Sub : Review meeting of RCH sub projects held on 20.10.2001-
Forwarding Minutes there of.

Sir,

Reference is invited to your communication bearing No.L19012/12/2001-AP.1 dated Nov. 12,2001.

The proposed procurement plan and the procurement already done are enclosed at Annexure-I & II.

During discussion at New Delhi in the Review Meeting in respect of Procurement Plan for RCH Sub-Project Asansol , it was given to understand that a proposal to be mooted separately for inclusion of other necessary items for approval as a special case. Health infrastructure of RCH Sub-Project Asansol are all new ones. There is no scope at all of utilising existing infrastructure as in rural RCH Sub-Project. Hence, the list of equipments included in the procurement plan is considered very essential for operationalisation of new Health Facilities for promotion of RCH services. In view of all above, you are requested kindly to accord approval of Procurement Plan for the year 2002-2003 at an early date.

Encl: As stated

Yours faithfully,

SUB: RCH Sub-project-ASANSOLE--procurement plan for the year 2002- 2003.

Sir,

I am directed to refer to your letter No.SUDA-120/96 (Pt.IV)/368 dated the 8.8.2002 submitting therewith revised procurement plan for the year 2002-03 and convey approval of the Government of India as under:

1. Procurement of drugs for 4 FRUs may be made keeping in view the norms for quantities of each drug item approved under National component of RCH programme and on pro rata basis for the remaining project period.
2. The equipments for FRUs consisting of sterilizing and OT light equipment, x-ray machine and ultrasonic facilities etc. are approved.
3. Printing of family schedule and furniture for management and supervisory cell at a total cost of Rs.5 lakhs and Rs.1.70 lakhs respectively are approved.
4. The quantity of Drugs and MSR for 5 HAU's as per detail given in annexure 10 of your proposal are not consistent with the list of drugs defined under the RCH programme. The State Government may procure drugs and MSR for the 5 HAU's only as per the approved list of such items for such institutions under the National component of RCH.
5. Proposal for procurement of furniture for FRUs, as per annexure IV of the proposal, is approved.

Pls. may refer to Dr. SUDA

The State Government is requested to note that all procurements under the RCH Sub project are to be made in accordance with the procedure and guidelines approved by the Government of India and the World Bank. A report on up to date procurement of different items (Item wise and facility wise) may also be submitted for our record.

Yours faithfully,

Sub : RCH Sub-Project Asansol – Procurement Plan for the Year 2002-03

Sir,

Reference is invited to this office communication no. SUDA-120/96(Pt-IV)/368 dt. 8.8.2002 on the above subject.

Approval of the said Procurement Plan is still awaited. EOP is approaching fast i.e 31.3.2002. Therefore, it is apprehended that the procurement could not be done within stipulated time period, unless approval of the same received by this month.

Nevertheless, it is to state that without procurement of the essential items, newly constructed O.P.D. cum Maternity Homes can not be utilised. The ULB, Asansol Municipal Corporation is pressing hard for urgent supply of the logistics, so that the O.P.D. cum Maternity Homes can be made functional.

Under the circumstances, your kind approval is sought for urgently.

Yours faithfully,

Sub : RCH Sub-Project Asansol – Procurement Plan for the Year 2002-03

Dear

Sri Jadarji,

I take the privilege of referring to this office communication bearing no. SUDA-120/96(Pt.IV)/ 1448 dt..19.03.2002 on the above subject.

Apropos your instruction, the seriatim clarification on Procurement Plan for the year 2002- 2003 have already been sent to you under this office memo no. SUDA-120/96(Pt-IV)/1342 dt.26.2.2002.

I have had a discussion with you regarding the issue at Delhi during 25 – 26 th June, 2002. You will appreciate that Govt. Of India's approval of the said Procurement Plan warrants immediate clearance since merely a couple of months are left for RCH Sub-Project Asansol EOP. Considerable period of time is required for completion of the procurement process. I am afraid that the said procurement may not be possible unless approval of the same is received from you in no time.

I would therefore put my fervent request to you to kindly accord approval of the procurement plan at your earliest convenience for smooth running of the Sub-Project without hindrance of logistic support.

With regards

Yours sincerely,

The clarifications of the observations seriatim are given hereunder :

1. The concerned cost sheet of 67 drug items for one FRU submitted to you giving the estimated cost (last column i.e Estimated Total Value) of Rs. 5.51 Lakhs.
The estimated cost have been worked out on the basis of available information on various procurement of those drug items by Health Wing, SUDA.
2. The Drug Kits "A" & "B" have not been supplied to the 97 Sub-Centres under RCH Sub-Project Asansol . The issue was checked with the State Dept. of Health & F.W.
3. Sterilising and O T Light Equipments have been requisitioned for Facilities with O T functional facilities and conducting operation on regular basis.
X-ray Machine and Ultrasonic facilities have been requisitioned for facilities with Radiologist, other Specialist, and requisite trained staff to operate these equipments.
4. The details / specification in respect of Family Schedule (Annexure- A), drugs & MSR for 5 HAU's (Annexure - B) and Furniture for Management & Supervision Cell (Annexure - C) are enclosed.

SUDA HEALTH WING

E O P of RCH Sub-Project Asansol is approaching fast towards 31 March, 2003. Smooth operationalisation of different facilities created therein is hampered due to lack of logistic supply. The Procurement process also will take considerable period. In view of all these facts, approval of Procurement Plan is requested for at an early date so that the RCH Sub-Project Asansol can be run successfully.

SUB: RCH Sub-project-ASANSOLE--procurement plan for the year 2002-2003.

Sir,

09 No. SUDA-120/96 (Pr-VI)
/252 Ar. 6.6.02

I am directed to refer to your letter No.- dated – on the above-mentioned subject and seek clarifications on the following observations:

1. For four FRUs, 67 drug items have been proposed at a total cost of Rs.22.04 lakhs (@ Rs.5.51 lakhs. The estimated cost of these 67 items (which are a mixture of PHC,FRU and RTI/STI drugs kits) comes to approx. Rs.1.37 lakhs and thus the cost of drugs for 4 FRUs should be around 5.6 lakhs against Rs.22.04 lakhs envisaged by the State Govt.
2. Regarding the proposal for procurement of drugs for 97 sub centers, it is stated that Drug Kits A&B are being supplied to all SCs under the national components even in urban areas. This needs clarification.
3. The proposal to procure equipments for FRUs consists of sterilizing and OT light equipments, X-ray machines and Ultra sonic facilities. Sterilizing and OT light equipments can be considered only for those institutions which have OT functional facilities and are conducting operations on regular basis and X-ray machines & Ultra sonic facilities only for those institutions which have got Radiologists/other specialists and requisite trained staff to operate these equipments. The Sub Project is requested to offer comments.
4. The procurement schedule on printing of family schedules at a cost of Rs.5 lakhs, Drugs & MSR for 5 HAUs at Rs.3 lakhs and furniture for Management and Supervisory Cell at Rs.1.70 lakhs does not contain details. The sub project is requested to furnish details/specifications in respect of each item.
5. Furniture items for FRUs may be enlisted separately for consideration of Finance Division.

Yours faithfully,

(R.N. YADAV)
DESK OFFICER (AP.I)

SUB: RCH Sub-project-ASANSOLE--procurement plan for the year 2002-2003.

Sir,

I am directed to refer to your letter No.SUDA-120/96 (Pt.VI)/252 dated the 6.6.2002 and letter No. SUDA-120/96(Pt.IV)/930 dated 14.12.2001 on the above mentioned subject and to state that the clarifications given in your letter of 6th June, 2002 are not specific to the quarries. Moreover, technical specifications of the equipment proposed for FRU (special laboratory facilities) have not been given by the sub project. In the absence of the technical specification, it will not be possible to approve the procurement of these items.

You are therefore requested to kindly submit a revised complete copy of the procurement plan containing detailed specifications etc. of all the equipments/furniture and other items , if any, proposed for procurement under the sub project. It may please be noted that a complete set of procurement plan be submitted along with the required clarifications.

Yours faithfully,

SUB: RCH Sub-project-ASANSOLE--procurement plan for the year 2002-2003.

Sir,

*OG No. SUDA-120/96 (Dr. V)
/252 AP. 6-6-02*

I am directed to refer to your letter No.- dated - on the above-mentioned subject and seek clarifications on the following observations:

1. For four FRUs, 67 drug items have been proposed at a total cost of Rs.22.04 lakhs (@ Rs.5.51 lakhs. The estimated cost of these 67 items (which are a mixture of PHC,FRU and RTI/STI drugs kits) comes to approx. Rs.1.37 lakhs and thus the cost of drugs for 4 FRUs should be around 5.6 lakhs against Rs.22.04 lakhs envisaged by the State Govt.
2. Regarding the proposal for procurement of drugs for 97 sub centers, it is stated that Drug Kits A&B are being supplied to all SCs under the national components even in urban areas. This needs clarification.
3. The proposal to procure equipments for FRUs consists of sterilizing and OT light equipments, X-ray machines and Ultra sonic facilities. Sterilizing and OT light equipments can be considered only for those institutions which have OT functional facilities and are conducting operations on regular basis and X-ray machines & Ultra sonic facilities only for those institutions which have got Radiologists/other specialists and requisite trained staff to operate these equipments. The Sub Project is requested to offer comments.
4. The procurement schedule on printing of family schedules at a cost of Rs.5 lakhs, Drugs & MSR for 5 HAUs at Rs.3 lakhs and furniture for Management and Supervisory Cell at Rs.1.70 lakhs does not contain details. The sub project is requested to furnish details/specifications in respect of each item.
5. Furniture items for FRUs may be enlisted separately for consideration of Finance Division.

Yours faithfully,

Sub : RCH Sub-Project Asansol – Procurement Plan for the Year 2002-03

Sir,

Reference is invited to your communication bearing no. L.19012/40/96-API (Vol.IV) dt. January 18,2002 on the subject.

Apropos your observation, seriatim clarification are spelled out hereunder :

While preparing the list of Drugs for FRUs, the concerned list of Govt. of India has been followed. There is no duplication of supplies. Certain drug items are included in view of its essential requirement in running the FRUs under Urban RCH Sub-Project Asansol. It may kindly be noted that Health Infrastructure of RCH Sub-Project Asansol are all new ones. There is no scope at all of utilising existing infrastructure as in Rural RCH Sub-Project. The Drug list of 67 items include interalia the Govt of India approved Drug items for RTI & STI at FRU level.

There are 4 FRUs under RCH Sub-Project Asansol. Hence, the unit value of FRU Drug Kit Rs. 5.51 Lakhs multiplied by 4 arrive at Rs. 22.04 Lakhs.

There are 13 PHCs under RCH Sub-Project Asansol. These are organised nuclei for dissemination of I.E.C. activities / messages to the community under their respective command. Possession of audio- visual equipment therefore, is considered essential. It may also be noted that colour TV and VCP proposed to be procured are only 2 (two) in number and not 13 each.

Detail specification of the gadgets * are enclosed. It is assured that these will be used by the trained staff.

Contd..2

The projected cost of procurement of these items will be met from within the approved allocation for each item. No diversion of fund will be necessary.

You are therefore earnestly requested kindly to grant early clearance of the Procurement Plan for the Year 2002-03 as to enable operationalisation of FRUs.

RV*

The list of drugs for FRUs contains 67 items. The Sub Project is advised to follow the FRU list of the Government of India and to ensure that there is no duplication of supplies.

The projected value of each FRU drug kit is Rs.22.04 lakhs against the actual value of Rs.5,50,622. This major deviation needs to be clarified.

Procurement of IEC equipments such as Colour TV, VCP, Tape Recorder may not be advisable at PHC level. Justification for the necessity and utility of these items may kindly be furnished.

Detailed specification for A.C. Machine, Generator, Refrigerator, Cylinders, Computer with printer and FAX Machine have not been given. Specification for these items vis a vis assurance for their use by the trained staff may kindly be furnished.

It may also please be clarified whether the projected cost on procurement of these items will be met from within the approved allocation for each item. In case funds are to be diverted, details of savings and amounts required for diversion may kindly be furnished.

You are requested to kindly revise the procurement plan keeping in view the above observations and submit the same urgently for consideration and approval of the Government of India.

Subject: RCH Sub-Projects – Submission of Procurement Plans/Actions Plans.

Sir/Madam,

I am directed to convey the following for your information and necessary action while preparing/revising Procurement Plans/ Action Plans under RCH Sub Projects:

1. Disposable syringes are not approved under the Program. Hence procurement of these syringes should not be proposed in the procurement plan.
2. Machintosh sheets are not to be procured under the RCH sub projects.
3. Proposal for procurement of furniture for sub-centres should be prepared keeping in view the availability of space and minimum need to ensure maximum utilization. The sub-projects should also give an undertaking that the furniture procured for sub centres will be used exclusively at the sub centres.
4. Detailed specifications, quantity and unit price/total price of furniture and equipments proposed for procurement under the sub projects should be furnished with the procurement plan.
5. Proposal for procurement of drugs and medicines for sub centres and primary health centres should contain only those medicines/drug items as have been approved for Sub Centre Kits and Essential Obstetric Care Kit.
6. Additional proposal, if any, should be submitted separately giving full justification for the same and financial requirement along with the source from which the expenses are proposed to be met.
7. Procurement plan should consist of (1) Procurement Schedule in the approved format (separate schedules for civil works and equipment, furniture, drugs and medicines) (2) complete details of items i.e quality, quantity, unit cost and total cost estimates for each items (3) Similar items should be integrated.

The above observations may kindly be followed strictly while preparing/revising Procurement Plan under the RCH sub-projects.

Yours faithfully,

(R.N. YADAV)

Subject : RCH Sub-project-Asansole – Procurement Plan for the year 2001-02.

Sir,

I am directed to refer to your D.O.No.sduda-120/96 (Pt.III)/227 dated 2.7.2001 on the above mentioned subject and to State that the revised Procurement plan submitted by you, has been examined, but the following shortcomings have been noticed in spite of the fact that all the required documents and guide lines for preparation of Procurement Plan viz lists of approved materials, equipment, furniture, medicines/drugs along with per unit cost was supplied to the concerned project official:

1. Under the RCH programme, requirement of drug kits for each facility and also the items of every drug kit have been approved by the Govt. of India. The Sub Project has, however, projected much higher quantities of each item for different health facilities. The procurement proposal should follow the approved limits and patterns and should be revised accordingly.
2. Under the RCH Programme, Tinidazole IP is not allowed at the sub center level.
3. Haemostatic capsules should be deleted as these are not to be procured under the sub project.
4. Requirement of furniture at sub center level has been projected at a very high level i.e. 2 steel chairs, steel tables, 1 wooden bench, 2 stools, 2 steel almirahs, wooden rack and 1 labour table. This appears high, keeping in view the space available at a sub centre and also its functioning. This needs to be brought down to the barest minimum. The Sub Project is also required to give an undertaking that the furniture purchased for sub centres will be used and kept at each sub center.

You are requested to kindly revise the procurement plan in view of the above observations and submit the same urgently for examination and approval.

Yours faithfully,

(R.N.Yadav)

Sub: RCH Sub-Project Murshidabad Procurement-Plan for the year 2000-2001.

Sir,

I am directed to refer to your letter No.H/SFW-RCH/108-91-99/1675 dated 6.9.2000 sending therewith Procurement-Plan of Murshidabad RCH Sub-Project for the year 2000-2001. The matter was taken up with World Bank, who has offered their "No Objection" subject to action on the following:

- For furniture items for VHV – Steel table, steel chair, steel almirah and bench wooden – quantity proposed under NS is merged with the quantity of these items under NCB so that only one method of procurement i.e. NCB is adopted for these items; and
- Estimated value of each item and the aggregate value of the items do not exceed the ceiling stipulated in the interim fund development credit agreement.

Dear Mr. Mehra :

**INDIA : Reproductive and Child Health Project - ITF - 018 - IN - Procurement -
RCH Sub Project Murshidabad**

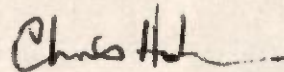

Thank you for your letter dated September 28, 2000. Based on the information provided, we have no objection to the procurement plan 2000-2001 attached with your letter for the above sub-project provided :

- for furniture items for VHV - Steel table, steel chair, steel almirah and bench wooden - quantity proposed under NS is merged with the quantity of these items under NCB so that only one method of procurement i.e. NCB is adopted for these items; and
- estimated value of each item and the aggregate value of the items do not exceed the ceiling stipulated in the interim fund development credit agreement.

The project authorities should ensure that there is no duplication in supply of kits A & B as these are also being provided under the national component of the project.

With regards,

Sincerely yours,

Christopher J. Hoban
Operations Adviser

SUDA****Sub: Clearance of Procurement Plan for RCH Sub-Project Asansol****Dear Sri.**

I take the privilege of referring to our discussion of the above issue.

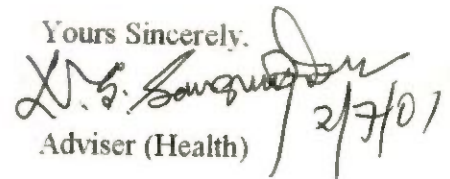

Apropos your suggestion, I met Mr. Sadananda on June 8, 2001 and discussed in length on the issue in presence of Ms. Nandita Chatterjee, WHO Consultant to Govt. of India. The Revised Procurement Plan* along with Revised Procurement Schedule* for the period 2001 to 2002 prepared on the basis of his guideline is enclosed. Early clearance of the Plan is requested for as because the entire procurement process is kept pending for non-receipt of your clearance. The Project has stepped into fourth year of implementation. Hence, the total procurement have to be undertaken very urgently in the interest of proper implementation of service components.

Looking forward for your kind clearance at the earliest.

With regards,

Enclo. : *

Yours Sincerely,

2/7/01

Sub: Clearance of Procurement Plan for RCH Sub-Project Asansol

Dear Sri.

I take the privilege of referring to our discussion of the above issue.

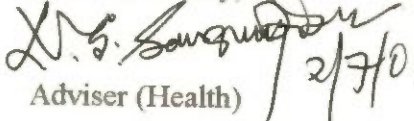

Apropos your suggestion, I met Mr. Sadananda on June 8, 2001 and discussed in length on the issue in presence of Ms. Nandita Chaterjee, WHO Consultant to Govt. of India. The Revised Procurement Plan*along with Revised Procurement Schedule* for the period 2001 to 2002 prepared on the basis of his guideline is enclosed. Early clearance of the Plan is requested for as because the entire procurement process is kept pending for non-receipt of your clearance. The Project has stepped into fourth year of implementation. Hence, the total procurement have to be undertaken very urgently in the interest of proper implementation of service components.

Looking forward for your kind clearance at the earliest.

With regards,

Encl. : *

Yours Sincerely,
