Sir,

I have the honour to inform you that the post of Health officer at my Municipality Raiganj is lying vacant since October 2000 because of non-renewal of the proposal in favour of Dr. Rabindra Nath Roy Chowdhury due to reasons perhaps of age bar.

However, after long persuasion and attempts one practicing Doctor Sri Kalyan Kumar Sinha whose qualification being B.S.C. M.B.B.S (Cal) 1960 and resident of Raiganj Town has been found out and he consented to work as M.O. at ULB level Raiganj.

Dr. Sinha is a renowned physician and is sufficiently experienced and fit for work.

The I.P.P.-VIII (Extn) at Raiganj has already been started functioning and it will be much helpful if Dr. Sinha is accepted from your end as M.O. of my ULB and his service.

may also be utilized in IPP-VIII works in addition to normal ULS work.

Now all health facilities of ULS and IPP-VIII (Extn) are co-related.

In the context of the above, I would request you to kindly ponder over the present situation due to dirth of Medical ~~man~~ man at this Mafussal Town and in this perspective Dr. Kalyan Kumar Sinha may be engaged as H.O. of Raiganj ULS.

The prayer of Dr. Sinha is hereby recommended.

The Asstt. Health Officer, IPP-VIII (Extn) Raiganj Municipality has reported to the undersigned that great inconvenience may occur at the time of use of Maternity Home for the following reasons.

1. Cril not erected at the entrance of the M.H.
2. Extra wall wooden/brick not made within the vacant space of the 1st Floor i.e. M.H. which is supposed to be used as Rest room for patients relatives (Male and Female).
3. No hole has been made in between the Nursing Room and the patient bed room.
4. No water connection in the OT.

Necessary arrangement has almost made for running the M.H. And now the above defects should be repaired early so that functioning of the M.H. may be started without delay.

You are requested to please take suitable necessary action in the matter and visit the OPD/MH early to make yourself sure what to do/what is actually necessary in consultation with the Medical officers of the Project.
