**D.O No. O-17024/187/2018-UPA-I-UD**  
**Dated the 18<sup>th</sup> October, 2018**

Dear *Sir,*

The Deendayal Antyodaya Yojana- National Urban Livelihood Mission (DAYNULM) is being implemented by this Ministry since 2014. In order to increase the coverage and visibility of the Mission, the Ministry is celebrating a DAY-NULM 'Pakhwada' named 'Shehri Samridhi Utsav', scheduled not later than the first fortnight of **February, 2019**. The objective of Shehri Samridhi Utsav is to unite all DAY-NULM stakeholders and create a strong momentum for the Mission by implementing a number of high-impact initiatives.

2. While the culminating events for these activities would be held during the Pakhwada during first fortnight of February 2019, the preparatory activities should be started as per the timelines mentioned below. You are requested to give inputs on the proposed activities and action taken thereon.

Proposed Activities for DAY-NULM Pakhwada are given below –

**1. City Level Activities**

**1.1 Strengthening Safety Net for the Urban Poor:** A survey will be conducted to identify eligible SHG members who are not covered under the relevant government schemes i.e. Jan Dhan Yojana, Pradhan Mantri Jeevan Jyoti Yojana, Pradhan Mantri Suraksha Bima Yojana, Swachh Bharat Mission - Urban, Pradhan Mantri Awas Yojana, Pradhan Mantri Ujjwala Yojana, access to nutrition (National Nutrition Mission), etc.

The survey would be started on 1st November 2018 and camps would be organized for linking the eligible members with the welfare schemes, during the Pakhwada. Community Organizers (COs), Resource Organizations (ROs) and Area Level Federations (ALFs) may be engaged to conduct the survey.

**1.2 Rally of SHGs to spread awareness about DAY-NULM:** SHG members will conduct a rally with banners, placards etc. to spread awareness about DAY-NULM, especially among the urban poor communities, not covered by the Mission. The SHGs would march through the city culminating in a public function where prominent local personalities would be invited. The SHG rallies may be organized on 1st February in State Capitals, and subsequently in all other cities where DAY-NULM is being implemented, in a staggered manner throughout the Pakhwada.

**1.3 Drive to form SHGs of informal sanitation workers:** A drive to form new SHGs, especially for vulnerable occupation sectors such as informal sanitation workers, manual scavengers, waste pickers etc. will be taken up intensively over the next 3 months.

1.4 Shehri Sahbhagita Manch (ULB – ALF meetings): It is essential to create a platform for SHG federations to engage with Urban Local Bodies (ULBs) systematically – for emancipation of SHGs and strengthening the grassroots urban democracy. Shehri Sahabhagita Manch is proposed to be established for regular meetings of ULB officials with SHG federations to discuss local planning, grievances, progress of DAY-NULM etc. First round of Shehri Sahabhagita Manch meetings will be held during the Shehri Samridhi Utsav.

1.5 Adoption of shelters by colleges: Each shelter established under the Shelters for the Urban Homeless (SUH) component will be mapped to a degree/intermediate college located nearby. This preparatory activity must be started on 1st November 2018. States/UTs will send the list of colleges mapped to each shelter by 15th November 2018. The first round of visits by student will be organized during the Pakhwada.

Adoption shelters by colleges would lead to better implementation and transparency in addition to creating a healthy interactive environment for shelter residents and a good learning experience for students. Indicative activities to be taken up by students may include – drive by students to bring identified urban homeless to the shelters, fortnightly visits on rotation by student volunteers, documenting the stories of the inmates, celebrating festivals with shelter inmates, outings/walks with elderly residents etc. Students would also prepare reports on the shelter facilities with photographs and submit it to the respective Shelter Management Committees and Executive committees for follow up action.

1.6 Loan camps by banks: An intensive drive would be conducted from 1st November to clear pending loan proposals, prepare loan applications with the help of ROs, COs, CRPs and organize loan camps in the vicinity of slums. Targets will be allocated for fast processing of loan applications received at the camps. EDP training may be organized for all those who have availed SEP loans (or whose loans have been sanctioned). ULBs should prepare a dossier of pending cases and send them to the lead bank with a copy to the respective branches for follow up.

During the Pakhwada, the sanction letters will be handed over to the beneficiaries.

1.7 Drive to Provide Identity Cards to Street Vendors: So far, about 15 lacs street vendors have been identified but only 6 lacs have been given identity cards. An intensive drive should be taken up as a preparatory activity to complete the identification of vendors. A public function may be arranged during Shehri Samridhi Utsav to handover Identity Cards along with SEP loans sanction letters to Street Vendors, RPL certificates to street food vendors etc.

1.8 Job Mela: Job Mela should be arranged in all the cities having more than 5,00,000 population during the Pakhwada. The States not having cities above 5 lacks population, should organize Job Mela in two cities of their choice. Detailed implementation plans and list of employers to be invited for each job fair should be intimated to MoHUA by 15th November 2018. Job melas should cover wage employment as well as apprenticeship programs.

## 2. State Level Activities

2.1 Street Food Festival: A street food festival to celebrate the local street food culture and cuisine may also be organized to support the street food vendors. Training of street food vendors with a focus on health and hygiene considerations has implications, not only for the livelihoods of vendors, but also the health of the community. Each State may conduct Recognition of Prior Learning (RPL) for street vendors in any 2 cities. A formal RPL proposal should be submitted to NSDC through MoHUA in this regard. Roll out of RPL program should be completed by 31st January, culminating in FSSAI certification and provision of vendor kits.

2.2 Exhibition of SHG products: States should organize an exhibition for sale of SHG products at the State Capitals and other major cities. Various avenues for raising funds from corporate sponsors may be explored by States for these exhibitions.

2.3 Recruitment and Training of CRPs: Intensive drive should be conducted for recruitment and training of cadres of City Resource Persons (CRPs). Each State may develop a CRP policy, defining the process for recruitment and training, norms for remuneration, allocation of responsibilities, and mechanism of monitoring of CRPs. States may also enter into MOUs with other states for training of new CRPs.

3. A Video Conference is being organized on 23rd October 2018, to discuss the States' inputs on Shehri Samridhi Utsav. States are requested to share their inputs in advance and participate in the Conference. The notice for video conference is attached for reference.

Encl: As above.

Yours sincerely,

(Sanjay Kumar)

**Subject: Advisory to States on Adoption of Shelters for Urban Homeless by local Colleges - Shehri Samridhi Utsav, February 2019.**

Sir,

I am directed to refer Joint Secretary (NULM)'s DO Letter no. O-17024/187/2018-UPA-I-UD dated October, 2018 (enclosed) regarding celebrating DAY-NULM 'Pakwada' by organizing "Shehri Samridhi Utsav" during the first fortnight of February, 2019.

2. As per Clause 13.6, of Shelters for the Urban Homeless (SUH) guidelines, *"Every shelter should be linked with a high school or college, so that the students can engage with the residents of the shelters, ensuring quality of the shelters, and learning community service."* Accordingly, States are advised to ensure that all shelters established under Shelters for the Urban Homeless (SUH) component of DAY-NULM to be mapped to a degree/intermediate college located nearby. Adoption of shelters by colleges would lead to better implementation and transparency in addition to creating a healthy interactive environment for shelter residents and a good learning experience for college students.

3. Indicative list of activities to be taken up by college students may include-

- i. Mobilization drive by students to bring identified urban homeless to the shelters
- ii. Fortnightly visits on rotation by student volunteers
- iii. Listening and documenting the stories of residents
- iv. Celebrating festivals with shelter residents
- v. Outings/walks with elderly residents
- vi. Prepare reports on the shelter facilities with photographs and stories of residents

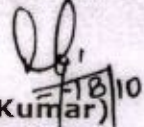

4. The first round of visits by student to be organized during the Shehri Samridhi Utsav. States should send a list of colleges mapped to each shelter, by 15th November 2018.

5. Students' reports on gaps in management of the scheme and shelter facilities will be submitted to shelter management committees and the Executive Committees of the ULBs. ULBs should ensure that the Executive Committee

File No.O-17024/187/2018-UPA-I-UD

deliberates on the issues raised by the students in their meetings which are to be convened as per the Mission guidelines.

Yours sincerely,

(Niraj Kumar)

Director (NULM)

The Mission Director, SULM  
All States/UTs

**Subject: Advisory on strengthening safety net for the urban poor activity under Shehri Samridhi Utsav, February 2019.**

Sir,

I am directed to refer Joint Secretary (NULM)'s DO Letter no. O-17024/187/2018-UPA-I-UD dated October, 2018 regarding celebrating DAY-NULM 'Pakhwada' by organizing "Shehri Samridhi Utsav" during the first fortnight of February, 2019. As you are aware that there are a number of Government of India Schemes that can benefit the urban poor population. States are advised to ensure that all SHG members under DAY-NULM are linked to these schemes.

*As per clause 23 of the SMID guidelines, "In order to bring the beneficiaries of DAY-NULM within the ambit of social insurance and to provide coverage from risks/uncertainties viz: death, accident, disability, hospitalization & retirement, the respective SULMs will ensure facilitation of low-cost insurance products/services including micro-pension to the potential beneficiaries."*

2. Besides insurance, other schemes for housing, sanitation, financial inclusion, nutrition etc. also have benefits for which DAY-NULM beneficiaries are eligible (See Annexure I for an indicative list of schemes).
3. In order to identify those SHG members who are not covered under the relevant schemes, a survey needs to be conducted. The survey for identification of SHG members would be kicked off by 1st November 2018 and the data on identification of SHG members not having access to any of these programs, should be shared by States with MoHUA by 1<sup>st</sup> December 2018. Community Organizers (COs), Resource Organizations (ROs) and Area Level Federations (ALFs) may be engaged to conduct the survey.
4. SULMs would then coordinate with the concerned State departments and provide these critical linkages in a time bound manner. All paperwork to include SHG members as beneficiaries in the relevant schemes should be done during the preparatory period, as per the activity schedule indicated below. During the DAY-NULM Pakhwada in February 2019, camps would be organized for distributing benefits to the eligible members.
5. Steps to be followed with indicative timelines -

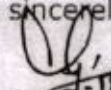

File No.O-17024/187/2018-UPA-I-UD

S.No.	Activity	Timeline
1.	Training of DAY-NULM field functionaries – COs, ROs, ALFs on the relevant schemes and survey format	01/11/2018 – 07/11/2018
2.	Roll out of Urban Poor Safety Net survey	07/11/2018 – 26/11/2018
3.	Consolidation and verification of data	26/11/2018 – 30/11/2018
4.	Submission of verified data on SHG members not covered under the relevant schemes	30/11/2018
5.	Coordination with relevant state government departments to link SHG members to schemes	01/12/2018 – 31/12/2018
6.	Verification to ensure identified SHG members are included in beneficiary list of relevant schemes	01/01/2019 – 31 / 01/2019
7.	Distribution of scheme benefits	01/02/2019 – 15/02/2019

Encl: As above.
