we have received report from Barrackpore municipality; North Barrackpore municipality and Kolkata Municipal Corporation that the branches mentioned below are not cooperating with the SHGs under NULM.

1. The former Branch Manager of State Bank of India, Anandapuri Branch was not aware about the process of SHG credit linkage. But the present Manager is reluctant about SHG credit linkage. Whether or not the SHG keeps their account at its branch, it does not matter to her.

The Manager of Barrackpore Branch was formally communicated vide letter no BKP/2019-20/30 dated on 13/05/2019 (copy enclosed) to North Barrackpore municipality that the loan proposal was submitted to CPC (SMECC, Bidhannagar) for sanction the same but the said office have returned the proposal. Because there is no such operational guideline for disbursement of SHG loan form SME centre for the linked branches. The branches not yet received any operational guideline from their good office.

2. The SHGs of Barrackpore Municipality having their saving bank account in Railway branch of your bank. In this branch the manager has clearly informed the representatives of Municipality that he will not process the SHG loan applications until anandapuri branch disburse loan to SHGs.

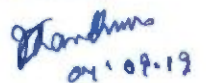

3. The State Bank of India, Kudghat branch is insisting the SHGs to submit the registration certificate for opening their savings bank account. The SHG is a informal institution of poor women of urban household. As a result the branch is not opening the account of the SHGs.

In such situation we may request the DGM-SME, SBI, LHO Kolkata to instruct the branches to resolve the issues.

A draft letter is placed for your kind perusal and signature.
