Placed herewith communication of the chairman, Jangam- Azimganj Mpl. vide no. 841/XXII-11 (SURY)/JAM dt. 15.10.2014, with a request for a special grant of Rs. 30,38,478/- (Rupees thirty lakh thirty thousand four hundred seventy eight only) for smooth function of Christiya Seva Sadan. This is to state that Jangam- Azimganj is one of the 63 ULBs implementing CBPHCS funded by the Dept. of Health & FW. There is no scope for providing additional fund towards procurement of medicine for the said hospital as it does not come under the approved health facilities of CBPHCS. Under the circumstances, the proposal of the chairman may be sent to the Dept. if agreed upon.

I have had discussion with the ~~the~~ Director, SUDA regarding disposal of the prayer from Jangam- Azimganj Municipality to external grant - for ₹ 30,38,478/- toward procurement of drugs for Christiya Seva Sadan under the management of the U.L.B. He is of the opinion if there is no scope to provide financial assistance as sought for under C.B.P.H.C.S, Municipal Affairs Department may not be moved for this purpose.

Accordingly draft letter is placed herewith for signature of Director, SUDA.
