Dear Mr Datta,

We had done a workshop along with the ULB representatives and the TPs in presence of the Director.

We should now move to next stage of implementation. SUDA has to extend cooperation and support without which it would not be possible to execute.

SUDA has to encourage and advise the ULBs to upload data for batch formation, create centre id to facilitate training.

Thanks & Regards

Dear Madam,

In West Bengal, the ULBs are governed by the People's Representatives. It is better to request the TPs to contact directly with the Mayor/Chairperson of the concerned ULBs. Mobilize them about the importance of NSDC training, training and proper placement of their Urban Poor needy youths and also achievement of their target given by SUDA. Fulfilment of ULB's target will also fulfil the target of State as well as the target achievement of our nation. TPs may mobilize candidates from the ULB's area but that should be duly recommended by the Mayor/ Chairperson.

Plz. send the basic information of AISECT.

We are facing some problem in uploading the basic data of TPs in NULM site. It has reported to MoHUPA. I should raised the constraints of Base Line Data entry of TPs in the workshop on 'Online MIS' on 19/11/15 organised by MoHUPA at Delhi .

Dear Sir

This is to bring to your notice the issues being faced by training partners in West Bengal. The ULBs are taking long to provide the training partners with the beneficiary list, given the limited time we have at hand to achieve the targets within this financial, we are requesting our training partners to mobilize beneficiaries independently so that the process can be expedited.

Request your kind cooperation and support for the same.

Best Regards

Dear Kim,

We had approached 7 ULBs allocated to us in West Bengal. The ULBs are assuring us to give the beneficiary details centre-wise post Diwali.

Kindly let us know whether we should start mobilizing the beneficiaries in case we do not get the beneficiaries from the ULB post Diwali.

We are in receipt of your letter No SUDA-38/2015/1301 dated 24/09/2015. This is to inform you that NSDC has received 30% of the training cost of 6600 beneficiaries amounting to Rs 2,97,00,000/-.

As per our earlier communication, NSDC has decided to retain 600 beneficiaries and allocate the same to training partners on the basis of their performance. The overall target for NSDC is still 6600 as decided earlier. Thus the funds disbursed by West Bengal, State Urban Livelihood Mission does not need to be adjusted.

As requested by you, we will be sharing the address and contact details of the respective training partners. The training partners have been directed to enter relevant training information on NSDC's SDMS and the State's NULM portal. They have also been directed to present at their selected ULBs the following details.

Office Memorandum

JSC (S)  
2/2/15

Subject: Clarification in Payment terms of the Employment through Skill Training & Placement (EST&P) guidelines-reg.

The undersigned is directed to refer to the MOU entered by the Ministry with National Skill Development Corporation (NSDC) to provide skill training to urban poor under the Employment through Skill Training & Placement (EST&P) component of National Urban Livelihood Mission (NULM).

2. The EST&P guidelines state that "SULM may design the terms of payment preferably in 3 or more installments i.e 30:50:20. The first two installments may be based on the commencement of training, completion and certification of the candidate and last 20% may be paid on the placement / enterprise development and tracking of candidates for 6 months. However, the SULM may decide on any other payment terms and conditions". It is clarified that as per the text of the guidelines, SULM has complete flexibility to decide terms and conditions of payment. The terms and installments mentioned in the guidelines are only indicative and not mandatory.

3. It is also informed that in the case of arrangement with NSDC, as requested by NSDC, States can consider releasing the first installment of 30% after signing of agreement or issue of sanction/approval letter rather than on commencement of training. As training may commence at different times in different cities it may be difficult to link release of first installment with commencement of training. This may help in faster implementation of the EST&P component in the State.

Ministry of Housing and Urban Poverty Alleviation  
(UPA Division)

Nirman Bhawan, New Delhi,  
Dated 10<sup>th</sup> June, 2015

**Office Memorandum**

**Subject:** Clarification in Payment terms of the Employment through Skill Training & Placement (EST&P) guidelines-reg.

The undersigned is directed to refer to the MOU entered by the Ministry with National Skill Development Corporation (NSDC) to provide skill training to urban poor under the Employment through Skill Training & Placement (EST&P) component of National Urban Livelihood Mission (NULM).

2. The EST&P guidelines state that "SULM may design the terms of payment preferably in 3 or more installments i.e 30:50:20. The first two installments may be based on the commencement of training, completion and certification of the candidate and last 20% may be paid on the placement / enterprise development and tracking of candidates for 6 months. However, the SULM may decide on any other payment terms and conditions". It is clarified that as per the text of the guidelines, SULM has complete flexibility to decide terms and conditions of payment. The terms and installments mentioned in the guidelines are only indicative and not mandatory.

3. It is also informed that in the case of arrangement with NSDC, as requested by NSDC, States can consider releasing the first installment of 30% after signing of agreement or issue of sanction/approval letter rather than on commencement of training. As training may commence at different times in different cities it may be difficult to link release of first installment with commencement of training. This may help in faster implementation of the EST&P component in the State.

F.No. K-14014/99/2014 – UPA  
Government of India  
Ministry of Housing and Urban Poverty Alleviation  
(UPA Division)

Nirman Bhawan, New Delhi,  
Dated 10<sup>th</sup> June, 2015

Office Memorandum

Subject: Clarification in Payment terms of the Employment through Skill Training & Placement (EST&P) guidelines-reg.

The undersigned is directed to refer to the MOU entered by the Ministry with National Skill Development Corporation (NSDC) to provide skill training to urban poor under the Employment through Skill Training & Placement(EST&P) component of National Urban Livelihood Mission (NULM).

2. The EST&P guidelines state that "SULM may design the terms of payment preferably in 3 or more installments i.e 30:50:20. The first two installments may be based on the commencement of training, completion and certification of the candidate and last 20% may be paid on the placement / enterprise development and tracking of candidates for 6 months. However, the SULM may decide on any other payment terms and conditions". It is clarified that as per the text of the guidelines, SULM has complete flexibility to decide terms and conditions of payment. The terms and installments mentioned in the guidelines are only indicative and not mandatory.

3. It is also informed that in the case of arrangement with NSDC, as requested by NSDC, States can consider releasing the first installment of 30% after signing of agreement or issue of sanction/approval letter rather than on commencement of training. As training may commence at different times in different cities it may be difficult to link release of first installment with commencement of training. This may help in faster implementation of the EST&P component in the State.

**Sub : Training for implementation of SHG-bank linkage component under  
National Urban Livelihood Mission (NULM)**

Sir,

This is to inform you that National Urban Livelihood Mission (NULM) has replaced Swarna Jayanti Sahari Rojgar Yojana (SJSRY) programme as the flagship urban poverty alleviation programme (NULM) in the country and NULM is being implemented in our State from 1<sup>st</sup> April, 2014 onwards. Both in its approach and content, NULM is more comprehensive than SJSRY and attempts to capture different aspects of urban poverty in a more integrated manner. The NULM model has few additional features which were not present earlier. One such component is SHG-bank linkage. Being conceptually new in the area of urban poverty alleviation programme, implementation of this component requires large-scale capacity building for all the stakeholders in particular the NULM functionaries working in cities/towns.

Ministry of Housing and Urban Poverty Alleviation vide its letter K-14014/38/2013-UPA dated 10<sup>th</sup> February, 2015, a copy of which has been endorsed in favour of Chairman NABARD, has directed the States to contact local office of NABARD for chalking out a strategy and an action plan for capacity building of all the NULM stakeholders in the field of SHG-bank linkage. A discussion in this regard is proposed to be held at this office shortly. The date of meeting will be finalized subject to your convenience and availability. I would request you to kindly suggest a suitable date for this proposed meeting.

Yours faithfully,

DO No. No. K-14014/38/2013-UPA  
Dated: 23 September, 2014

Dear

I am writing to you in connection with NABARD's supporting and organising training programmes on Self Help Group-Bank Linkage Programme (SHG-BLP) for various stakeholders.

2. In this regard, it is to inform that the Ministry has launched the National Urban Livelihoods Mission (NULM) in the 12th Plan period by restructuring the earlier centrally sponsored scheme of Swarna Jayanti Shahari Rozgar Yojana (SJSRY). NULM has been designed to rest on the foundation of mobilisation of urban poor households into grass-root institutions for thrift and credit i.e SHGs and their federations in urban areas.

3. In this connection , I would like to draw your attention to the Report of the 'Committee on Financial Inclusion ' chaired by Dr C Rangarajan submitted in January 2008 which observed that SHG-Bank linkage Programme is a major plank of the strategy for delivering financial services to the poor in a sustainable manner. The committee is of the view that NABARD shall play a pro-active role and identify new initiatives that will contribute to effectively improving outreach of the poor through SHGs, MFIs etc.

4. NABARD has been regularly imparting training to Bankers in the rural and semi urban areas on SHG-BLP. In this connection; we would request you to extend the same to the Bankers based in the urban areas also so that their experience and training can be utilised for the beneficiaries of NULM. In addition we would also request you to invite NULM's representatives based at city level for such trainings, as such an exposure will

help them in getting the perspective of the Bankers and serving the beneficiaries in a better manner.

5. It is therefore requested to take necessary action in this regard and intimate the ministry accordingly.

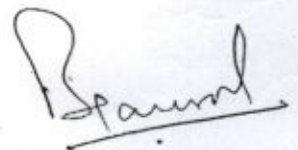

With regards,

Yours Sincerely

(B. K. Agarwal)
