

SUDA - Health wing is providing monitoring services, <sup>relating to Health Scheme</sup> to 126 nos. of ULBs, implementing CBPHCs & HHW Scheme & Urban Primary Health Care services, in 19 Districts of West Bengal.

Now a days, most of Reports come through email of general office address or mail id of different officials of Health wing, SUDA.

It may be mentioned here that, some years ago there was a scheme named "Health Programmes" under which different components like "RI", "School Health Programme" under financial assistance of CMU, monitoring had been made by Health wing, SUDA. So, a internet connectm was given by CMU to SUDA - Health for collectm of data or transferring of advice to different ULBs.

Now, the line makes some difficulties of disconnectm in most of the time of days. So, a new connectm is required to be installed exclusively for Health wing, SUDA.

In this connectm, the ULBs discussed the matter with P.A., SUDA and then a tariff chart (enclosed opposite at Fly "A") is placed below so that a new connectm can be installed.

Rate of monthly payment is ₹ 2250 - ₹ 3500 as the optm we are going to opt. The monthly Fund will be given out of IPP-VIII (BXTM) of under the heady "Contingency".

It is also to be mentioned here that the rate is taken from BSNL, a

govt. A India undertaken, who has  
already given the line in SUDA.  
We have also a telephone line being  
no 03323347805 ~~which~~ with with only  
some special machine will be installed  
for the new internet connectm.

Submitted for kind approval. Pl.
