

Sub: Procurement of 2 (two) Ambulance vans under RCH Sub-Project Asansol

The World Bank in its letter dt. NOV 28 2000 have granted its clearance for the above procurement through NS. DG SLD rates are also acceptable. The total estimated cost provision for the above procurements are Rs. 12:00 Lakhs (Rs. 6:00 Lakhs X 2).

Project Director, RCH Sub Project, Asansol has been contacted and he intimated that the said procurement can be done by them, if so desired.

Since, procurement for these two Ambulance vans only from SUDA are likely to consume more time, it is proposed that the VLB concerned may be requested to arrange for the said procurement early commensurate with the requirements; so that advantage of this mobility support can be more extended for referral cases including obstetrical ones. Submitted for favour of kind clearance of the proposal.
