

Instruction at NSP-26.

Copy of relevant page no. 78 as is given at State Vector Borne Disease Control and Seasonal Influenza Plan 2018 published by DHFW is placed at **Flag - A** wherein it may be seen that no. of household, team & supervisors in case of Baidyabati Municipality are mentioned.

Furthermore, log-in page for Vector Borne Disease Monitoring System developed by DHFW has been scrutinized in case of Baidyabati Municipality for 1st round of July, 2018, copy of which is placed at **Flag - B**. It may be seen that no. of household visited by the team is 40,258, whereas it was 38,090 in the district plan. To provide quality house to house visit more no. of teams are required in the instant case.

One team visit 300 households in each round. Hence, 07 more no. of teams and 01 supervisor are required for the excess no. of households.

Proposal of the Chairman, Baidyabati Municipality in this connection may be forwarded to DHFW for consideration.

Submitted.

A meeting w.r.t. Prevention & Control of Dengue / Chikunguniya was taken by the Secretary, UD & MA Department on 18.01.2017 wherein Director, SUDA; Commissioner, Bidhannagar Municipal Corporation and Project Officer, Health, SUDA were present. The salient points of discussion are as under :

- House to house surveillance will be done in 104 ULBs as proposed to Health & Family Welfare Department.
- The surveillance will be done w.e.f. May to October, 2017 at fortnightly interval for 05 days per round.
- To undertake analysis of ward-wise database of fever cases, breeding grounds of the 41 ULBs obtained from house to house surveillance during the year 2016 for taking preparatory activities during the month of January to April, 2017.
- The ULB shall undertake excavation of clogged drains and to cover the open drains of the vulnerable wards / areas.
- The ULBs shall maintain cleanliness through regular waste disposal including bio-medical waste.
- The ULBs shall plan for removal of open vat by placing container and cleaning of container regularly by using compactor.
- The ULBs shall organize intensive campaign and wide publicity immediately in line with campaign already taken up by the State Government. Rally, posting of Banner, Hoarding; electronic media, distribution of leaflet, group meeting and other means may be adopted for the purpose.
- The ULB shall take special care of the construction sites, abandoned areas, peri-domestic areas being the most vulnerable mosquito breeding sites.
- The ULB shall involve all the Health facilities like U-PHCs, HAU, Sub-Centres, all the Health man-power like doctors, Health workers and others under Health Programmes i.e. NUHM, UPHCS, CBPHCS & HHW Scheme. Doctors to be assigned ward-wise for monitoring & supervision.
- The ULB shall inspect all the School & College premises, various Central Government & other offices and residential premises, Government & private Hospital premises, factory, commercial places for mosquito breeding sites for taking action.

As Commissioner, Howrah Municipal Corporation did not attend the meeting, OSD, Howrah Municipal Corporation had been briefed on the above mentioned discussion points.

Discussed.

Further to the letter at NSP-6, this is to point out that introduction of family card have been proposed by HLPW Dept which will be signed by one of the family members during home-to-home visit.

As per instruction of the Secretary, UD & MA Dept on date on instruction "to a DRAFT letter is placed herewith for kind approval. Submitted.

NOTE SHEET

Sub. : Proposal of Health & Family Welfare Department for taking up of house to house activity in the ULB during the year 2017 for prevention & Control of Dengue & Chikunguniya.

A meeting was scheduled on 04.01.2017 at 1 p.m. by Health & Family Welfare Department to finalise the action plan of house to house activity in ULBs during 2017 vide communication no. HIB/M/6-D-05-14-001 dt. 02.01.2017 (at Flag - G).

The said meeting was attended by Director, SUDA and Project Officer, Health, SUDA. This is to state that the proposal of SUDA w.r.t. conduct of house to house activity in 104 ULBs (excepting "E" category ULB) have been examined by Health & Family Welfare Department and identified 62 ULBs for taking up house to house activity (placed at Flag - H). The identification of ULBs are based on (a) case load, (b) backward area, (c) densely populated, (d) lower middle class habitats, (e) slum area, (f) contiguous rural area having high case load during 2016, (g) reported dengue zone. It may be seen that continuing ULBs are 38 (03 ULBs namely Ranaghat, Pujali & Gayeshpur have been proposed for discontinuation) and new inclusion proposed for 24 ULBs; thus totaling 62 ULBs.

The house to house activity have been proposed w.e.f. May to October, 2017 at fortnightly interval for 05 days per round - 1st round shall be 1st to 5th and 2nd round 16th to 20th of the month.

Furthermore, it was discussed in the meeting that training will be provided to all the 125 ULBs -- house to house activity will start in 62 ULBs and preparedness will be there for rest of the ULBs so that house to house activity could be started, if any such situation arises.

Submitted for kind approval of the Secretary, UD & MA Department.

Dir SUDA P.O. (#) (20/11)

Sub. : Proposal for long term & short term measures to curb the menace of Dengue in Bidhannagar MC.

Placed herewith communication bearing no. BMC/GS/2016/3193 dt. 22.12.2016 (at Flag – E) on the subject mentioned above.

Remarks w.r.t. long & short term measures as proposed by the ULB are as under :

Long term measures proposed by the ULB	Remarks
Recruitment of an Entomologist.	Proposal bearing no. SUDA-Health/NUHM/431/16/178 dt. 22.11.2016 sent to MD, NHM for placement of Entomologist @ 1 for each of 06 Municipal Corporations (copy is placed at Flag – F).
Establishment of an Entomological Laboratory.	The setting up of laboratory may be thought of on receipt of approval for placement of Entomologist from the DHFW
Outsourcing the service of spraying work for larvicide & adulticide in the wards of erstwhile Rajarhat Gopalpur.	The ULB may take decision in this regard.
Cowsheds or khatalas are posing to be a great source of Health hazards and are indirectly aiding breeding of mosquitoes. Necessary amendments are required to be made in the West Bengal Municipal Corporation Act., 2006 arming the Corporations with powers to dismantle such khatalas.	Necessary instruction may be issued by the UD & MA Department.
Organising sensitization Programme in local school & offices on a regular basis.	The ULB may plan & implement accordingly.

Contd.

- Out of total 125 ULBs, "E" category ULBs having population below 35,000 not included.
- High density of population in the ULBs
- Demographic profile is more or less same in ULBs.
- Disease may spread in contiguous ULBs

If approved, the same may be communicated to MD, NHM.

Director, SUDA

Submitted.

Placed herewith instruction of the Secretary, UD & MA Department, Govt. of west Bengal (at Flag "A").

1. Status on UC for the month of October-2016 relating to House-to-House survey.

This is to state that all the 41 ULBs were requested to submit UC by 20.12.2016 for the month of October-2016. Only 08 ULBs out of 41, have submitted UC. UCs are yet to be received from the rest 33 ULBs. Reminder letter has been issued to the ULBs for such submission.

2. Plan of action for 2017 starting from January, 2017 with regard to Prevention and control of vector borne diseases:

Month	Action
January, 2017	To send list of 104 ULBs and justification for inclusion of 63 more ULBs. (If could not be done by December, 2016) Follow-up with DH&FW wrt proposal submitted and to ascertain source of funding
February, 2017,	To obtain UC from the 125 ULBs relating to fund released by MA Department for procurement of larvicidal & IEC. To obtain UC from 33 ULBs relating to fund released by DHFW for House to House survey
March, 2017	Conduct of Trainer's training for the identified officials of ULBs jointly with DHFW Instruction to ULBs for submission of micro-plan for House to House survey Release of fund to the ULBs for procurement of larvicide & IEC
April, 2017 and onwards	Instruction to the ULBs for conduct of House-to-House survey. Monitoring by SUDA either singly or jointly with officials of DHFW. Feedback to the ULBs and Department

In this context, this is to state that

- A proposal dt. 30.11.2016 (marked at Flag "B") for conduct of House-to-House survey in 104 nos. of ULBs (excepting E category ULBs) instead of previous 41 ULBs was placed to Mission Director, NHM.
- Following to that an email communication of ADHS (Entomologist), NVBDCP, DH & FW has been received (marked at Flag "C") with a request to submit the names of 104 ULBs and reasons for selection of those ULBs.
- Accordingly, the list of 104 ULBs has been prepared and is placed at Flag "D".
- The reasons for selection of those ULBs are as under:

(2)

(3) SUDA has sent a proposal for Entomologists, Project Managers and other support to Municipal Corporations and SUDA from National Urban Health Mission to strengthen the Health Setup.

If approved in principle, SUDA may take up with AID NHM, H&FW Deptt to consider proposals contained in para 14/1. H&FW will pay the funds out of their State Plan funds, as is done at present.

Sub. : Proposal for conduct of house to house visit in Urban Local Bodies for Prevention & Control of Vector Borne Diseases.

This is to state that as per instruction of Health & Family Welfare Department house to house visit had been conducted in 41 ULBs during the period April, 2016 to October, 2016 @ 05 days per month for prevention & control of dengue / chikunguniya. Dengue positive case load is 5969 upto 14.09.2016 in 16 districts as provided by Health & Family Welfare Department.

As per instruction, to combat dengue cases in Urban areas, house to house visit may be extended to 104 no. of Urban Local Bodies (excepting category "E" ULBs) in the year 2017. Furthermore, the house to house visit may be conducted 05 days at a stretch fortnightly instead of 05 days in a month. The fund requirement for such visit in a month is estimated to Rs. 2,65,06,250/- (Rupees Two Crore sixty five lakh six thousand two hundred fifty) only. ULB-wise requirement of fund per month is placed herewith.

Submitted for decision.

Director, SUDA

18.11.16

Note above -

for combating vector borne diseases in urban areas in all ULBs (except E category) in 2017 with 5 days at a stretch house to house visit in each fortnight, an estimate of Rs. 2,65,06,250/- per month has been worked out. It may be mentioned that in 2016, Health & Fw Deptt allotted fund to SUDA for such visit for 5 days in a month during April to October.

If the above proposal is considered Health & Fw Deptt may be intimated accordingly.

22/11/16

Secretary, M.A. Deptt & Chairman, SUDA

HMIC may kindly see the nts.

We may propose to include 104 ULBs to be covered under house to house surveillance - i.e. on vector borne diseases from April to Oct 2017. At present only 41 ULBs are covered.

(2) House to house may be conducted twice in a month, 5 days in each fortnight.
