বিষয়ঃ- অতিরিক্ত ২জন HHW নিয়োগ অনুমোদন সহ মোট ৯টি নতুন পদ সৃষ্টি।

মাননীয় মহাশয়,

আপনি নিশ্চয়ই অবগত আছেন CBPHCS Project শুরুর সময়ে এগরা পৌর সভার BPL জনসংখ্যা সঠিক ভাবে নির্দিষ্ট ছিল না। তৎকালীন সরকারী সিদ্ধান্তমত আমাদের এই পৌরসভার ১৪টি ওয়ার্ডের জন্য ১৪ জন Regular HHW এবং ৩জন FTS নিয়োগ করা হইয়াছিল। ঐ সময় এত বড় এলাকায় কাজের অসুবিধা হওয়ায় বি.ও.সি. এর সিদ্ধান্ত অনুযায়ী আমরা ২জন অতিরিক্ত HHW (প্রশিক্ষণ প্রাপ্ত) মহিলাকে নিয়োগ করিয়াছিলাম - সুষ্ঠুভাবে Project চালাইতে। সেই সময় HHW সংখ্যা বাড়াইবার প্রস্তাব আমরা আপনার দপ্তরে প্রেরণ করিলে, আমাদের বলা হইয়াছিল BPL সার্ভে সম্পূর্ণ হইলে পরবর্তী কালে বিবেচনা করা হইবে। কিন্তু মহাশয়, অদ্যাবধি ঐ সংক্রান্ত কোন ফল আমরা পাইনি। ২২.১২.১১

বর্তমান, আমাদের পৌর এলাকায় ১৪টি ওয়ার্ডে মোট বি.পি.এল. জনসংখ্যা ২২,৭২৮ জন (পরিবার - ৪৪৪৬)। আমাদের ২৩ জন HHW এবং ৩জন FTS পাওনা হইতেছে। সাভাবিকভাবেই, স্বাস্থ্য পরিষেবা দেওয়া খুবই অসুবিধা হইতেছে - প্রয়োজনের তুলনায় কম HHW থাকায়।

এমতাবস্থায়, বিগত ইং ০৬.০৬.২০১১ তাং সম্মানীয় বোর্ড -অব - কাউন্সিলারগণের সভার সিদ্ধান্ত অনুযায়ী - আমাদের এই পৌর সভার জন্য কাজে যুক্ত থাকা ২ জন অতিরিক্ত HHW (টুয়া সাউ ও বুমা জানা (শ্যামল)) পদের অনুমোদন সহ মোট ৯টি (২+৭) নতুন HHW পদ সৃষ্টি (Post creation) করিয়া পৌরসভার স্বাস্থ্য পরিষেবাকে সচল রাখিতে সহায়্য করিতে অনুরোধ জানাইতেছি।

আন্তরিক শুভেচ্ছাসহ

Sub: - Report regarding staff of Health wings

Sir,

This is to bring your kind notice to the fact that inadequate posting of HHW and FTS in our Dhuliyian Municipality is being hampered the public service very badly. As per BPL family and total population thereof, posting of HHW & FTS are incongruous inasmuch as total BPL family in our Dhuliyian Municipality is 10874 and total population of that BPL families may exceed 55 thousand minimum. Under this calculation we may get 55 nos. of HHW and 11 nos. of FTS, but we have 13 nos. of HHW in place of 55 and 8 nos. of FTS in place of 11.

Dhuliyian Municipality is no doubt Polio prone area and it is now hardly possible to give effect to the matter of immunization totally in the area for the shortage of aforesaid staff, though we have alacrity in the work to remove all the difficulties in the matter.

It may make a parsing allusion that 8 Nos. of sub-centers is already running till date for Immunization, ANC/PNC, and Outdoor health clinic, Awareness Programme, Growth Monitoring Programme and National Health Programme.

Considering the facts and circumstances you are, therefore requested for posting of at least 42 nos. of HHW and 3 nos. of FTS including all infrastructure thereof.

Thanking you,

Yours sincerely

Sub: Prayer for increasing the numbers of H.H. Workers as well as other staffs according to the present 14258 nos. B.P.L families within Bankura Municipality area as per list, published by SUDA.

Dear Sir,

This is to inform that the D.F.I.D. Assisted H.H.W. Project, started at Bankura town in the year 2004 among the 6982 nos. B.P.L. Families are continuing still today. The 34 nos. H.H. Workers was engaged according to your approval, there are 6 (six) F.T.S. among 34 H.H. Workers. But at present the number of BPL families are 14258 in our Bankura Municipality area. It is very difficult to continue the Health Programme with 28 H. H. Workers and 6 F.T. Supervisors and limited number of other staffs, as BPL Families have been increased by double.

So I earnestly request you to increase the numbers of H.H. Workers and other staffs according to the present BPL Families 14258 and send such approval and sanction, so that we can recruit more H.H. Workers according to your guideline to run the Health Project smoothly among all B.P.L. families. The resolution of F.W. Committee meeting, relating to the above subject was already taken on 02-12-2008. Please do the needful as soon as possible.

Sub: Approval for one Additional Appointment of
Honorary Health Worker under the Kaliyaganj
Municipality.

Madam,

In reference to above I like to inform you that this ULB is implementing the CBPHCS scheme quite successfully in the 17 Nos. of wards within this Kaliyaganj Municipality during previous years.

But at the Ward No.17 of this ULB the BPL population is 2032 as per 'Base Line Survey of HHW as on April, 2010' and only one Health Worker is serving at the Ward No. 17 having more than 2000 population. It is becoming much difficult for her to provide qualitative service to these large numbers of BPL population.

As per the content of the "Instruction Book for HHW" in page No.4, it has been specified that there will be one Health Worker to serve the 1000 BPL population and two Health Workers to serve the population more than 1000 up to 2000 BPL.

In this situation it is highly needed to appoint another Health Worker for Ward No.17 to serve there.

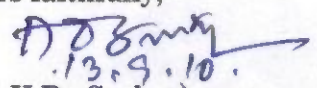

Hence it is, therefore, propose that there is one Health Worker found as "Reserve" in the Panel List of Selected Candidates of HHW dt. 28-03-2007, who can be assigned as Additional HHW at the Ward No. 17 of this Municipality. Copies of the relevant documents with regard to "Instruction Book for HHW" together with the decentralization of Primary Health Service instruction with the Panel List are enclosed herewith for favour of your kind perusal.

Your early approval in this regard is needed to resolve the issue so as to serve the Population adequately with better proficiency as required.

With regards

Encl : As stated.

Yours faithfully,

SUDA, Kolkata-91

Madam,

Sub:- Requirement of HHWS in addition to the Present strength of 20 HHWS - Req.
Ref:- Excerpt of Boci meeting resolution dtd 31.7.08 is enclosed.

In pursuance to the resolutions adopted at BOCs meeting held on 31/07/08 vide para (Photocopy of excerpt enclosed), this ULB. Proposes 11 (Eleven) more HHWs are required for engagement in addition to the existing 20 (Twenty) HHWs. In order to substantiate the above claim the following facts are presented.

That, the each HHW will cover 1000 BPL population.

That, the following wards are having more than 1000 BPL population then exceeding the said assigned coverage remarkably.

Sl. No	Ward No	BPL Family	No. of BPL Population
1	I	336	1680
2	II	484	2420
3	VI	391	1955
4	VIII	340	1700
5	IX	399	1995
6	XI	759	3645
7	XII	353	1765
8	XIII	601	3005
9	XIV	614	3070
10	XVI	304	1520

In view of such the catering of health services to the BPL population has been adversely affected since the assigned HHW is not in a position to cover the entire BPL population. This results the dissensions amongst the deserving population would be appreciated.

Upon taking in to account of the above population, this is arrived at that in order to cater the health services efficiently & satisfactorily 11 (Eleven) more HHWs are required would be appreciated.

Therefore I would request to accord necessary approved so that this ULB could engage 11 (Eleven) more HHWs at the earliest so that goal of the "Community Based Primary Health Care Services" would be achieved for the BPL population as a whole.

Yours faithfully

Sub : Proposal for engagement of Additional HHWs under Community Base Primary Health Care Services within Katwa Municipality.

Madam,

I have the honour to inform you that the above noted programme is running smoothly in this Municipal area. It is also to inform you that approved 5 nos. of Sub-Centres have duly been started and the FTSS are engaged in due course. At present 24 nos. of HHWs are working and those are not sufficient for covering the 5822 nos. of BPL families within this ULB. As per the provision of 200 : 1 ratio 29 nos. of HHWs are required for implementing the programme successfully in this Municipal area. So, engagement of another 5 nos. of HHWs is very much essential for smoothly running the programme .

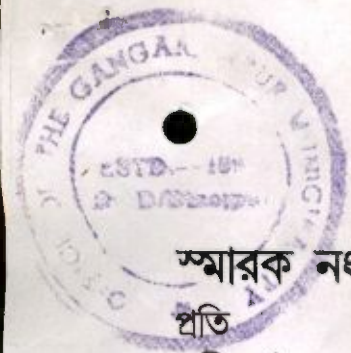

Please look into the matter sympathetically and do the needful as early as possible.

With thank.

Sincerely yours,

মহাশয়,

গঙ্গারামপুর পৌরসভার জন্য HHW ও Health Sub-Centre অনুমোদনের জন্য নিম্নে উল্লিখিত বিষয় সমূহের প্রতি আপনার দৃষ্টি আকর্ষণ করছি:-

১) দেখা যাচ্ছে যে, গঙ্গারামপুর পৌরসভার জন্য SUDA প্রকাশিত চূড়ান্ত BPL তালিকা অনুযায়ী এই পৌরসভায় ৯(নয়)টি ওয়ার্ডে BPL জনসংখ্যা ১০০০(এক হাজার)এর বেশী এবং মোট BPL জনসংখ্যা ২০১০৯ জন।

আবার কমুনিটি বেসড প্রাইমারী হেলথ কেয়ার সার্ভিস প্রকল্পের নির্দেশিকা অনুযায়ী HHWদের দ্বারা চূড়ান্ত BPL তালিকাভুক্ত ব্যক্তিদের পরিবার ভিত্তিক গৃহ সমীক্ষা অনুযায়ী মোট ১১(এগারো)টি ওয়ার্ডে এই জনসংখ্যা ১০০০-এর বেশী,এমনকী কোন কোন ওয়ার্ডে এই সংখ্যা ২০০০(দুই হাজার)এর বেশী বা নিকট,এরূপ ওয়ার্ডের সংখ্যা ৫(পাঁচ)টি এবং মোট BPL জনসংখ্যা ২২,২৮১ জন।

এরূপ পরিস্থিতিতে HHWগনকে কাজের ক্ষেত্রে খুব অসুবিধার সম্মুখীন হতে হচ্ছে।সামগ্রিকভাবে পরিস্থিতি বিবেচনা করে গঙ্গারামপুর পৌরসভার পক্ষ হ'তে গত ২২/০৪/২০০৮ তারিখে অনুষ্ঠিত বোর্ড সভায় গঙ্গারামপুর পৌরসভার জন্য প্রয়োজনীয় সংখ্যক HHW ও একটি Sub-Centre অনুমোদনের আবেদন জানিয়ে একটি প্রস্তাব গৃহীত হয় (গৃহীত প্রস্তাবটি ও জনসংখ্যার বিন্যাস এই পত্রের সংগে সংযোজিত করা হ'ল)। উক্ত প্রস্তাব অনুযায়ী পৌরসভার জন্য প্রয়োজনীয় সংখ্যক HHW ও আরো একটি Sub-Centre অনুমোদনের জন্য আবেদন জানানো হচ্ছে।

বিষয়টি আপনার দ্রুত পদক্ষেপ গ্রহণের মাধ্যমে কার্যকরী হ'বে বলে বিশ্বাস রাখি।

Madam,

I like to inform you that we have been allotted 20 H.H.W for 20 wards of our municipality under CBPHCS. And as such we are entitled to 23 H.H.W.

So we require additional three H.H.W s for smooth functioning of this project. Already two empanelled candidates have not been absorbed for want of sanction H.H.W.

Considering all above, I fervently request you to sanction at least three Honorary Health Workers for the smooth functioning of the project.

Sub: - Requirement of H.H.Ws. for smooth progress of the programme under CBPHCS.

Madam,

With reference to your letter No. SUDA-Health/63 ULBs/06/08 Dt/- 07.08.'06 the HHWs are engaged in different wards in this ULB and they have already completed their Primary Health survey. In conformity with your letter No. SUDA-Health/63 ULBs/07/267 Dt/- 26.07.'07 it was informed that one HHW would cover a population not exceeding 1000 BPL contained in a single ward. But analyzing the Primary Health survey report it is found that there are needed 35 Nos HHWs in lue of 26 Nos HHWs who are engaged to confer health facilities among the BPL beneficiaries. In the mean time one HHW has resigned from her Honorarium duties. In order to assess the Programme there are required additional 10 Nos HHWs in different wards. Otherwise, for the lack of manpower it will be very impossible for me to develop the project.

I, therefore, request you to take necessary steps for progress the Programme.

Thanking you,
Yours faithfully,

**Sub: - An appeal for sanctioning additional HHW staffs
Due to increase in BPL families in Ward No.-2, 11, 14.**

Ref. MEMO No. - SUDA-Health/03ULAS/06/03, dt. - 07.08.2006.

Sir,

I am hereby sending this comparative chart which will be helpful to finding the requirement of the above mentioned subject. The existing nos. of HHW of this Office at present is 16 (Sixteen) in 16 Wards. But it is quiet impossible to provide health facilities to the above mentioned Wards as the population level (BPL) has increased significantly and almost 1500 (one thousand five hundred) above in ward no.- 11 & 14 whereas in ward no. 2 it is almost 1400 (one thousand two hundred). Specifically Ward No.-2 is situated on the bank of Ichhamoti River and there are no communication facilities and population scattering dispersedly and they are very much downtrodden in view of socio-economic status.

Henceforth, I shall be pleased enough if an additional HHW staffs are sanctioned for the requirement of the prevailing condition and smooth running of the programme.

Thanking you,

Scheme submitted by some of the ULBs.****Sir,**

This is to inform you that some of the ULBs requested to sanction additional no. of HHWs either due to increase no. of BPL population in the ward after finalization of BPL population survey 2006 or increase no. of ward.

As per project proposal of CBPHCS, one HHW is to be allotted for a population not exceeding 1000 BPL contained in a single ward. A ward having less than 1000 BPL population will also have one HHW; a ward having BPL population between 1000 - 2000 will have 2 HHWs and so on. There will be minimum one HHW per ward regardless of whether that ward has BPL population or not. However, while calculating required no. of additional HHWs per ward, 1 (one) HHW is earmarked for 1500 BPL population in a single ward instead of 1,000. Statement showing ward-wise BPL population of the ULBs, no. of additional HHWs required is enclosed at Annexure - A. It may be seen that total 88 additional no. of HHWs will be required by 8 ULBs namely Nalhati, Chakdah, Baduria, Contai, Old Malda, Haldia, Jiaganj Azimganj and Purulia who have submitted proposal. Out of the said ULBs, Purulia is implementing HHW Scheme and the others CBPHCS.

Financial implication per year at present rate of honorarium i.e. Rs. 2,000/- per head per month will be Rs. 21.12 lakhs for those additional HHWs. We may obtain approval from DHFW for required no. of additional HHWs as the fund for both the Projects - CBPHCS & HHW Scheme are being provided by them.

Sub:- Need of additional HHWs in wards having Population much more than 1000 in number.

Respected Madam,

On behalf of the Board of Councillors, Jiaganj-Azimganj Municipality I am to say that there are 17(seventeen) wards in the towns of Jiaganj & Azimganj naturally bifurcated by the River Bhagirathi. Some of the wards of the Municipality detailed below have population much above one thousand in number and it is not possible for one HHW to give justice to Health Care Services in the desired manner in such large wards. Revised BPL list has been prepared after dispalying the draft list on consequence place of different ward for 30 days and considering suggestions and objections thereof.

Number of Ward	Name of the Area.	BPL Households		Population		No. of addl. HHW required
		ex.	Present	Ex.	present	
1	Bhattapara	328+	125= 453	1607+	785= 2392	2-1=1

15	Amaipara	227+	218= 445	1327+	1129=2456	2-1=1
05	Tilipara	54+	249= 303	385+	1161= 1546	2-1=1

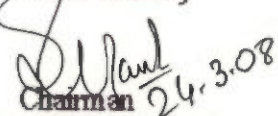

Additional HHWs required 20-9=11

In view of the position stated, I would request your honourable self to allow the Municipality to engage additional 11(eleven)HHWs for giving proper Health Care activities as per guideline of the CBPHCS.

I am to add that number of households and population thereof has already got approval of the SUDA and there is hardly any scope of depute about it.

With regards.

**Sub: - An appeal for sanctioning additional HHW staffs
Due to increase in BPL families in Ward No.-2, 11, 14.**

Ref. Memo No. - SUDA-Health/63ULAS/06/03, dt. - 07.08.2006.

Sir,

I am hereby sending this comparative chart which will be helpful to finding the requirement of the above mentioned subject. The existing nos. of HHW of this Office at present is 16 (Sixteen) in 16 Wards. But it is quiet impossible to provide health facilities to the above mentioned Wards as the population level (BPL) has increased significantly and almost 1500 (one thousand five hundred) above in ward no.- 11 & 14 whereas in ward no. 2 it is almost 1400 (one thousand two hundred). Specifically Ward No.-2 is situated on the bank of Ichhamoti River and there are no communication facilities and population scattering dispersedly and they are very much downtrodden in view of socio-economic status.

Henceforth, I shall be pleased enough if an additional HHW staffs are sanctioned for the requirement of the prevailing condition and smooth running of the programme.

Thanking you,

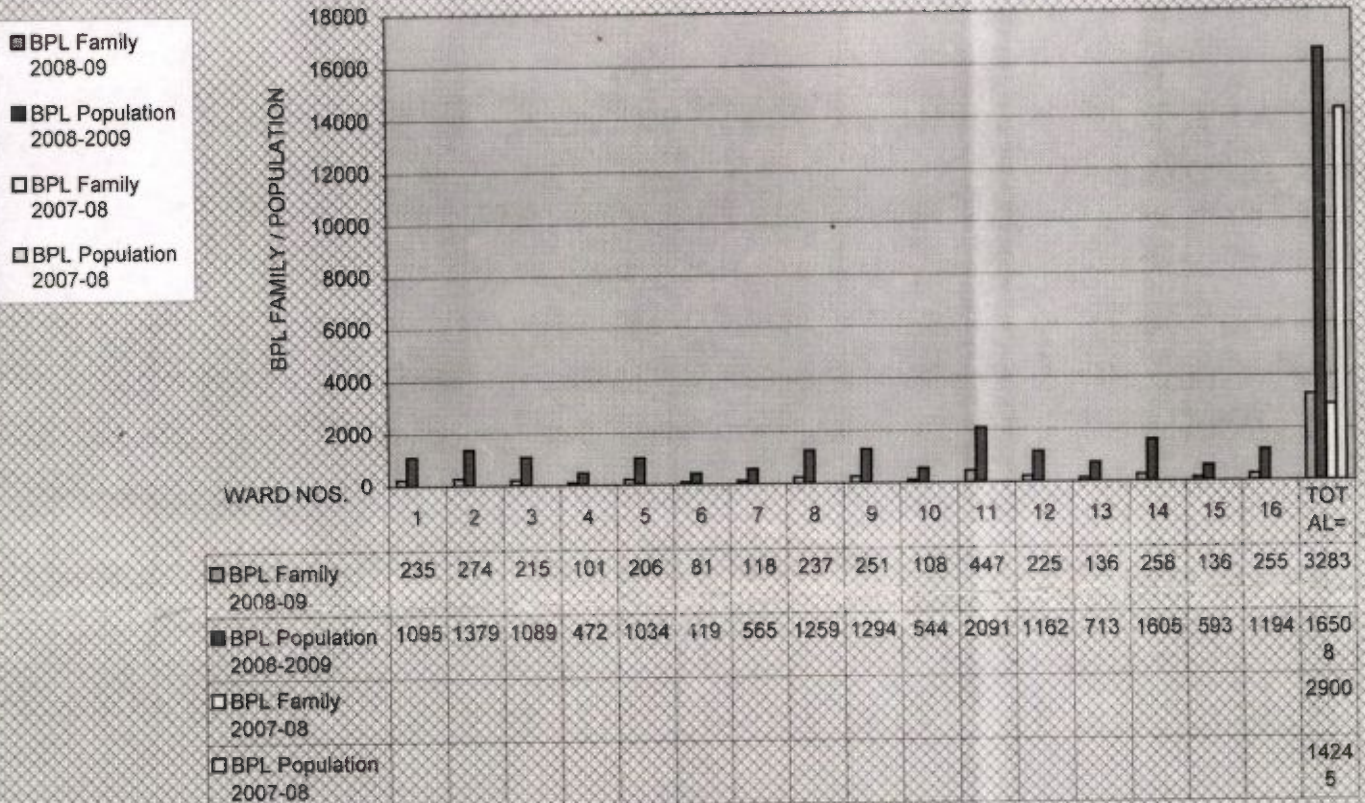

Encls : as stated above.

BPL CHART COMPARATIVE FIGURE

PREPARED BY-

State Urban Development Agency, Health Wing, West Bengal

Sub. : Proposal submitted by the Chairman, Baduria Municipality in respect of requirement of addl. Health workers under Community Based Primary Health Care Services.

Enclosed the copy of communication of the Chairman, Baduria Municipality bearing no. 888 dt. 28.01.2008 which speaks for itself.

This is to mention here that the municipality had submitted initially ward-wise list of slum population under his reference no. 93 dt. 12.06.2006 (copy enclosed for ready reference) – reflecting 54% BPL population in 17 wards.

The proposal of CBPHC was on the basis of BPL population @ 33% of the total population and the estimated no. of HHWs calculated either based on 33% BPL population or @ at least 1 HHW per ward, whichever is higher. Dept. of Health & Family Welfare approved the said proposal. Total population of Baduria Municipality as per 2001 census was 47,418, 33% of which comes to 15648 (estimated BPL population). As per principle, (1 HHW per 1,000 BPL population) the no. of HHWs comes to 16 (approx). Since the ULB is having 17 nos. of wards, the approved no. of HHWs was 17 and FTSs / Sub-Centres - 4 nos.

The selection, training of HHWs already completed and engaged since 01.08.2007.

However, as stated by the Chairman, Baduria Municipality, the recently published list of BPL population is higher in comparison to the previous list. Ward-wise no. of existing BPL population has been submitted by the Chairman which is 33,468 (copy enclosed).

Under the circumstances stated above, the recently published ward-wise BPL list of Baduria Municipality may be made checked by the office of SUDA. If the count of BPL population is on higher side the matter on engagement of additional no. of HHWs may be thought of and administrative decision be taken.

Wards under Baduria Municipality for ongoing Health
programme.

Madam,

I would like to say that the BPL population of this Municipal area has been considerably increased as per final publication of the B.P.L. list in comparison to earlier list. Apart from the above problem our Municipal area has been detached to five segments (if land divided by the river "ICHHANATI").

So, there has been much difficult to make communication with the people all the time for work.

In view of the facts and problem and to sort out the same 17 (seventeen) additional Health workers for 17 (seventeen) wards are urgently required.

I would, therefore, request you to kindly sanction 17 (seventeen) Health workers to cope with the work of public interest.

Thanking you,

Sub : Request for 17 additional Health Workers for 17 Wards under Baduria Municipality for ongoing Health programme.

Madam,

I would like to say that the BPL population of this Municipal area has been considerably increased as per final publication of the B.P.L. list in comparison to earlier list. Apart from the above problem our Municipal area has been detached to five segments (if land divided by the river "ICHHAMATI").

So, there has been much difficult to make communication with the people all the time for work.

In view of the facts and problem and to sort out the same 17 (seventeen) additional Health workers for 17 (seventeen) wards are urgently required.

I would, therefore, request you to kindly sanction 17 (seventeen) Health workers to cope with the work of public interest.

Thanking you,

Yours faithfully,

Ref:- This Office earlier proposal No-782/HHW dated-25.08.2008 (photocopy enclosed)

Madam,

This would be nice if your goodself recall this office proposal vide reference coloumn in connection with seeking approval for engagement of additional 11 (eleven) HHWs against present strength of 20 (twenty) HHWs under "Community Based Primary Health Care Services" in respect of this ULB in view of actual BPL populations of 29,460 exists.

The target for each HHW of BPL populations as assigned i.e 1000 (one thousand) each in far exceeding for the 10(ten) nos. Wards.

This results the services to the said population is getting hampered to a great extent.

Given the above, I would request you to look in to the matter so that the additional 11 (eleven) nos HHWs could be sanctioned so to enable us to engage for achieving the goal of "Community Based Primary Health care Services"

Looking forward to hear soon.

Date: 25.8.2008

The Director
 State Urban Development Agency
 SUDA, Kolkata-91

Madam,

In pursuance to the resolutions adopted at BOCs meeting held on 31/07/08 vide para (Photocopy of excerpt enclosed), this ULB Proposes 11 (Eleven) more HHWs are required for engagement in addition to the existing 20 (Twenty) HHWs. In order to substantiate the above claim the following facts are presented.

That, the each HHW will cover 1000 BPL population.

That, the following wards are having more than 1000 BPL population then exceeding the said assigned coverage remarkably

Sl. No	Ward No	BPL Family	No. of BPL Population
1	I	336	1680
2	II	484	2420
3	VI	391	1955
4	VIII	340	1700
5	IX	399	1995
6	XI	759	3645
7	XII	353	1765
8	XIII	601	3005
9	XIV	614	3070
10	XVI	304	1520

In view of such the catering of health services to the BPL population has been adversely affected since the assigned HHW is not in a position to cover the entire BPL population. This results the dissensions amongst the deserving population would be appreciated.

Upon taking in to account of the above population, this is arrived at that in order to cater the health services efficiently & satisfactorily 11 (Eleven) more HHWs are required would be appreciated.

Therefore I would request to accord necessary approved so that this ULB could engage 11 (Eleven) more HHWs at the earliest so that goal of the "Community Based Primary Health Care Services" would be achieved for the BPL population as a whole.

Yours faithfully

Madam,

With reference above noted I would like to inform you that 5 Nos sub-centers under CBPHCS are running in very good position. 5 Nos FTSS and 26 Nos HHWs are engaged and perform their duties. But it was informed that one HHW would cover a population not exceeding 1000 BPL contained in a single ward. But analyzing the primary Health survey Report it is found that there are needed 34 Nos. HHWs to confer health facilities among the BPL beneficiaries. In order to progress the programme there is required additional 8 Nos HHWs in different wards. Otherwise, for the lack of manpower it will be impossible for me to develop the project.

I, therefore, request you to take necessary steps for progress the programme.

Madam,

In inviting a reference to the above subject, I am to state that at present there are 14 nos. of honorary health workers under community based primary health scheme in 14 wards in this municipality. (one each in 14 wards). As per norms of the Government for one thousand householders in a ward there should be one HHW and the HHWs under this municipality have been engaged following such norms. But in ward nos. I, IV, VI & XII there are 1511, 1407, 1404 and 1586 householders respectively and in view of over population in those four wards additional 4 HHW are required to be engaged for proper implementation and smooth running of the scheme.

I am therefore to request you kindly to accord to necessary approval in this regard early.

Sir,

This is to bring to your kind notice that 16 posts of H.H.Ws and 4 posts of FTS have been sanctioned following the BPL population of Nalhati Municipality in the year 2007. Accordingly 16 nos. of H. It is hardly possible to maintain the scheme with such shortage of H H W within the range of Nalhati Municipality area.

But in the present content no. of BPL population have enormously been increased within the Municipality. As a result at least 4 nos. of HHW are urgently to cover the area. Accordingly present status of BPL population is being furnished below;
