

Sub. : KUSP Health component in the 1st year

Placed below is the copy of communication from Sri Sudipto Mukherjee of DFID to the Project Director, KUSP with endorsement to the undersigned by the Project Manager, CMU dt. 17.12.2004.

KUSP Health component in the 1st year will comprise support to HHWs across 61 ULBs for uniforms, Kits and retraining.

Re : Uniform

Grass root level health functionaries are HHWs and FTSs. Though DFID has approved uniform for HHWs, it is strongly felt that FTSs are also to be provided with the uniform, the colour of which will be different from that of HHWs'.

- a) Initial discussion with cross section of the HHWs regarding their views on texture and colour of the uniform which includes Saree, Blouse and petticoat.
One discussion session with HHWs & FTSs each for East Bank ULBs, West Bank ULBs and ULBs of Southern part.
(2 HHWs and 1 FTS per ULB will participate in the discussion session. The venue will be at a ULB which is more or less centrally located.)
- b) Consensus on texture & colour of Uniform will be ascertained through these discussion sessions.
- c) Mode of procurement
 - (i) CMU will procure Sarees, cloth for blouse and petticoat, 70 nos. each for providing samples to 61 ULBs and 9 set of samples to be kept with CMU.
 - (ii) Procurement at ULB level will be done by the respective ULBs through their Purchase Committee maintaining norms set forth by CMU.
- d) Estimated Cost :
 - 1 Saree - Rs.200/-
 - 1 Petticoat - Rs.70/-
 - Cloth for 1 Blouse and stitching charge - Rs.80/-
 - Total estimated cost for 1 set of Uniform - Rs 350/-
- e) Double set of uniforms are required to be provided per HHW and FTS.
- f) No. of HHWs and FTSs, and estimated required quantity of Uniforms, cost involvement per ULB thereof are enclosed in Annexure - I.
- g) Cost involvement for double set of uniforms for HHWs and FTSs is Rs. 54,73,300/- including cost for samples.
- h) A communication from CMU is required to be made to the ULBs to ascertain the actual no. of HHWs and FTSs now working.
- i) Fund for procurement of uniform (actual no. of HHWs & FTSs per ULB x cost for 2 sets of uniform) may be released to the ULBs by CMU
- j) SOE and U.C. will be submitted by the respective ULBs to CMU in due course.

Re : HHW Kit

DFID assisted Honorary Health Worker Scheme has been launched in 10 ULBs of Non-KMA with effect from 01.02.2004, where HHW Kit with contents had already been procured by Central Co-ordinating Cell, SUDA and provided to the ULBs concerned.

It is proposed that the same type of Kit Bag with contents may also be provided to the HHWs of the remaining 51 ULBs (40 ULBs in KMA and 11 ULBs in Non-KMA).

Options for procurement of HHW Kit Bag

1. Like uniform, CMU may procure 62 HHW Kit Bag with contents to provide to the ULBs as approved sample. ULBs will procure the same through their respective Purchase Committee maintaining the norms set forth by CMU. This will take care of decentralisation of procurement at ULB level.
2. Alternatively, to maintain uniformity of the standard of the Kit Bag, CMU may procure centrally and distribute to the ULBs directly by the firm selected for procurement of the same.
 - Estimated unit cost of Kit Bag with contents - Rs. 300/-
 - Estimated cost involvement in KMA ULBs 4,751 HHWs x Rs. 300/- = Rs. 14,25,300/-
 - Estimated cost involvement in Non-KMA ULBs 1,477 HHWs x Rs. 300/- = Rs. 4,43,100/-
 - Estimated Grand Total Cost involvement - Rs. 18,87,000/- including cost for samples.

Re-training at different level of health care providers i.e. HHW, FTS, STS / ANM, PTMO, HO, AHO and UHIO are essentially required for updating of technical knowledge and strengthening of services. For this purpose, the following are proposed.

- a) Tender may be floated for selection of Outsourcing agency for re-training component - ISC may help in preparing TOR.
- b) Development of Training Curriculum which will also include the feasible recommendations of ISC.
- c) Training curriculum will be prepared by the agency in consultation with KMDA and CMU which may be further reviewed by ISC.
- d) HO, AHO, PTMO, STS and UHIO will be trained by the selected agency on updating of technical topics.

- e) Training of HHWs and FTSS at ULB level may be done through Trainers (HO, AHO and the like) identified at each ULB level jointly with Outsourcing agency and KMDA.
- f) Agency along with Trainers at individual ULB level will impart training to HHWs and FTSS in phased manner.
- g) Supervision and monitoring of the re-training may be done by KMDA.
- h) Duration of training for -
HHWs - 12 days, FTSS - 5 days, STSs - 3 days, PTMOs - 2 to 3 days, UHIO - 2 days.
- i) Training venue -

Sub. : Procurement of Uniform for grass root level health functionaries under Health component of KUSP.

Apropos decision of Health Steering Committee held on 11.01.2005 70 nos. of Uniform are to be procured by CMU for providing samples to 40 KMA and 22 Non-KMA ULBs and 8 sets of sample to be kept with CMU. Each set of Uniform will consist of 1 saree, 1 petticoat and 1 blouse for female grass root level health worker.

For the purpose, 70 nos. of blue saree, 70 nos. of blue blouse piece (1 piece of 1 mtr. Length) may be procured by CMU. Since the sizes of petticoat will vary individual wise, it is proposed that the ULB will procure the suitable ones within the cost estimate as will be spelled out by CMU while giving the necessary instruction with regard to procurement of Uniform. The said procurement may be done through inviting quotation by the Procurement Expert, CMU.

The Uniform for male grass root level health functionaries i.e. STS in some of the KMA ULBs, will consist of 1 deep blue trouser and 1 light blue shirt. As the no. of male STS is not very significant, necessary instruction along with token cut piece of cloth for trouser and shirt will be provided to the ULBs by CMU. For this purpose, only 1 mtr. of cloth each for trouser and shirt may be procured by CMU under the Contingency head.

Procurement Specialist, CMU may kindly be requested to take further necessary action for procurement of the same for supply to the ULBs concerned as approved sample for undertaking bulk procurement by the ULBs at their level.

Sub. : Provision of (A) Uniform, (B) Umbrella (C) Kit Bag for grass-root level health functionaries (D) Printing and supply of HMIS Forms (E) Supply of Immunization waste management materials to the both KMA & Non-KMA ULBs.

Re: (A) Uniform, (B) Umbrella (C) Kit Bag for grass-root level health functionaries.

This is to state that uniform, kit bag and umbrella were provided to grass-root level health functionaries twice i.e. in the year 2005 and 2007 under health component of KUSP as per approval of DFID. Already more than two years have been passed since last approval for provision of uniform, kit bag and umbrella which do not last more than two years. A number of ULBs are pressing hard for supply of the said items to the grass root level health functionaries. As the grass root level health functionaries pay regular home visits round the year it is essential to replace uniform, kit bag and umbrella at least every two years. It is discussed that the said items may be provided for the third time to the grass root level health functionaries under health component of KUSP to support strengthening of Urban Health services.

- Health programme wise requirement of uniform, kit bag and umbrella with cost estimation for the ULBs is enclosed at Annexure – I. Requirement of fund for the said items is as under:

(Amount in Lakhs)

Uniform for 2 sets @Rs.300/- each for 9832 nos. of HHW, FTS and STSs	Umbrella @Rs.150/- for 9832 nos. of HHW, FTS and STSs	Kit Bag without contents @ Rs.200/- for 9674 nos. of HHW and FTS	Total
58.99	14.75	19.35	93.09

- Colour of uniform shall be other than blue, pink and green as the said colour symbolizes the colour of uniform of functionaries of Dept. of Health & Family Welfare. One suitable colour other than the colour mentioned above will be indicated by CMU by providing piece of sample coloured cloth to maintain uniformity.
- Procurement at ULB level will be done by the respective ULBs through the Purchase Committee maintaining norms set forth by CMU.
- In case of male STSs, set of uniform will consist of trouser and shirts as were provided in earlier occasions.

Re: (D) Printing and supply of HMIS Forms.

This is to state that HMIS Forms (A,B,C,D) were provided to the ULBs in the year 2008 under health component of KUSP. The HMIS Forms are the data base at different tiers for the entire Urban Health Programmes. The earlier supply of HMIS Forms are almost exhausted. Hence, further printing and supply of HMIS Forms are essentially required to be provided to all the ULBs.

- ULB wise detailed list requirement of Forms included at Annexure – IV.
- Requirement of HMIS Forms along with cost estimation:

	Requirement of HMIS Forms			
	Form A	Form B	Form C	Form D

Grand Total	1279687/- (Say 12.80 lakhs)			

- Procurement will be done centrally by CMU for supply to the ULBs as was done earlier.

Re: (E) Supply of Immunization waste management materials.

This is to state that CMU has undertaken initiative for imparting training to the grass root level health functionaries in phases on Routine Immunization for 25 days at the respective Nursing Training of the Districts in collaboration with DHFW & WBSISC to strengthen Routine Immunization services to be catered from the sub-centres. After training the activities under Routine Immunization have improved. Now it is high time to deal with scientific disposal of Immunization waste materials. In this regard, a number of meetings held with West Bengal Pollution Control Board. To support the ULBs in respect of Scientific disposal of Immunization waste materials the following items along with cost estimation will be required as detailed below:

Sub. : CMS approved list of firms for supply of items required for immunization waste collection.

Sir,

You may be aware that Kolkata Urban Services for the Poor (KUSP) has been introduced in the different ULBs of the State of West Bengal. In the said programme, one of the service components is strengthening existing Urban Health Programmes. It is decided that KUSP will support Urban Health facilities of the Urban Local Bodies (ULBs) in connection with Immunisation Waste Collection. For the purpose, each of the ULBs will be provided with the following items :

- HM HDPE Blue Bag,
- Blue Bin (100 Ltrs.),
- Blue Bin (30 Ltrs.),
- P.P.C. (5 Ltrs.),
- Needle Cutter and
- Bio Hazard Sticker.

It is learnt that CMS will publish approved list of firms with approved rates for supply of items required for Immunization Waste Collection shortly. It will be helpful for us, if you could provide the CMS approved list of firms with approved rates at the earliest, to enable us to procure the above mentioned articles by December, 2010.

An early action in this regard will be highly appreciated.

Thanking you.

Yours faithfully,

Subject: KUSP Miscellaneous

Arnab

Thanks for your email (others please see below). Our itemwise response is as follows:

1. The ward office proposals should be sanctioned by the CMU, but we are happy for you to go ahead with all eight, proposed by New Barrackpore. We believe that, on the one hand, this should make available a critical number for us to review performance of, and on the other, the numbers will help to push for 'back office' support that may be required from the ULB end. However, it is important that the entire process be treated as a pilot, with proper documentation for it to be reviewed subsequently for upscaling and lesson learning. Further, we would hesitate to agree to the proposals which have missed the previously set deadline. This would set a poor precedent. However, you may consider setting up a 'new window' next year, and ideally after the results of the pilot are known;
- 2) KUSP health component in the first year, will comprise support to HHWs across 61 ULBs for uniforms, kits and retraining. A proposal for either improved mobility or contingency in the form of a 'referral fund' needs to be put up by the CMU separately. As to the repairs of sub centres, ISC will need to examine their cost effectiveness, levels of utilisation (and for whom) etc. as part of their review. The critical question that needs to be answered is whether it makes cost effective sense for ULBs to be managing subcentres, in the first place. You may recall, that we discussed and agreed to pilot the use of 'private sector health insurance' in 1 or 2 ULBs; and
- 3) We agreed that 'arrangements to put a Fund Manager in place' should be initiated as soon as possible. However, CMU may manage it only in the first year. We remain concerned that this will further strain the already over stretched capacity of the CMU. Managing the fund would require a lot of capacity for hand holding and support and is perhaps not the best use of the CMU's limited resources. Further, the selection of the proposals must be done by a committee which is widely representative (CSOs, respected development professionals from different disciplines etc.) and not limited to different arms of the GoWB. Please share with us the composition of the selection committee and its terms of reference.

Dear Sudipto,

As you will recall during the quarterly review we reached consensus on the following (among other things):

1. We will sanction proposal for Ward Office/ Community Service Centre to the ULB which has submitted the schemes. New Barrackpore has submitted scheme for 8 Ward Offices. Shall we sanction all or 2 to begin with? We might receive proposals from other ULBs shortly. Shall we sanction if they have submitted the proposal as per our minimum requirements? Could you kindly confirm this.
2. We agreed that the first year's proposals for health would be taken up except repair of Sub-Centre for which a study would be done. Could you confirm this?
3. We have proposed for advertising for first year's challenge fund? Can you sanction this?

Regards,

Arnab

Thanks for your email (others please see below). Our itemwise response is as follows:

1. The ward office proposals should be sanctioned by the CMU, but we are happy for you to go ahead with all eight, proposed by New Barrackpore. We believe that, on the one hand, this should make available a critical number for us to review performance of, and on the other, the numbers will help to push for 'back office' support that may be required from the ULB end. However, it is important that the entire process be treated as a pilot, with proper documentation for it to be reviewed subsequently for upscaling and lesson learning. Further, we would hesitate to agree to the proposals which have missed the previously set deadline. This would set a poor precedent. However, you may consider setting up a 'new window' next year, and ideally after the results of the pilot are known;

2) KUSP health component in the first year, will comprise support to HHWs across 61 ULBs for uniforms, kits and retraining. A proposal for either improved mobility or contingency in the form of a 'referral fund' needs to be put up by the CMU separately. As to the repairs of sub centres, ISC will need to examine their cost effectiveness, levels of utilisation (and for whom) etc. as part of their review. The critical question that needs to be answered is whether it makes cost effective sense for ULBs to be managing subcentres, in the first place. You may recall, that we discussed and agreed to pilot the use of 'private sector health insurance' in 1 or 2 ULBs; and

3) We agreed that 'arrangements to put a Fund Manager in place' should be initiated as soon as possible. However, CMU may manage it only in the first year. We remain concerned that this will further strain the already over stretched capacity of the CMU. Managing the fund would require a lot of capacity for hand holding and support and is perhaps not the best use of the CMU's limited resources. Further, the selection of the proposals must be done by a committee which is widely representative (CSOs, respected development professionals from different disciplines etc.) and not limited to different arms of the GoWB. Please share with us the composition of the selection committee and its terms of reference.

Hope this is useful. Happy for clarifications, if required.

Dear Sudipto,

As you will recall during the quarterly review we reached consensus on the following (among other things):

1. We will sanction proposal for Ward Office/ Community Service Centre to the ULB which has submitted the schemes. New Barrackpore has submitted scheme for 8 Ward Offices. Shall we sanction all or 2 to begin with? We might receive proposals from other ULBs shortly. Shall we sanction if they have submitted the proposal as per our minimum requirements? Could you kindly confirm this.
2. We agreed that the first year's proposals for health would be taken up except repair of Sub-Centre for which a study would be done. Could you confirm this?
3. We have proposed for advertising for first year's challenge fund? Can you sanction this?
