Foregoing Notes

Reproductive Child Health (RCH) sub project at Asansol – a World Bank project being monitored by Ministry of Health and Family Welfare, Government of India (G.O.I.) was closed with effect from 31.03.2004 in terms of D.O. letter from G.O.I. (Marked 'B').

Since the sub project is closed, official from Government of India asked in letter dated 03.08.2010 for audited statement of the RCH project up to 31<sup>st</sup> March, 2004 (Marked 'A'). Considering the urgency of the matter, entire audited statement of SUDA along with the aforesaid project was sent to G.O.I. on 14<sup>th</sup> September, 2010. But G.O.I. refused to accept the entire audited statement of SUDA and sought an audited statement specifically for the closed programme vide their letter dated 03.12.2010 (Marked 'D').

Having received the refusal letter, D.Bhattacharjee & Co.,- a Chartered Accountant Firm who was selected for conducting Audit for DFID sponsored Urban Health Services Programme since closed, was asked to audit the accounts of RCH project. But formal approval from the then Director, SUDA was not obtained in haste.

The aforesaid C.A. firm submitted a report after audit (Marked 'E') and this has been sent to the G.O.I.

However, in consideration of the above situation, the appointment of Auditor may be approved as fait accompli and payment for ₹.4, 000/- (Rupees four thousand) towards the fees of Auditor may be released.
