I am directed to inform you that CBPHCS programme in 63 non-KMA ULBs was started in the year 2006 with the support of the Department of Health & Family Welfare, Government of West Bengal .. In 2009, Dankuni Municipality has been constituted by merging Dankuni, Mrigala, Manoharpur & part of Garalgachia Gram Panchyat where Uttarpara Kotrung Municipality had already set up 7 nos. of sub-centres under IPP VIII, all of which now fall within the newly formed Dankuni Municipality.

Considering the necessity of introduction of Urban Health Programme in Dankuni Municipality independently, this Department approached the Department of Health & Family Welfare, Government of West Bengal for inclusion of the said ULB under CBPHCS scheme vide this Department's letter No.110/MA/C-10/3S-35/2010 dated 15.02.2011. Two options regarding implementation of Urban Health Programme in Dankuni Municipality are placed below for consideration :

- 1) Dialogue may be initiated by Dept. of MA with DHFW for inclusion of one more ULB i.e. Dankuni under CBPHCS.

It is, however, apprehended that it may take longer period of time to implement the scheme keeping in view the present status of implementation of CBPHCS.

2) IPP-VIII is now under O & M phase funded by Dept. of MA. Sub: Starting of some components of KUSP programme in Dankuni Municipality

Sir/Madam,

Greetings from KUSP!

Kolkata Urban Services for the Poor (KUSP) programme is a programme of the Government of West Bengal aided by Department for International Development (DFID), Government of U.K. It aims at improving the quality of life of the urban poor.

This programme is being primarily implemented in 40 Kolkata Metropolitan Area (KMA) Urban Local Bodies. Some of the components of this programme has been extended to non-KMA ULBs. The programme has started in 2004 and will be completed in 2011.

Dankuni, being a new municipality in the KMA will be included for implementation of some components of KUSP programme for the period 2009 to 2011.

It has been decided that some activities of KUSP programme may start immediately in Dankuni namely development of one most deficient slum from Slum Level Infrastructure Fund, starting of activities relating to Draft Development Plan, Accrual Based Double Entry Accounting System and Citizens' Charter.

For this purpose I request you to convene a meeting at your Municipality in the 1st/2nd week of February 2009 where representatives of KUSP will discuss with you regarding start of this programme.

I also request you to kindly open a dedicated bank account for KUSP programme in a nationalized bank and communicate to us the Account Number. Upon receipt of the Account No. we will be giving the first instalment of funding for starting the activities of the KUSP programme. This was also discussed during the meeting held on 17/01/2009.

Thanking you,

Yours faithfully,

(Arnab Roy)
