**Sub: Submission of monthly report of lab functional at U-PHCs under NUHM**

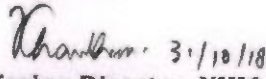

Madam / Sir,

It is important to provide laboratory diagnostics services from each and every U-PHC under NUHM. To ensure the lab services all U-PHCs should have attached laboratory with all essential Lab-Equipments and Lab-Technician in position. A number of ULBs have established laboratory services from their U-PHCs. But a good number of ULBs have yet to be established laboratory services from the functional U-PHCs.

In the above context, all concerned are requested to provide up to date information in prescribed format regarding U-PHC wise functional laboratory services by **1<sup>st</sup> November, 2018**. Report from North 24 Parganas needs to be reached to SPMU by **2<sup>nd</sup> November, 2018**.

Henceforth, the U-PHC wise lab functional report as mentioned above should be sent to SPMU on monthly basis within **9<sup>th</sup> of every month**.

Yours faithfully

Memo No.- HFW-27034/13/2018-CD SEC-Dept. of H&FW/ 1073

Dated- 27/8/2018

**ORDER**

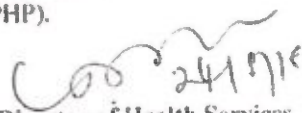

Integrated Disease Surveillance Programme (IDSP) is running in the State of West Bengal since 2007. The programme has been successful in collection, compilation, analysis and generation of early signals for any upsurge of diseases of public health importance in the State till now. Now, systematic and continuous collection of information regarding priority diseases in respect to public health will be extended to the UPHCs.

The State has developed modified and simple formats for collection of 'P' (presumptive/ provisional) & 'L' (laboratory) information using standard case definitions which will be used for implementation of the programme in the Urban areas of the state focusing on 89 ULBs covered under NUHM. The formats have been named as P (UPHC) & L (UPHC) respectively.

The said formats are to be filled up by the UPHC and to be compiled at the ULB level which in turn will have to be submitted to the District Surveillance Unit with a copy to the District Nodal Officer for NUHM. The whole process of dissemination of the Data is to be done in electronic mode only (via e-mail).

The operational guidelines annexed with this order are to be strictly followed.  
 Necessary training and sensitization to be done at the district level at the earliest.

The system will start functioning from the week starting on 02.09.2018 (Week 37 of the year).  
 This order is issued in concurrence of the Mission Director, NHM and Secretary (PHP).

  
 Director of Health Services

**Operational Guidelines for Implementation of Communicable Disease Surveillance in UPHCs under IDSP**

**Introduction:** Integrated Disease Surveillance Programme (IDSP) is running in the State of West Bengal since 2007. The programme has been successful in collection, compilation & analysis of communicable disease data and generation of early signals for any upsurge of such diseases in the State. But, the programme implementation has been restricted only to the Kolkata Municipal Corporation and Medical Colleges of the state as well as rural areas. Now, as National Urban Health Mission has already been expanded to the 89 ULBs of the state, systematic and continuous collection of information regarding priority diseases in respect to the public health and generation of early signals of any upsurge is feasible through the UPHCs and laboratory services present there.

**Tool:** The State has developed, by improvisation of IDSP Forms, simple formats for collection of probable cases ('P') & confirmed case information ('L') based on standard case definitions. The 'P (UPHC)' probable formats are designed to collect the diseases with probable diagnosis (Provisional Diagnosis) and 'L (UPHC)' laboratory formats are designed to collect the test results from the laboratories of the UPHCs. The formats are in MS Excel. Data of the reporting week and the previous 4 weeks as well will be shown in 5 columns side by side in order to grasp any recent change in disease trend.

**Flow of Information (Report):** The 'P (UPHC)' formats are to be filled up by the respective UPHC on the basis of provisional/ presumptive diagnosis (made by the MO-s) recorded in the OPD Register and the same from all the UPHC-s are to be compiled at the ULB level which in turn will be submitted to the District Surveillance Unit. Similarly the 'L (UPHC)' formats are to be filled up by the Laboratory Technician of the UPHC – on the basis of the Lab Register and to be compiled at the ULB level which in turn will be submitted to the District Surveillance Unit. The whole process of dissemination of the data is to be done in electronic mode only (via e-mail). The District Surveillance Unit will send compiled report to State Surveillance Unit.

**Reporting Period:** The period of reporting will be from Sunday to Saturday of each week. The report is to be prepared on Monday every week and to be submitted to the ULB through e-mail. The ULB will compile the report on Tuesday and will send the report to DSU within every Wednesday positively through e-mail.

**Training:** The District Surveillance Officer (Dy. CMOH-II) and the District Nodal Officer, NUHM will arrange for sensitization/training of the key persons of the UPHCs and ULBs at the earliest. The review meeting of NUHM may be utilized for the same. The case definitions of the diseases are to be shared with the MO, UPHC and HO, ULB. For districts with high number of ULBs, separate day(s) for training may be arranged.

Receipt No : 310661/2018/CD SEC

**Accountability:**

UPHC Level: The Clerk cum DEO of the UPHC will be accountable for preparation of the P Form at the UPHC level and LT, NUHM will be accountable for preparation of the L Form. The UPHCs where such post is remaining vacant will fix a proper manpower accountable for this purpose. The name with contact details of the accountable person is to be shared with the ULB, DSU and District Nodal Officer (NUHM).

ULB Level: The Monitoring / Public Health Managers of the ULBs will be accountable for compilation of the reports (both P and L Forms) at the ULB level and sending the same to the DSU. In the ULBs where the post of Public Health Managers are remaining vacant, a suitable person has to be assigned for this purpose by Health Officer of the ULB and his / her name has to be sent to the DSU and the District Nodal Officer (NUHM).

**Analysis and Feedback:** The analysis has to be done at the DSU level like that of the rural weekly reporting and identification of the early signals of upsurge or clustering of any disease under surveillance has to be communicated back to the ULB. The compiled data in the improvised P and L forms have to be sent by the DSU to the SSU along with the routine IDSP reporting but as a separate MS Excel file.

Sub : Recruitment of retired Medical Officers/Staff Nurses under NUHM without any post reservation

Madam / Sir,

In reference to the above subject, I am to inform you that reservation roster (100 point roster) will not be applicable for recruitment of retired Medical Officer (Full-time) and retired Staff Nurse under NUHM by District Health & Family Welfare Samity and ULBs (in case of recruitment of PTMO). You are requested to put out a separate advertisement for retired Medical Officers (Full-time & Part-time) and Staff Nurses for rest of the vacancies immediately. This is an interim arrangement till such time the posts are filled up through engagement of fresh candidates. This is circulated with the approval of Mission Director, NHM & Secretary, Health & Family Welfare Department.

All concerned are being informed.

Yours faithfully,

*Choudhury*

& Joint Secretary to the Government of West Bengal  
Health & Family Welfare Department

**To :** 1. Director, SUDA  
2. Chief Medical Officer of Health (all districts)

**Sub :** Sample OPD Ticket under NUHM.

Madam / Sir,

A uniform format for OPD ticket is prepared at state level for use at U-PHCs under NUHM. You are requested to share the format (enclosed here with as Annexure - I) with all concerned. The ULB logo is to be put in proper place (allotted for logo of ULB) and OPD ticket may be printed as per the requirement. Expenditure incurred will be booked under head IEC-BCC (FMR Code P.04.06). If enough fund is not available under IEC head, fund under Untied grant for U-PHC (FMR Code P.04.03.04) may be utilised for the purpose.

Yours faithfully,

*D. Banerjee*

Sub: Implementation of HIV Screening of Pregnant women in UPHCs/UHCs and data reporting in HMIS portal.

Reference: SUDA-Health/NUHM/411(Pt.III)/17/39(88) dated 12.06.2018

Sir,

With reference to the above mentioned subject, this is to state that the training for Whole Blood Finger Prick Test (WBFPT) has been already conducted by DH&FW, Howrah on 13<sup>th</sup> June 2018. HIV screening kit has been distributed and started in all the UPHC from the month of August, 2018 officially.

HIV Screening of pregnant women's will be conducted during outreach sessions as well and data will be reflected in HMIS portal from Aug, 2018 onwards.

This is for your information and perusal please.

Thanking You,

Sd/-

**Resolution of monthly NUHM review meeting with  
State Urban Development Agency (SUDA)**

**Date:** 4<sup>th</sup> July, 2018

**Venue:** 2nd floor, Conference hall, NHM Building, Swasthya Bhawan Campus, Kolkata.

A meeting was held on 4<sup>th</sup> July, 2018 to review the implementation status of NUHM of 6 Municipal Corporations (Asansol, Bidhannagar, Chandannagar, Durgapur, Howrah, Siliguri) under State Urban Development Agency.

**Participants of the meeting:**

1. Dr. Tapan Kr. Saha, State Nodal Officer, NUHM, West Bengal.
2. Dr. Shibani Goswami, P.O (Health), SUDA.
3. Dr. Srabani (Pal) Chowdhury, Consultant (M.&E), NUHM.
4. Atanu Ghosh. State Health MIS Manager, NUHM.
5. Dr. Swagata Mukherjee. Nodal Officer, NUHM, HMC.
6. Anirban Sen, Urban Health Planning & Monitoring Manager, NUHM, HMC.
7. Debasish Mondal, Urban Health Planning & Monitoring Manager, NUHM, HMC.

**Following decisions were taken in the meeting:**

1. At the beginning of the meeting overall performance of 6 Municipal Corporations under NUHM was reviewed. It is observed that out of 23 U-PHCs in Asansol Municipal Corporation 6 are still non-functional, so it was decided that Asansol Municipal Corporation will be requested to attend the review meeting in next month.
2. Howrah Municipal Corporation was requested to recruit Part time Medical Officer on urgent basis.
3. In connection to a request from the state, regarding display of IEC material for NUHM, Howrah Municipal Corporation informed that they have arranged for IEC through leaflet and banner. In this regard they were requested to display IEC material for all programme component at all the U-PHCs in consultation with District.
4. It was mentioned in the meeting that there is an acute shortage of fund under NUHM in Howrah Municipal Corporation. SUDA was requested to disburse the fund to Howrah Municipal corporation with immediate effect as fund has already been released to SUDA.

Meetings were concluded with thanks from and to the chair and all concerned were requested to take necessary steps as per issues resolved in the meeting.

## **Financial Guide line for Special Outreach session and Urban Health and Nutrition Day (UHND)**

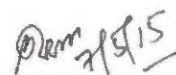

### **Special Outreach**

Outreach sessions are to be planned to reach out to the slum and vulnerable population like rag pickers, sex workers, brick kiln workers, street children and rickshaw pullers etc. Site for the outreach sessions should be carefully selected so that the target population can be served in better way. Three sessions are to be organised per U-PHC per month. MO in-charge of the PHC will organise the sessions. Front line worker like ANM and FTS, HHW, will facilitate the session in association with other health professionals like doctors / pharmacist / technicians / nurses – government or private. Date and site of the sessions will have to be fixed well in advance and the target population should be informed properly well in advance.

Through these sessions all range of services will be provided (Preventive, Promotive and Curative). It will include screening of disease, treatment and follow-up, basic lab investigations (using portable /disposable kits), drug dispensing, and counselling etc. Specialist services can be provided according to the need of the target population. For example if we plan a special outreach session in an area where there is a group of rag pickers in a slum, then we may arrange a skin specialist on daily payment basis for that session only. A sum of Rs. 5000.00 is the allotted for conducting each Special Outreach session. This amount may be utilised for hiring vehicle, purchasing medicine, payment for specialist doctors & other health professionals if taken from private sector, IEC for the session, cleaning of the session site etc.

### **Urban Health and Nutrition Day (UHND)**

A detailed guide line for Urban Health and Nutrition Day has already been shared with all concerned. A sum of Rs. 250.00 is allotted for conducting each UHND session. This amount may be utilised for refreshment of beneficiaries, mobility of the vaccinator other than ANM, IEC, cleaning of session site, vaccine delivery etc.

Sub: Non functional U-PHCs under NUHM

Sir/Madam,

A considerable time has already been passed since the approval of 458 U- PHCs (excluding Kalimpong Municipality) under NUHM in West Bengal. Out of total approval 17 are still non-functioning. It is a matter of serious concern and can not be allowed to continue further. You are therefore requested to discuss with the concern ULBs, sort-out the bottleneck and take all necessary arrangements so that these 17 U-PHCs can be made functional by 30th June 2018.

ULB wise list of non-functional U-PHCs is attached as annexure-I.

Yours faithfully,

Memo No. HFW-27038/40/2018-NHM SEC-Dept. of H&FW/2804

Date: 29/05/2018

**From : Addl. Mission Director, NHM**  
Government of West Bengal

**To: 1) Director,**  
State Urban Development Agency (SUDA)  
West Bengal  
**2) Chief Medical Officer of Health, (All Districts)**

Sir,

You are aware of the fact that laboratory service is one of the mandatory components of the Urban Primary Health Centres (U-PHCs) under NUHM. Till date in West Bengal 441 U-PHCs are functional under NUHM. Laboratory tests are being done at 228 U-PHCs. It is observed that the lab-tests are not being done in some functional U-PHCs where Lab Tech are in position but equipment are yet to be procured.

You are therefore requested to provide the information regarding procurement of laboratory equipment for all functional U-PHCs in prescribed format within 31st May, 2018.

**Format of renovated U-PHCs:**

District	ULB	Name of U-PHC functional	Whether lab-equipment is procured (Yes/ No)	Please show the reason, if procurement is not done.

**Format for newly constructed U-PHCs:**

District	ULB	Name of U-PHC functional	Whether lab-equipment is procured (Yes/ No)	Please show the reason, if procurement is not done.

Memo No. HFW/NUHM-704/2015/2713

Date: 23.05.2018

From : Addl. Mission Director, NHM  
Government of West Bengal

To: Chief Medical Officer of Health(all districts)  
Government of West Bengal

Sub: Guideline of referral linkage under NUHM  
Ref No. HFW / NUHM - 706/2015 / 313 dt 01/02/15

Madam / Sir,

The National Urban Health Mission (NUHM) is being implemented in West Bengal with the objective of improving the health status of the urban population, especially the urban poor and other vulnerable sections. Under NUHM, both preventive and curative services are being provided through newly formed U-PHC. Antenatal services will also be provided through U-PHCs. Antenatal mothers will register their name at Health Facility/U-PHC, avail all the antenatal services there, MCP Card along with JSY (if eligible) will also be issued from U-PHC but as U-PHC is a non bedded facility an active, strong referral linkage system is to be established from U-PHC to FRU/secondary/tertiary level health unit.

Department of Health and Family Welfare, Govt. of West Bengal has prepared an indicative guideline for referring patients from lower tier to higher tier for appropriate and further treatment and proper management (Ref No. HFW/NUHM-706/2015 /313 dt 01/02/15) which was previously shared with you. You are requested to prepare a detailed referral chain mentioning the name of facilities for your own district in prescribed format given below and share the same through e-mail at: [spmu.nuhm@gmail.com](mailto:spmu.nuhm@gmail.com) within 10<sup>th</sup> April, 2018.

Name of District	Name of ULB	Name of U-PHC	Name of FRU (MH/Municipality Hospital)	Name of 2nd tier referral facility	Name of 3rd tier referral facility

Enclose: 1. Guideline for referral linkage.

Yours faithfully,

*Anandinda Chatterjee*  
Addl. Mission Director, NHM  
Government of West Bengal

Memo No. HFW/NUHM-704/2015/2713/1(5)

Date: 23.05.2018

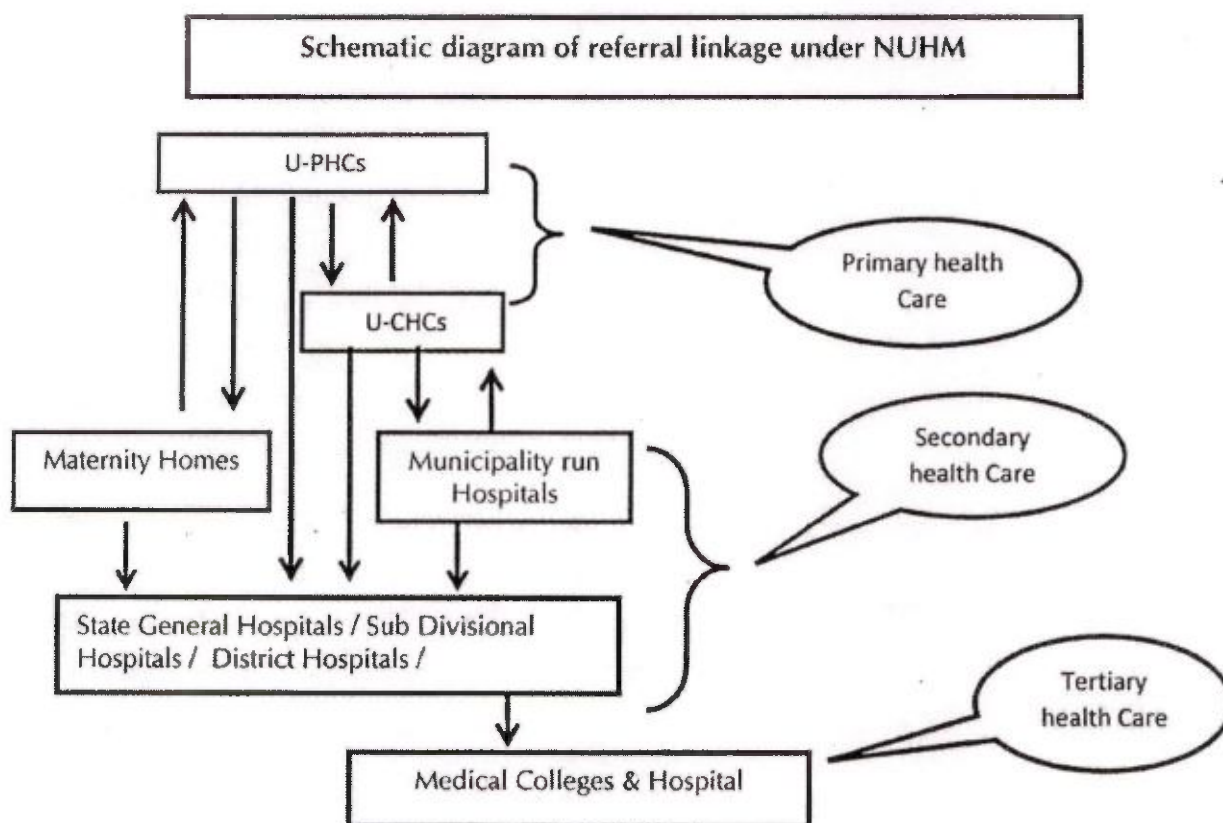

Copy forwarded for information and necessary action to:

1. **Director**, State Urban Development Agency (SUDA), Government of West Bengal
2. **Commissioner** (Howrah/Durgapur/Asansol/Siliguri/Chandannagar/Bidhannagar) Municipal Corporation.
3. **Chairperson**, all concerned Municipalities under NUHM
4. **IT Cell**, Swasthya Bhawan for Web-posting
5. Guard file

*Ananda Kumar*  
Addl. Mission Director, NHM  
Government of West Bengal

### Guideline for referral linkage under NUHM

The National Urban Health Mission (NUHM) is being implemented in 89 ULBs in West Bengal with the objective of improving the health status of the urban population, especially the urban poor, and other vulnerable sections. Under the NUHM, both preventive and curative services are being provided through the Urban Primary Health Centre (U-PHC) and the Urban Community Health Centre (CHC). These facilities would be in addition to the existing facilities like SDH/DH to cater health care to urban population. A strong referral linkage will have to be established among the Urban Primary Health Centres (U-PHCs), Urban Community Health Centres (U-CHCs), Maternity Homes, Municipality run hospitals and Secondary & Tertiary health care facilities (State General Hospitals, Sub-Divisional Hospitals, District Hospitals and Medical Colleges) run by the State Government to address the health problems of the urban population. To establish the referral linkage following arrangement will have to be considered.

*Pam*  
State Nodal Officer, NUHM  
West Bengal

First contact point between the health care provider and beneficiaries:

**Urban Primary Health Centre (U-PHC):** U-PHC is the non-bedded primary health care facility. Patients who need IPD services or pregnant women who need supports for institutional delivery may be referred from U-PHCs to the nearest U-CHCs or Maternity Homes depending upon the nature of problem of the patients, using referral slips. Referral slips will have to be issued by the on-duty Medical Officers of U-PHCs (Annexure-I). At the U-PHCs, attending Medical officers will fill-up and sign referral slips which will be handed over to the referred patient for production at the first referral point i.e., U-CHCs / Maternity Homes. A line list of referred-out patients has to be maintained at U-PHC level in prescribed register (Annexure-II). It is to be noted here that in absence of MH /U-CHC patients from U-PHC may directly be referred to secondary level care unit.

**First referral unit:**

**(U-CHCs and MH):** Urban Community Health Centre / Maternity Home- These are first referral unit in the referral linkage of urban health care delivery system.

Patients referred from the U-PHCs will get specialized services as mentioned above from the U-CHC. U-CHCs may also refer back the patients to nearest U-PHCs for getting follow-up treatment. As for example patients suffering from Diabetes or Hypertension (NCD) will get medicines from the U-PHC on regular basis after initial check-up from U-CHC. Patients from U-CHC will be referred to secondary care hospital like Municipality-run-hospitals, State General Hospitals, Sub-Divisional Hospitals, and District Hospital etc. A line list of referred-out patients has to be maintained at U-CHC level in prescribed register (Annexure-II).

**Maternity home:** Maternity Homes provide the services of delivery to pregnant women including CS. It also provides pre-natal and post-natal care and immunization support etc. Patients from Maternity Home will be referred to nearest secondary level health care facilities like the Municipality run Hospitals / SGHs / SDHs / DHs. A line list of referred-out patients (Annexure-II) has to be maintained by the Maternity Homes in prescribed register.

State Nodal Officer, NUHM  
West Bengal

Secondary and tertiary level referral unit:

(Municipality-run-hospitals / State General Hospitals / Sub-Divisional Hospitals / District Hospital):

Patients from U-PHCs, U-CHCs and Maternity Home will be referred to secondary tier hospital considering condition of patients and available specialised services in the institution. Patients will be referred from the secondary health care facilities to Medical Colleges or any other government tertiary health care facilities for getting tertiary level care observing the same norms as for the secondary level hospital for getting appropriate support.

1. CMOHs of the districts will prepare a referral chain for their own district from U-PHC level to secondary or tertiary care health level health facilities considering the availability of specialised services at different facilities.
2. Patients will be referred from the U-PHC / U-CHC/ Maternity Home for secondary Health care or critical care to nearest Municipality run hospitals / State General Hospitals / Sub-divisional Hospitals / District Hospitals depending upon the nature of illness of patients and availability of specialised services in the referred facilities.
3. Referral slips will have to be issued by the on-duty Medical Officers (Annexure-I). Medical Officers will filled-up and sign referral slips which will be handed over to the referred patient for production at the referred unit. A line list of referred-out patients has to be maintained at every point (Annexure-II).
4. MSVP of Medical Colleges and Superintendents of hospitals will assign Assistant Superintendent /Medical Officer for their institutions to act as the Nodal Officer for supervision of referral system at their respective facility.

A record of such referral will be available with the Nodal Officer for review and follow-up action.

6. According to the condition of the patients attending Medical Officers may refer patient to any higher facility, skipping next one. It is to be noted that this short of referral must be justified according to the patient's need.

## NUHM in West Bengal

National Urban Health Mission (NUHM) started functioning as a sub-mission under the National Health Mission (NHM) in 2013, National Rural Health Mission (NRHM) being the other sub-mission. NUHM seeks to improve the health status of the urban population having high focus on Urban Poor living in listed and unlisted slums and all other vulnerable population such as homeless, rag-pickers, street children, rickshaw pullers, construction and brick kiln workers, sex workers, and other temporary migrants through facilitating equitable access to available health facilities by rationalizing and strengthening of the existing capacity of health delivery for improving the health status of the urban poor.

In West Bengal activity under National Urban Health Mission (NUHM) has been initiated as per approved State PIP since February 2014 to strengthen the Primary Health Care delivery system in urban area. For effective implementation of the programme, Department of Health & Family Welfare, Government of West Bengal has finalised modalities regarding implementation strategy, fund flow to the ULBs under NUHM, opening of bank account, formation of City Urban Health Society for all the Municipal Corporations, procurement of Drugs and equipment, new construction, repair and renovation and recruitment of HR.

Till date NUHM covered 88 Urban Local Bodies (ULBs) having population of 50,000 and more (as per census 2011), in phased manner.

Nature of Cities	No. of Cities	Year of inclusion under NUHM
Metro cities	1	2013-16
Municipal Corporation (except Kolkata)	6	Detailed list of ULBs along with the year of inclusion is enclosed in Annexure-I
Municipalities	82	
Total	89	

- **Fund flow-** State Health & Family Welfare Samity release fund for Municipal Corporations (MC) other than Kolkata (Siliguri, Asansol, Durgapur, Chandannagar and Howrah) to SUDA. SUDA disburses fund to these MCs as per requirement. The Municipal Corporations are to submit monthly Statement of Expenditure (SOE) and quarterly Utilisation Certificate (UC) to SUDA. SUDA submits quarterly UC to State Health & Family Welfare Samity. Separate bank accounts have been opened and maintained by Municipal Corporations for fund under NUHM. Fund for all the Municipalities are released to the concerned DHFWSs. DHFWSs release fund to respective Municipalities as per requirement.
- **Establishment of Urban Primary Health Centre (U-PHC) –** One Urban Primary Health Centre (U-PHC) is for 50,000-60,000 urban population. Under NUHM 458 U-PHCs have been sanctioned till date. Out of sanctioned 426 U-PHCs are already functional. Both preventive and curative services are being provided through these Urban Primary Health Centre (U-PHC).

- **OPD attendance in FY 2016-17 & 2017-18:**

2016-17	2017-18
2540406	5528780

- **Outreach Services-** Outreach services we provide under NUHM are (1) Urban Health & Nutrition day (UHND) and (2) Special Outreach Camps.

- **Performance of UHND in FY 2016-17 & 2017-18**

Year	Target	Achievement
2016-17	212352	78882
2017-18	213336	117017

- Performance of Special Outreach in FY 2016-17 & 2017-18

Year	Target	Achievement
2016-17	16488	6240
2017-18	16524	8815

- **Strengthening of Infrastructure under NUHM-** Out of 458 U-PHCs sanctioned under NUHM 169 are new construction and 289 are renovation of existing structure.
- **HR recruitment** – To support the infrastructure, number of HR have been approved. Details of HR is enclosed as Annexure-II. For recruitment of HR, we have prepared the ToR, finalise it and as per approval of the competent authority. The HR recruitment has been started and good number are in position. The details are as follows.

- HR recruitment status under NUHM are as follows:

Category of HR	Approved (as per RoP 2016-17)	In position	% of in Position	Approved (as per RoP 2017-18)	In position	% of in Position
PMU	212	82	39%	217	115	53%
Clinical	891	530	59%	893	618	69%

- **GIS map under NUHM** – It was mandatory to prepare GIS map for the Municipal Corporations and Municipalities, which were approved under NUHM. In response to request from Health & Family Welfare Department, the Department of Science & Technology has agreed to prepare GIS map for the selected ULBs. Till date out of 88 GIS map to be prepare 30 are completed. By the end of this financial year it is targeted to complete 58 GIS map and rest will be completed in the next financial year. *88 completed as on March, 2018*
- **Financial details** - The details of the fund received and expenditure under NUHM is given in the table below

Financial Year	Fund Received (Rs. in Lakh)	Expenditure (Rs. in Lakh)
2016-17	0.00	11042.47
2017-18	6810.14	16248.62
<b>Total</b>	<b>6810.14</b>	<b>27291.09</b>

Sub: - Inclusion of Dombkal Municipality Under NUHM.

Placed herewith comm. bearing no. 54/Dom. Mun/18 dt. 31.01.18 of the Executive officer, Dombkal Municipality with a request for inclusion of the URB Under NUHM.

This is to state that NUHM covers the URB, whose poplu. is 50,000 & above and District towns even if the poplu. is less than 50,000. Dombkal is a new Municipality as is having poplu. 121827 as per 2011 census, as stated by the EO. Hence, the proposal may be sent to NUHM, DPHW for taking further necessary action in this regard.

Draft letter is placed herewith for signature, if approved.

Sub: - Incorporation of National Urban Health Mission (NUHM) in newly formed Domkal Municipality and submission of documents / information for preparation of Project Implementation Plan (P.I.P)

Ref – Your earlier Memo No : - SUDA – Health/571/16/165, Dated – 20.10.2016

Sir/Madam,

You are aware that Domkal is a newly constituted municipality and started functioning independently with effect from June, 2017, after two years from its inception and taking over charge from administrator and Sub – Divisional Officer, Domkal.

We are having no health infrastructure at our ULB but demand for providing quality primary Health care services to the urban poor populations specially the urban poor and other vulnerable section of society is very high. Besides providing day to day health services, survey work for House to House visit for control and prevention of Vector Borne Diseases, monitoring of Intensive Pulse Polio immunization programme, etc, is a mandatory demand of the local people as well as Govt. order.

In the light of above you are requested to take appropriate action so that Domkal Municipality comes under purview of NUHM and infrastructure, human resource and other logistic supports is accordingly developed.

Herewith furnishing documents/information (enclosed) for onward transmission to Health and Family Welfare Department for Preparation of Project Implementation Plan (P.I.P) .

1. Population (as per 2011 census) : 121827 (One lack twenty one thousand eight hundred twenty seven only )
2. No. of wards : 21 No`s
3. No. of Slums : 21 No`s ( Non- notified)

4. No. of slum house hold : 6457 No's
5. No of Slum Population : 25828 No's
6. Digital Map of ULB showing ward and Health facilities i.e. Sub – centre, urban health centre, diagnostic centre, Maternity Home, Hospital, Anganwadi Centre.

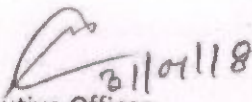

---Enclosed along with soft copy of lists.

At last this is to reiterate that since population of our ULB is much more than 50,000, We are very much entitled for being enlisted under NUHM in absence of which we are unable to provide proper health services to the deserving people of the locality.

Hoping your kind consideration and necessary co-operation at the earliest.

Yours faithfully,

Encl: - As stated

Sub: NITI Aayog's NGO-Darpan Portal

Sir,

As you know that the Unique Identification generated from NGO Darpan is a mandatory requirement for processing of financial sanction for grant to NGOs.

Also, Department of Expenditure, Ministry of Finance, GoI has now conveyed that the PFMS software has been modified so that no financial sanctions will be generated in PFMS in absence of the unique ID for NGO, generated through NGO Darpan Portal.

Now, vide D.O No. Z.28019/45/2016-NGO dt. 8<sup>th</sup> December, 2017, Dr. Manohar Agnani, IAS, the Joint Secretary, MoH&FW, GoI has requested that all NGOs partnering with the State under NHM to get themselves registered with NHO Darpan portal at the earliest (copy attached herewith for your ready reference).

Hence, you are requested kindly to make sure all the NGOs working under the different programmes get registered in NGO Darpan portal.

Also, you are requested kindly to share the list of NGOs along with Unique Identification numbers of all the NGOs at [ponrhmwb@gmail.com](mailto:ponrhmwb@gmail.com) latest by 31<sup>st</sup> January, 2018.

Enclosure: As mentioned above

OFFICE MEMORANDUM

Subject: Use of NGO-Darpan Portal unique ID in PFMS.

NITI Aayog and MEITY have developed the NGO-Darpan Portal, which is an integrated portal for maintaining database and for receiving and processing the applications of NGOs, as well as release of grants by various Ministries. It has been decided by Niti Aayog that all NGOs must be registered on NGO Darpan and obtain Unique Identification before submitting their applications for grants from any Ministry. The Ministries should process the proposals for grants and releases to NGOs only through this portal.

2. It has now been decided that the Unique Identification generated from NGO Darpan will be a mandatory requirement for processing of financial sanction for grant to an NGO. The Agency Registration module and Sanction module of PFMS have accordingly been modified. The financial sanction module will be available for bill preparation only after the Unique Identification (Id) generated by NGO Darpan is provided at the time of sanction generation. In other words, the financial sanction will not be generated in PFMS in the absence of Unique ID for an NGO, generated through NGO Darpan portal. A brief on the process/ steps in PFMS is attached.

3. This Issues with the approval of the Finance Secretary.

(Sofia Dahiya)

Jt. Controller General of Accounts, PFMS

- 1. All the Secretaries to the Government of India.

## Changes in PFMS for release of Grants in context of NGO Darpan Unique ID

There are two main changes in PFMS functionality with reference to financial sanctions to NGOs:

- Registration of the NGO with the Darpan ID
- Generation of Financial Sanctions for release of grant to the NGO by the concerned Ministries/Program Division.

### **1 Agency Registration : (of the NGO) with NGO Darpan ID**

- 1 Agency registration may be done for a new or an existing NGO with Darpan ID (it may be noted that the agency type for NGOs in PFMS is 'Registered societies (NGOs)').

When a new NGO user is registering for the first time on PFMS, he can do so by going to the PFMS Portal home page@ <https://pfms.nic.in/users/logindetails/login.aspx> . For registration, he will click on 'Registered Agencies' link and proceed with filling the 'agency details' form. Here, he will select the type of agency as 'Registered societies (NGOs)', he will now be asked to fill in relevant details of the NGO such as PAN Number, NGO Name etc. One of the fields will ask for NGO Darpan ID. Here if the NGO Darpan ID already exists with the NGO, he will key in the same. Thereafter he would click on the tab called 'Get NGO Details'. Once the tab is clicked, information will be sought by PFMS from NGO Darpan Portal for accuracy of the ID. If the ID is correct, (as verified by NGO Darpan Portal through a web service) the relevant details of the NGO as available in the NGO Darpan Portal will be automatically populated in the relevant fields on the 'agency details' form on PFMS portal. However, if ID is not accurate a message will be flashed informing the same. The correct ID will need to be entered. If the NGO does not have a NGO Darpan ID, he should first register on NGO Darpan Portal and then revisit PFMS Portal for Agency Registration.

2. For NGOs which are already registered as agencies on PFMS Portal, there is a provision for keying in their unique NGO Darpan ID. The NGO user needs to first login into PFMS. Thereafter through the 'agency' tab in the main menu (sub menu: 'Manage Other Agencies'), he may edit agency details in the 'Manage Agency Form' and enter the NGO Darpan ID. Thereafter the process (for ID verification through web service) is same as detailed in the point number 1 for new agency registration.

The NGO Darpan ID for an existing NGO already registered on PFMS can also be edited by the respective Program Division(PD) in their login IDs. The PD user may login into PFMS. Thereafter through the agency tab in the main menu, the NGO Darpan Unique ID can be filled in the relevant field by using the edit detail tab in the 'Manage Agency Form'. Thereafter,

this edit request will go to Pr.AO for approval. Once Pr.AO approves the same, NGO Darpan ID shall be stored in PFMS database.

**II. Blocking of Financial Sanctions in absence of NGO Darpan ID :**

While creating Financial Sanctions for grant to an NGO, the Program Division will create the sanction as per the existing process in PFMS. If the sanction is for grants to an NGO (the agency type selected on the sanction form being 'Registered Societies (NGOs)', the moment the PD user clicks on 'Create Sanction Tab', PFMS application would invoke a validation wherein the NGO Darpan Unique Id of that particular NGO will be verified from the PFMS database. This ID would have been stored in the PFMS data base when the NGO user entered its NGO Darpan Unique ID in PFMS at the time of registration or subsequent editing. If this ID is available in the PFMS data base, the PD user will be permitted to create sanction and the next form (for sanction finalisation) will appear on his screen. If however, the NGO Darpan Unique ID is not available in the PFMS database, the PD user will not be permitted to create a sanction and a message will flash on the screen informing the user about this. Thereafter the user will need to key in NGO Darpan Unique ID as explained in step (1) and (2) above. The sanction will be generated in PFMS only after a valid NGO Darpan Id has been stored in PFMS database.

*(For further details, the user manual (with step wise screen shots) on PFMS portal may be referred to)*

Nirman Bhawan, New Delhi - 110011

D.O.No.Z-18019/45/2016-NGO  
Dated the 29<sup>th</sup> September, 2016

As you are aware that under NHM, States/UTs have the flexibility to obtain assistance of Non-Government Organizations/Voluntary Organisations (NGOs/VOs) to carry out various activities.

In this regard, I would like to inform you that as per the Common Guidelines for implementation of Centrally Sponsored Schemes (CSS)/Central Sector(CS) schemes through NGOs issued by NITI Aayog (Available at URL <http://ngo.india.gov.in/ngo/commonguidelines.pdf>), all NGOs/VOs are required to register and obtain a Unique ID through the portal NGO-DARPAN. It has further been decided that under all CS/CS, the proposals for grants and releases to NGOs should also be processed only through this portal. For this purpose, NITI Aayog has developed the NGO-Partnership System (NGO-PS) Portal (NGO-DARPAN) (URL:<http://ngo.india.gov.in/auth/default.php>).

In view of above, I would request you to direct all NGOs/VOs partnering with your State/UT under NHM or any other CSS/CS to register themselves on NITI Aayog's NGO-DARPAN Portal at the earliest, but not later than 31.10.2016.

Further, I would also like to inform you that **no funds under NHM should be released to NGOs/VOs which do not have the Unique ID obtained through NGO-DARPAN Portal.** In case any such payment is made, then the payment will be treated as an unauthorized payment. Hence, necessary instructions may be issued to all offices concerned.

TOP PRIORITY MAY KINDLY BE ACCORDED.

Yours sincerely,

Sd/-

Sir,

This is to inform you that the schedule OPD time of U-PHC is from 9:00 A.M to 2:00 P.M (6 days in a week) or the last patients is served whichever is later as per order vide No. HF/O/GA/1963/W-153/11, dated: 26<sup>th</sup> July, 2011 issued by the Principal Secretary, Health & Family Welfare Department, Govt. of West Bengal.

If it is required to change the standard OPD timings, approvals are to be taken from the concerned CMOHs, explaining proper reasons for this change and exact benefits the patient will receive. The CMOHs will communicate revised OPD timing to the undersigned for information.

Yours faithfully,

Memo No. HFW/NUHM-832/2017/3231

Date: 13.12.2017

ORDER

As per decision of Competent Authority, existing Community Health Workers (HHW & FTS) are continuing under NUHM. The activity of HHW is similar to that of ASHA and are being utilised against the sanctioned number of ASHA. The FTS will function as ASHA Facilitator and will supervise HHW and ASHA, where ASHA will be engaged.

At the District level, the District ASHA Facilitator (DAF) under National Health Mission (NHM) will look after the HHW/FTS/ASHA. DAFs are responsible for entire ASHA related works for rural and urban area of their districts.

  
Mission Director, NHM

Memo No. H/SFWB/28R-02-2012/4806

Date: 21/08/2014

From: Sanghamitra Ghosh  
Mission Director, NHM,  
Health and Family Welfare Department,  
Government of West Bengal.

To: 1. Director State Urban Development Agency &  
Ex-officio Jt. Secretary Govt. of West Bengal  
Department of Municipal Affairs

2. The Chief Medical Officer of Health (All district)

Sir,

Activity under National Urban Health Mission (NUHM) has been initiated as per approved State PIP to strengthen the Primary Health Care delivery system in urban area. For effective implementation of the programme, Department of Health & Family Welfare, WB has finalised following modalities to be followed by all concerned.

1. **Fund flow to the ULBS under NUHM and opening of bank account:** Fund for Municipal Corporations (MC) other than Kolkata (Siliguri, Asansol, Durgapur, Chandannagar and Howrah) will be released to SUDA by the State Health & Family Welfare Samity. SUDA will release fund to these MCs as per requirement. The Municipal Corporations will submit monthly Statement of Expenditure (SOE) and quarterly Utilisation Certificate (UC) to SUDA. SUDA will submit quarterly UC to State Health & Family Welfare Samity. Separate bank accounts are to be maintained by Municipal Corporations for fund under NUHM. Kolkata Municipal Corporation (KMC) will receive fund directly from the State Health & Family Welfare Samity.

Fund for all the Municipalities will be released to CMOHs (District Health & Family Welfare Samity). CMOHs will release fund to respective Municipalities as per requirement. These Municipalities will submit monthly Statement of Expenditure (SOE) and quarterly Utilisation Certificate (UC) to the respective CMOHs. CMOHs will submit quarterly UC to State Health & Family Welfare Samity. Separate Bank Account will be maintained by the Municipalities for the fund under NUHM.

Director SUDA is requested to facilitate the opening of Bank account by the concerned Municipal Corporations. Similarly the CMOHs are requested to facilitate the opening of Bank account by the concerned Municipalities.

2. **Formation of City Urban Health Society:** As per NUHM Implementation Framework (no. L. 19017/1/2008-UH), the Municipal Corporations (MC) (Siliguri, Asansol, Durgapur, Chandannagar and Howrah & Kolkata) are required to form a City Urban Health Society which is to be registered under Certificate of Registration of Societies, West Bengal Act XXVI of 1961. The title of the society will be " ——— (name of the city) Urban Health Society". At the city level, the management of NUHM activities will be coordinated by the said Society headed by the Mayor of respective MC. District Magistrate (DM)/Sub divisional Officer (SDO) or their representative will be the member of the society depending on the nature of city, whether it is a District or Sub divisional Headquarters.

The structure of the society is as follows.

i. Chairman	: Mayor of the Municipal Corporation
ii. Vice Chairman	: Commissioner/Secretary of MC
iii. Vice Chairman	: Mayor-in-Council, Health
iv. Secretary cum Convener	: Health Officer
v. Treasurer	: Accounts Officer/Finance Officer
vi. Member	: Representative of DM/SDO
vii. Member	: Dy. CMOH-I in District/ACMOH of the Sub division
viii. Member	: Superintendent of the Hospital (District /Sub-Divisional Hospital)

If required additional number of members may be included as per requirement.

Director SUDA may be requested to send necessary directives to the MCs for formation of society. For Municipalities the District Health & Family Welfare Samity will coordinate and monitor the NUHM activities.

3. **Procurement of Drugs and equipments:** The CMOH of the district will procure drugs and equipments for the U-PHC and CHC run under NUHM for the Municipalities. The MO in-charge of the U-PHC and CHC will place quarterly indent to respective CMOH through their ULBS and CMOH will supply the stock accordingly.

Out of total amount approved for drugs for a particular municipality, CMOH of the concerned district will purchase medicines with the 80% fund earmarked for medicine. Rest 20% of the fund will be transferred to concerned ULB for emergency drug procurement by the ULB for the U-PHCs and U-CHS under NUHM.

4. **New construction, repair and renovation:** U-PHCs may be constructed as per the model drawing prepared by the State Health & Family Welfare department. This model plan has been prepared following the guideline of IPHS (Indian Public Health Standard). At least 3000 Sq.ft space is required for construction of new U-PHC. Plan estimate for new construction as well as repair renovation will be prepared by the respective Municipal Corporations and Municipalities. The ULBs will also execute the construction work.
5. **Signing of MOU:** An MOU will be executed between State Health & Family Welfare Department and SUDA to implement NUHM in the 5 Municipal Corporations (Siliguri, Asansol, Durgapur, Chandannagar and Howrah) and SUDA in turn will execute an MOU with these 5 MCs. An MOU will also be executed between the State Health & Family Welfare Samity and Kolkata Municipal Corporation.
6. **Recruitment of HR (Human Resources) under NUHM:** The details of approved HR, place of posting and recruiting authority have been mentioned in the annexure-I

There is a recruitment committee for all the districts for recruitment of various categories of staffs under NHM at district and facility level, formed vide this Department's order No. HFW/NRHM-34/2014/660, dated 18.02.2014. There is also a committee for recruitment of ASHA in each district, formed vide this Department's Memo no. HFW/NRHM/20//2006/(Pt.II)/1631, dated June 27, 2012, Memo no. HFW/NRHM/20/06/Pt.II/1844 dated 24 July, 2012, Memo no. HFW/NRHM-20/06/(Pt.III)/250, dated, 27.01.2014 and Memo no. HFW/NRHM-20/06/(Pt.III)/735, dated, 20.02.2014. These district level committees will recruit HR for the Municipal Corporations as well as Municipalities. (All these memos are enclosed).

While recruiting HR under NUHM for the City Programme Management Unit, Urban Primary Health Centre and ASHA at Community level, these district level recruitment committee will include the Mayor/Chairman or their representative from the concerned Municipal Corporation/Municipality as member of the said committee.

All category of recruitment for the Kolkata Municipal Corporation will be done by the KMC.

Yours faithfully,

*Sanghamitra Ghosh*

NATIONAL RURAL HEALTH MISSION  
GN-29, SECTOR-V, SALT LAKE  
KOLKATA-700091

Memo No: HFW/NRHM-20/2006/(Part II)/1631

June 27, 2012

From: Dilip Ghosh, IAS  
State Mission Director (NRHM) &  
Secretary to Govt. of West Bengal

To: 1. District Magistrate, ..... District.  
2. CMOH, ..... District.

Sir/Madam,

**Sub: Revised Guideline for Selection of ASHAs**

In West Bengal, ASHA Programme has lived up to its role as one of the major components of NRHM. As per 2001 census, the total no. of ASHAs to be selected in West Bengal is around 61008, out of which around 46818 ASHAs have already been selected. With ASHAs being introduced as a change agent in transforming the health seeking behavior of the community, the demand for health services provided by the government is on the rise.

It has been decided to modify the guideline for selection of ASHAs. The order for revised guideline for selection of ASHAs is being issued herewith. This order supersedes all other guidelines and orders issued in this context. The revised guideline for selection of ASHAs will be effective on and from 15<sup>th</sup> July, 2012. All selections initiated from the aforementioned date onwards will follow this guideline.

You are being requested to take necessary steps regarding the same.

Thanking you,

Yours faithfully,

  
(Dilip Ghosh)  
State Mission Director (NRHM) &  
Secretary to Govt. of West Bengal

Memo no. HFW/NRHM-20/2006/(Part II)/1631

Dated: 27<sup>th</sup> June 2012

**ORDER**

**Sub: Revised Guideline for Selection of ASHAs**

It has been decided to modify the guideline for selection of ASHAs. This order supersedes all other guidelines and orders issued in this context.

The revised guideline for selection of ASHAs, to be effective on and from 15<sup>th</sup> July 2012, is hereby issued.

All selections initiated from the aforementioned date onwards will follow this guideline.

**A. Population to be covered by ASHA:**

A.1: Considering the pattern of population distribution, one ASHA is to serve 800 - 1200 population.

**B. Eligibility for being an ASHA:**

- B.1: Should be a married/divorced or widowed woman
- B.2: Should be a resident of the same village for which she will be selected
- B.3: Should be within the age group of 30-40. In case of SC and ST candidates, the lower age limit may be relaxed to 22 years.
- B.4: Should be Madhyamik appeared or equivalent
- B.5: Women candidates who are Madhyamik pass or possessing higher qualification are also eligible. However, in case of candidates possessing higher qualification, only marks obtained in Madhyamik or equivalent examination will be considered.

**C. Documents to be submitted/shown mandatorily by the applicant:**

- C.1: The proof of residence (Voters Identity Card/Ration Card)
- C.2: Original mark sheet of Madhyamik or equivalent examination as applicable. Mark sheet is to be provided by the candidates even in case of failure in the exam.

**D: Process of selecting an ASHA:**

- D.1: Selection of ASHA will be done at the sub division level.
- D.2: Selection will be done by ASHA Selection Committee at the sub divisional level comprising of the following members:

- MICs / other public representatives of the district - Chairperson (District wise names of MICs / other public representatives of the district attached in *Annexure I*)
- Sub Divisional Officer (SDO) - Member Secretary
- DPHNO - Member
- DPO (ICDS) - Member
- BMOH of the concerned blocks - Members

D.3: The selection would be based on  
- Marks obtained by the candidate in the Madhyamik or equivalent examination (90% weightage).  
- Score in the interview (10% weightage)

D.4: Areas where the majority of the population belongs to ST/SC, preference to be given to women from that category keeping the selection criteria (detailed in **Section B**) fixed.

D.5: Preference to be given to Grade I and Grade II SHG members / trained dais / link workers keeping the selection criteria (detailed in **Section B**) fixed.

**E: Steps to be followed for filling up of vacant areas:**

E.1: A detailed analysis of area demarcated and assigned to each ASHA in the Gram Panchayat is to be taken up by the BDO and BMOH with support from BPHN and GP Supervisors of his/her block to check that the demarcation and subsequent assignment was done within the purview of the programme guideline and as per Census, 2001.

E.2: In case of any discrepancy in the allotted area, the BDO and BMOH will rationally re-allot the area to be covered by each ASHA as per the programme guideline with guidance from the District Magistrate (DM) and Chief Medical Officer of Health (CMOH).

E.3: After ensuring that the existing population distribution of the ASHAs is as per programme guideline, the areas lying vacant need to be identified along with the no. of vacancies based on which extensive publicity regarding the nature of service being sought and eligibility criteria is to be done by the BDO at the block, Gram Panchayat and the village level. The publicity will include the following:

- Advertisement in local newspapers.
- Postering at the BDO office, BPHC/RH, and Gram Panchayat office, and
- Miking at the village level.

E.4: The BDO office will receive applications from the prospective candidates. A separate register is to be maintained at the BDO office for documenting all the applications. After initial shortlisting and scrutiny at the BDO office, the list of eligible candidates along with their applications will be sent to the SDO office for final selection by the ASHA Selection Committee as stated in **Section D.2**. The BDO office will retain a receipt copy of the list of eligible candidates sent to the SDO office. All relevant documents should be maintained properly and made available for any future verification if necessary.

E.5: On receiving the list of eligible candidates from the BDO office, an interview is to be held at the SDO office by the ASHA Selection Committee comprising of members as stated in **Section D.2**.

E.6: SDO will seek the convenience of the Chairperson and convene the meeting of the ASHA Selection Committee with the members stated above in **Section D.2**.

E.7: Based on the marks obtained in Madhyamik or equivalent examination and scores in interview, the ASHA Selection Committee is to draw up a GP wise final list with a panel of three candidates for each position in **Proforma ASHA\_P1** as provided by the State ASHA Cell under NRHM (attached along with this order as *Annexure 2*). All sections of the **Proforma ASHA\_P1** should be properly filled up failing which the selection will not be approved at the State level.
