

Sub. : Visit to Kharagpur Municipality for Dengue surveillance.

The undersigned has to undertake visit to Kharagpur Municipality on 24.08.2017 for the purpose of entomological surveillance in case of Dengue / DHF. The to & fro journey will combine from the residence at Behala (Kolkata - 700 034) to Howrah railway station by hired taxi, followed by train journey from Howrah to Kharagpur and back.

Submitted for kind approval.

Paritosh Adhikari
21.8.17
Entomologist, SUDA

Journey to Kharagpur is necessary for entomological surveillance by the Entomologist. Actual expenditure not to hiring of Taxi, train tickets and refreshment may be approved. Dr. Adhikari may be requested to incur expenditure out of his own pocket, which may be reimbursed on submission of bills/vouchers. The expenditure may be met out of CAPHS fund.

PO. (Health)

Sub. : Review meeting by Director, SUDA on 04.08.2017
on Prevention & Control of Dengue.

Participants :

- 1) Addl. Director, SUDA
- 2) Project Officer, Health, SUDA
- 3) Asstt. Project Officer, Health, SUDA - 02
- 4) Entomologist

All the participants shared their experiences & views on the present scenario of Dengue control in the ULBs. Suggested actions are as under :

- A team of two members will be constituted at SUDA who will interact with the Chairman of the identified high risk ULBs daily over telephone and will take note on the actions taken by the ULB as per format developed for the purpose.
- SUDA will interact with Fisheries Department for obtaining larvaevorus fish for distribution to the ULBs where blocked drains exist.

Accordingly, the list of high risk ULBs identified is given hereunder :
