Sub : Engagement of Honorary Health Workers
against existing vacancy in IPP-VIII,
Br-VI

Respected sir,

Most respectfully I beg to state that I completed my basic course of Honorary Health Workers (H.H.W.) conducted by the Urban Health Improvement Programme Unit, KMDA from 20th February 2008 to 7th March 2008 and a certificate to this effect was issued accordingly (xerox enclosed).

It was told that you will be engaged as H.H.W. immediately on completion of your training, but it has already been lapsed of about two years, but my case for engagement as H.H.W. has not been considered yet.

Understanding from reliable sources, I have come to know that there are SEVEN post of Honorary Health Workers are lying vacant for the long time.

I being a poor woman of Minor Community Group, my case has not been considered sympathetically when Govt. of India as well as Govt. of West Bengal have declared so many benefits to the women of Minor Community Group in the Country.

At present I am very mentally depressed and financially handicapped for the last two years.

In view of the above, I would request you to ^{Kindly} look into the matter personally and arrange my engagement as Honorary Health worker in IPP-VIII, Br-VI at your earliest convenience.

Thanking you in an anticipation.

Dil Ruba Khurshid
