The entire issue of NUHM involves convergence of many aspects.

As directed by Secretary, a meeting may be convened with the presence of those officials mentioned by Director, SUDA along with concerned S.O & Design Asst in the Department.

In my opinion, West Bengal Urban Poverty Eradication Mission may be entrusted the job of NUHM for West Bengal. As Dr. Sehani Gowami is also acting as Health Expert for KUSP, she may be assigned the job as nodal officer on behalf of WBSUPEM.

If approved in principle, PD, CMU and PM, CMU may also be intimated to attend the meeting, to be held as per convenience of Secretary accordingly.
