Sub: Facility based reporting of RCH programme in HIMS portal

It has been observed that different districts are uploading the facility based data under RCH programme in HIMS portal in different date schedule. Even within the districts different facilities are uploading data on different date schedule resulting in difficulty in monitoring the programme effectively.

Considering the above and to have a uniform reporting period, it has been decided that henceforth all the unit will maintain the reporting period from 21st of the previous month to 20th of the current month. For example the report for the month of November will start from 21st of October to 20th of November. All the units may kindly be informed accordingly.
