Sub: Test results of Drugs & MSR undertaken by West Bengal State Drug Research Laboratory.

Placed below is the summary of item-wise test results since obtained upto 11.2.99.

It will appear that out of total 21 items, test results have been obtained for 20 items excepting one item (Eye Applicap) - The same may be available after about a week.

Of the 20 items opcit 18 items denote clearance. Remaining 2 items viz. absorbent-gauze and cotton are not found ok. The item - "cotton" may perhaps be accepted provided the deficiency of 14% less weight is met-up by the Firm. The item of absorbent-gauze is however, not-acceptable.

To summarise the issue, the following proposal may be taken into consideration to expedite supply of the Drugs & MSR to the feeder unit;

The Firm may be asked to ensure supply of the consignment of items as per batch no/nos. excepting absorbent-gauze and "eye applicap". Regarding the item of "cotton" the tested batch no. may be supplied in enhanced quantity, i.e. 114 pkts against 100 pkts. submitted for purpose of kind perusal and instruction.

Advised (17).
