U. No. SUDA- 24/2005/34  
dated ... 21.6.05

During 2003 - 2004 Health Wing, SUDA, continuing implementing of two Health Programmes i.e. IPP-VIII-(Extn.) in 10 Non-KMA ULBs and R.C.H. Sub-Project, Asansol. These two programmes are for delivery of Primary Health Care Services to the targeted Urban Poor of the ULBs concerned. The items of parameters given in the Annexure - I for filling up are mostly not applicable to these programmes. As such only the parameters applicable to above mentioned two health programmes have been taken into consideration and filled up with available data in the Annexure - I which is placed below for favour of kind information and further necessary action.
