Subject - Seeking approval for inclusion of mapping of DISHARI-ESOPD & Maternity Home, in Chandernagore Municipal Corporation, under HMIS portal

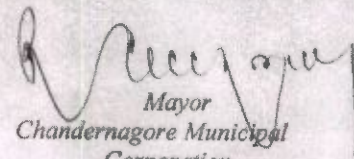

Sir,

This is for your kind information that our ULB has three sanctioned UPHCs under NUHM.

1. UPHC - 1 : B.K.G sishu Hospital .Dhara para . Chandernagore .Ward no - 7
2. UPHC - 2 : 1st & 2nd floor Tin bazar Community market, Gondal para . Chandernagore. Ward no - 25
3. UPHC - 3 : HAU building khalisani , Brahminpara .Chandernagore .Ward no - 31

I am also inform you that we have a maternity home named " **Dishari- ESOPD and Maternity Home**" situated at Brahmin para Khalisani . Chandernagore .PO - Khalisani P.s - Bhadreswar ward no 31. Dishari was not mapped under NUHM as a maternity home, probably as it was not enlisted for up gradation, which was also not claimed for from our part. But this facility has adequate infrastructure and on an average about fifty deliveries are conducted every month including Caesarian sections. The performance report of this facility has been included in Annexure II (physical report) under NUHM since we had started reporting under NUHM head .Recently I came to know that the performance report of this facility cannot be uploaded under NUHM as our Maternity Home has not been mapped under NUHM. Since this facility has been serving the citizens of Chandannagar and adjoining area, I think the performance of such a facility must be included in the reporting under NUHM. So, I earnestly request you to take necessary measures to include **DISHARI- ESOPD and Maternity Home** in the mapping under HMIS portal. I hope for your personal intervention regarding the matter for an early solution for this technical problem.

Thanking you ,

E S I Hospital, Gourhati:

- Though located in the Ward No. 27 of CMC area, this Hospital provides curative services to the beneficiaries of the ESI Scheme – who are mainly the Jute Mill workers working in the different mills along the Hooghly river covering Chandernagore, Bhadreswar & Champdani.
- They also render immunisation services and are involved in SNIDs & NIDs.
