- Assessment completed : 17,574
- Assessment pending : 24,792

For remaining 2 nominations of Skill Development Expert, Governing Body like Indian Chamber of Commerce (ICC), and CII may be suggested.

For three Trade & Industry representative, PBSSD will write to Department of IT & Electronics, Department of Micro, Small & Medium Enterprise and Textile and Department of Industry, Commerce & Enterprise to nominate an official to represent respective industries. - It was decided that minimum 80% attendance requirement will remain as a mandate for all the trainings under Utkarsh Bangla Scheme
- It was decided that all the Institutional Mode trainings will be included under Utkarsh Bangla schemes
- It was suggested to link Skill Development with State Level Bankers' Committee (SLBC), Loan Mela and Self-employment related schemes like MUDRA, PMEGP etc. to promote self-employment amongst the beneficiaries of Skill Development. Trainees may be assisted in DPR preparation during the course of their training. It was also discussed that Micro, Small & Medium Enterprises Department will share a Standard Operating Procedure on MUDRA scheme so the said scheme may be integrated with Skill Development schemes.
- It was suggested to link the payment of Training Provider with the milestones so that training providers may get sufficient working capital. The payment milestones and corresponding payments that were discussed are,

Sr. No	Stage	Percentage of Fund Release
1.	After the candidates having covered at least 15% of the course hours	15%
2.	After Assessment & Certification	65%
3.	Depending on Placement	20%

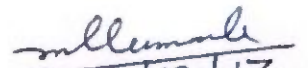

- It was discussed that the present target of providing minimum 70% placement with at least 50% wage based employment for obtaining 20% of training fund under Utkarsh Bangla is unrealistic as most of the Training Providers are unable to achieve this placement figure. It was suggested to revise the criteria for releasing this 20% placement linked fund.
- The payment to TPs may be disbursed as per the milestones achieved. Again the 20% fund for placement may be disbursed as per different slabs of achievement. A proposal may be submitted to the Chairperson, PBSSD for approval. A suggestive break –up is given below:

Sr. No	Stage	Percentage of Fund Release
1.	After the candidates having covered at least 15% of the course hours	15%
2.	After the candidates having covered at least 30% of the course hours	15%
3.	After Assessment & Certification	50%
4.	Depending on Placement	20%

The 20% fund for placement would be disbursed as below:

Placement Slab	% of release of fund
0% to < 20%	0%
20% to < 30%	5%
30% to < 40%	10%
40% to < 50%	15%
Above 50%	20%

- The suggestion of having flexible training hours (2, 4 or 6 hours a day) on case to case basis was accepted.
  - The proposal of empanelling an advertising agency for Utkarsh Bangla was accepted. PBSSD will now float a tender for empanelment of advertising agency. President, Governing Body also suggested to promote Utkarsh Bangla scheme during various district meetings.
3. **AGENDA - 4:** The Governing Body suggested to have a provision of providing course material in vernacular medium for all Skill Development trainings.

**Sub : Delay in Third Party Examination in NULM/DAY NULM Scheme in West Bengal**

Dear Sir/Madam,

ICA is a SUDA, PBSSD and NSDC affiliated Organization. We are conducting Skill Development Training in various ULB's under NULM/ DAY NULM Scheme in West Bengal.

As per the NULM/ DAY NULM scheme guideline; after successful completion of the project, the final assessment will be conducted by the Govt. Approved Testing Agency (Third Party Assessment). PIA's 50% payment also related to the examination result. Unfortunately in many cases the Third Party Examination are been delayed. In few cases the courses are been completed in the year 2015 and 2016, but upon several follow-up and mail we have not received any examination date from the concern department.

The delay in examination causes various problem for us;

1. Candidates are not getting NCVT certificates on time.
2. Class room training completed successfully but examination pending for more than 6 months, students are losing confidence on Project Authorizing Body and PIA as well.
3. Few candidates are reluctant to sit for the examination due to huge gap after the end of the class. Few assessment body is demanding some undue favour in this situation.
4. Our payment are getting delay.

Please find attached the ULB wise examination pending details for your reference. Please provide us proper solution so that we could overcome from this situation.

We look forward for your positive response.

We assure you the best of our services at all times.

Regards,

For ICA Edu Skills Pvt. Ltd.

# Skill Development Program under State Urban Development Agency

Date: 08.12.2016

## 1 Introduction

- A. The Government of West Bengal has an integrated approach to Skill Development in West Bengal with the Technical Education, Training and Skill Development (TET&SD) Department being the nodal department for the state government for all skilling interventions through its Polytechnics, ITIs/ITCs, VTCs, VTPs (Public and Private) as well as various private affiliated institutes.
- B. The TET&SD department through its Directorates and Council supervises 216 ITIs, 146 polytechnics and around 2800 vocational training centers operating all over the state with an annual target of skilling around 6 lakh youths under the Utkarsh Bangla scheme in the institutional and non-institutional mode for the financial year 2015-2016.
- C. To address the requirement of skilled manpower across various sectors and to narrow the existing gap between the demand and supply of skills, Government of West Bengal has also constituted the West Bengal Skill Development Mission (WBSDM) under chairmanship of the Hon'ble Chief Minister along with constitution of the Paschim Banga Society for Skill Development (PBSSD) under the chairmanship of the Chief Secretary to implement the decisions of the WBSDM.
- D. On 16th February, 2016 the Government of West Bengal introduced a Flagship Scheme called "Utkarsh Bangla" in the State of West Bengal for the entire non-institutional short term Skill Development interventions to provide wage/ self-employment linked skills training to the residents of the State. Under this scheme all interventions funded by the various State Government Departments/ Bodies/ Agencies from State and other funds leading to Skill Development shall be made by PBSSD on their behalf.
- E. The State Urban Development Agency (SUDA) under the Department of Municipal Affairs intends to train around 26,000 urban poor residents in the 125 municipalities of the state through non-project mode under the Utkarsh Bangla Scheme. PBSSD would assist SUDA in conceptualizing and implementing of training program. In this context it may be mentioned that PBSSD has already been associated with SUDA for conducting assessments in Direct Candidates Assessment (DCA) mode.

## 2 Process of Implementation

### A. Registration:

- a. A portal would be developed to register the applicants. Each applicant would be given a choice to opt for a single module according to availability of empanelled capacity with PBSSD for the particular municipality. A document on registration guidelines would be made available in the portal.
- b. An advertisement would be released in top newspapers inviting applications & the portal shall simultaneously go live.
- c. After the deadline of registration the database would be handled by PBSSD for assignment of temporary batches. The deadline may be extended considering the number of applications received.
- d. Generally a batch would be formed if more than 20 applicants are available for a particular module in a particular municipality. The temporary batches would be allocated to empanelled training centers offering the module in that municipality according to the approved method of PBSSD.
- e. The empanelled training centers would be issued Letters of Intent (LoIs) asking them to confirm availability of rooms, equipment and trainers for the batches. Once the responses of the LoIs are received, the Letters of Counselling (LoC) would be released informing the training centers the procedure of counselling and capturing the biometric data of the trainees.
- f. Upon successful completion of the counselling process the training centers would be allocated batches. The minimum no. of trainees in a batch must be above 12, which may be altered according to decisions made by PBSSD.
- g. The assessment & certification process for all the batches would be handled by PBSSD.
- h. In case it is found that the empanelled capacity is unable to satisfy the interest of the applicants, then PBSSD would arrange necessary arrangements to empanel more centers or modules or rooms to minimize the demand-supply gap.

### B. Mobilization and Awareness Building:

- a. The PBSSD would seek support from the 125 Urban Local Bodies (ULB) or other relevant entities for mobilization of the candidates. A workshop would be held with councilor/in-charge of the skill development interventions of all ULBs & Executive Officers to enable them to spearhead the mobilization of potential trainees. Any existing database with the ULBs may be referred in these cases.
- b. TV scrollers, paper ads and various advertisement materials would be floated and circulated to raise the awareness about the program.

### 3 Funding:

- A. The Department of Municipal Affairs would transfer the necessary fund for this training to PBSSD account head.
- B. PBSSD would make the payments to the Training Providers and Assessors according to the prevailing norms or CNN, whichever applicable.
- C. The PBSSD would submit a utilization certificate to Department of Municipal Affairs upon completion of the training process.

### 4 Monitoring and Evaluation

- A. The training program would be monitored and evaluated on periodical basis primarily by the District level Project Management Units (DPMUs) and the Sub division level Project Management Units (SDPMUs). PBSSD is in the process of setting up these units.
- B. Till the time these units are at place the nodal ITI/Polytechnic officers would be responsible for the monitoring and evaluation process. Inputs from the Department of Minority Affairs may be solicited in this case.
- C. Release of payments to the Training Providers would be done based on the feedback received and fulfilment of the Key Performance Indicators as per the Utkarsh Bangla Scheme.

### 5 Activity Planner

- A. The entire process of this training program would be supervised by PBSSD through its SPMU under the overall leadership of the Chief Secretary who is ex-officio Chairman of PBSSD.
- B. The Activity Planner would be as follows:

Activity	Timeline
Release of Advertisement and activating portal for registration	Within 3 days of receiving approval from the Department of Municipal Affairs
Registration window	21 days to 30 days <i>The window may be extended for 15 days if enough no. of applications are not submitted by deadline</i>
Releasing LoIs (in phases)	Within 10 working days from closing of application process
Releasing LoCs (in phases)	Within 2 working days from releasing LoIs
Releasing Work Orders (in phases)	Within 10 working days from releasing LoCs
Commencement of batches	Within 5 working days from releasing the Work Orders

A quick response to this concept note would be highly appreciated.
