratory (through SSL, IDSP, if necessary) maintaining cold chain. Designated laboratories at present are at (a) NCDC, Delhi and (b) NIV Pune. [Other relevant lab tests as may be necessary in such febrile illness have to be performed as usual without waiting for test for Zika.]

Contd. to next page.

During 2015 to 5 Feb, 2016 indigenous cases of Zika Virus Disease have been reported in: Brazil, Barbados, Bolivia, Colombia, Curacao, Costa Rica, Dominican Republic, Ecuador, El Salvador, French Guyana, Fiji, Guadeloupe, Guatemala, Guyana, Haiti, Honduras, Jamaica, Martinique, Mexico, Maldives, Nicaragua, Panama, Paraguay, Puerto Rico, St Martin, Suriname, Samoa, Solomon Islands, Tonga, US Virgin Island, Venezuela & Wallis & Futuna.

E. Risk communication:

All concerned in the Dept. of Health & FW should be made aware of the case definition and the S.O.P. of the state. The public needs to be reassured that there is no cause of undue concern.

F. Vector Control

Zika Virus is a mosquito borne flavi virus transmitted primarily by *Aedes aegypti* mosquito. So, enhanced integrated vector control management is important. The measures are mentioned in brief as follows:

a) **Environmental Management** - which includes Environmental manipulation, Environmental modification & change in human habitation.

b) **Personal protection** – to prevent mosquito bite.

It may also be noted that a suspected case should be kept under bed net throughout the day during the course of illness.

c) **Biological control** – as applicable for mosquito control in general.

d) **Chemical control** – L arva control by temephos & adult control by pyrethrum spray, malathion fogging/ULV spray.

e) **Legislative measure**

G. Health Education for social mobilization at household & community levels and Intersectoral Convergence

During 2015 to 5 Feb, 2016 indigenous cases of Zika Virus Disease have been reported in: Brazil, Barbados, Bolivia, Colombia, Curacao, Costa Rica, Dominican Republic, Ecuador, El Salvador, French Guyana, Fiji, Guadeloupe, Guatemala, Guyana, Haiti, Honduras, Jamaica, Martinique, Mexico, Maldives, Nicaragua, Panama, Paraguay, Puerto Rico, St Martin, Suriname, Samoa, Solomon Islands, Tonga, US Virgin Island, Venezuela & Vanuatu.

Writers' Building.****Sub. : Requisition of fund for purchase of larvicidal, IEC & training towards
Prevention & Control of Vector Borne Diseases in Urban Areas for the
year 2016.****Sir,**

The requisition for the year 2016 for purchase of larvicidal, IEC & training towards Prevention & Control of Vector Borne Diseases in Urban Areas for the year 2016 is enclosed herewith for an amount of Rs. 451.84 lakh (including Haringhata Municipality) for taking necessary action.

This is to inform you that out of 127 ULBs, Department of Health & Family Welfare has identified 45 high risk ULBs wherein house to house survey in each month as will be specified by the said Department will be conducted.

You would appreciate that fund from Department of Municipal Affairs is required to combat vector borne diseases in Urban areas during pre & post monsoon season of this year.

Hence, you are requested to release the fund of Rs. 451.84 lakh, so that the same could be released to the respective ULBs from this end.

Thanking you.

Yours faithfully,

Enclo. : As stated.

Ref No. SUDA-Health/65(Pt-IX)/16/302(41)

Date 11.02.2016

From : Director, SUDA

To : The Commissioner
Asansol / Bidhannagar / Chandernagore /
Durgapur / Howrah / Siliguri Municipal Corporation

: The Chairman / Chairperson

..... Municipality

Sub. : Prevention and Control of Vector Borne Diseases in Urban Area -
Submission of Micro-plan & Training of Trainers during the year 2016.

Sir / Madam,

Following to the review meeting of Hon'ble Chief Minister on 08.02.2016 w.r.t. prevention and control of vector borne diseases, I am directed to inform you that as per advice of Department of Health & Family Welfare, house to house activities are to be undertaken by your UIB during the year 2016. For the purpose, you are requested to forward the Micro-Plan as per format enclosed herewith through email (dfidhhw@gmail.com) by 15.02.2016 positively. This is to be noted that one team consisting of two members is to be deployed for visiting at least 60 households per day (thus covering 300 households in consecutive 5 days in a month) and one supervisor is to be deployed for 05 such teams. On receipt of Micro-Plan from your end, the same will be forwarded to Health Department for scrutiny and finalization of the Micro-Plan.

Furthermore, this is to inform you that training of trainers (i.e. HO / AHO / MO / Lab. Technician / SI) will be held at SUDA Conference Hall in two batches on 16.02.2016 as per list enclosed herewith. The said training will be imparted by the concerned officials of the Department of Health & Family Welfare.

Contd. to P-2.

- 2 -

Hence, you are requested to instruct your officials (not exceeding two participants per ULB) to participate in the said training Programme. This is to intimate you that on receipt of trainers training, the trainers will impart training to the grass-root level Health functionaries at ULB level and the team will pay house to house visit for identification of fever cases and awareness generation.

Thanking you.

Yours faithfully,

Encl. : As stated.

Municipal Affairs Department

C.M. meeting on 8.2.16
at 4pm.

A report on Prevention of Vector Borne Diseases in Urban Areas

- For Prevention of Vector Borne Diseases i.e. Dengue / Malaria in Urban areas, various steps were taken from Municipal Affairs Department, Health & Family Welfare Department and Urban Local Bodies (ULBs) during the year 2015.
- All the ULBs have undertaken IEC, training and larvicidal operation for prevention of Vector Borne Diseases.
- Intensive house to house visit activities as per Micro-Plan prepared by the ULBs in consultation with DHFW, had been taken in 45 high risk ULBs in each month w.e.f. June, 2015 to October, 2015 and in 8 ULBs in the month of November, 2015.
- Department of Municipal Affairs has released fund of Rs. 449.46 lakh (ULB-wise data is enclosed at enclosure – I) for procurement of Larvicidal Oil, IEC materials & training and Department of Health & Family Welfare has released fund of Rs. 376.76 lakh for house to house visit during the year 2015.
- On an average 26.34 lakh household have been covered during house to house visit, detected 1.59 lakh of fever cases, 1.74 lakh container with larvae were detected & destroyed.
- ULB-wise performance report during the month of June to October, 2015 are appended below :

Sl. No.	Name of ULBs	No. of Household	No. of Household visited	Fever Surveillance No. of Fever Cases with joint pain	Environmental Management

Action taken from Department of Municipal Affairs :

- Instructions to prevent Vector Borne Diseases in Urban areas have been issued to all the 127 ULBs.
- Coordination meetings held with Department of Health & Family Welfare.
- Training of trainers conducted for identified persons of the ULBs in coordination with Health Department. The said trainers imparted training to paramedical staff and others of the respective ULBs.
- Micro-plan was prepared by the ULBs for conduct of house to house visit.
- Monitoring officials of State level visited ULBs during house to house visit.
- ULB-wise report for each of the month were collected and sent to Department of Health & Family Welfare.

The same activities will be followed for prevention of vector borne diseases in urban areas during the year 2016.

ULB-wise fund allotment for procurement of Larvicidal, IEC & training during the year 2015 :

(Rs. in Lakh)
